SUPPLEMENTARY INFORMATION: Under the authorities that established the ACICBL and the Federal Advisory Committee Act Public Law 92-463, as amended, HRSA is requesting nominations for four voting members.

The ACICBL provides advice and recommendations to the Secretary and to the Congress concerning policy, program development and other matters of significance related to interdisciplinary, community-based training grant programs authorized under sections 751-755, Title VII, Part D of the Public Health Service Act. The ACICBL prepares an annual report describing the activities conducted during the fiscal year, identifying findings and developing recommendations to enhance Title VII Interdisciplinary, Community-Based Training Grant Programs. The Annual Report is submitted to the Secretary of the U.S. Department of Health and Human Services and ranking members of the Committee on Health, Education, Labor and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives.

The Department of Health and Human Services is requesting a total of four nominations for voting members of the ACICBL from schools that have administered or are currently administering awards from the following programs: Area Health Education Centers; Geriatric Academic Career Award; Geriatric Training for Physicians, Dentists, and Behavioral, Mental Health Professionals; and Health Education Training Centers. Among these nominations, students, residents, and/or fellows from these programs are encouraged to apply.

The legislation governing this Committee requires that at least 75 percent of the members are health professionals, a fair balance between the health professions, a broad geographic distribution and a balance of members from urban and rural areas, and the adequate representation of women and minorities. Members will be appointed based on their competence, interest, and knowledge of the mission of the profession involved. As such, the pool of appropriately qualified nominees should reflect these requirements to the degree possible.

Interested individuals may nominate multiple qualified professionals for membership to the ACICBL to allow the Secretary a diverse listing of highly qualified potential candidates. Nominees willing to serve as members

of the ACICBL should not have an appearance of a conflict of interest that would preclude their participation. Potential candidates will be asked to provide detailed information concerning consultancies, research grants, or contracts to permit an evaluation of possible sources of conflicts of interest. In addition, a curriculum vitae and a statement of interest will be required of the nominee to support experience working with Title VII Interdisciplinary, Community-Based Training Grant Programs, expertise in the field, and personal desire in participating on a National Advisory Committee. Members of the Advisory Committee shall be appointed for a term of three years.

All nominations must be received no later than January 16, 2009.

Dated: December 9, 2008.

Alexandra Huttinger,

Director, Division of Policy Review and Coordination.
