

less than five nor more than 15 persons, with balanced representation from the various groups participating in the fisheries included under the IATTC Convention, and from non-governmental conservation organizations. Members of the Committee shall be invited to attend or have representatives attend all non-executive meetings of the U.S. Section, and shall be given full opportunity to examine and to be heard on all proposed programs of investigations, reports, recommendations, and regulations adopted by the Commission. Members of the Committee may attend meetings of the IATTC and the AIDCP as members of the U.S. delegation or otherwise in accordance with the rules of those bodies governing such participation. Participation as a member of the U.S. delegation shall be subject to such conditions as may be placed on the size or composition of the delegation.

Scientific Advisory Subcommittee

The Act, as amended, also provides that the Secretary of State, in consultation with the U.S. Commissioners to the IATTC, shall appoint a Scientific Advisory Subcommittee (the Subcommittee) of the General Advisory Committee. The Subcommittee shall be composed of not less than five and not more than 15 qualified scientists with balanced representation from the public and private sectors, including non-governmental conservation organizations. The Subcommittee shall advise the Committee and the U.S. Section on matters including: The conservation of ecosystems; the sustainable uses of living marine resources related to the tuna fishery in the eastern Pacific Ocean; and the long-term conservation and management of stocks of living marine resources in the eastern Pacific Ocean.

In addition, at the request of the Committee, the U.S. Commissioners, or the Secretary of State, the Subcommittee shall perform such functions and provide such assistance as may be required by formal agreements entered into by the United States for the eastern Pacific tuna fishery, including the AIDCP. The functions may include: The review of data from the International Dolphin Conservation Program (IDCP), including data received from the IATTC staff; recommendations on research needs and the coordination and facilitation of such research; recommendations on scientific reviews and assessments required under the IDCP; recommendations with respect to measures to assure the regular and timely full exchange of data among the

Parties to the AIDCP and each nation's (NATSAC) (or its equivalent); and consulting with other experts as needed.

The Subcommittee shall be invited to attend or have representatives attend all non-executive meetings of the U.S. Section and the General Advisory Committee and shall be given full opportunity to examine and to be heard on all proposed programs of scientific investigation, scientific reports, and scientific recommendations of the Commission. Representatives of the Subcommittee may attend meetings of the IATTC and the AIDCP as members of the U.S. delegation or otherwise in accordance with the rules of those bodies governing such participation. Participation as a member of the U.S. delegation shall be subject to such limits as may be placed on the size of the delegation.

National Scientific Advisory Committee

The Scientific Advisory Subcommittee shall also function as the NATSAC established pursuant to Article IX of the AIDCP. In this regard, the Subcommittee shall perform the functions of the NATSAC as specified in Annex VI of the AIDCP including, but not limited to: receiving and reviewing relevant data, including data provided to the National Marine Fisheries Service (NMFS) by the IATTC Staff; advising and recommending to the U.S. Government measures and actions that should be undertaken to conserve and manage stocks of living marine resources in the AIDCP Area; making recommendations to the U.S. Government regarding research needs related to the eastern Pacific Ocean tuna purse seine fishery; promoting the regular and timely full exchange of data among the Parties on a variety of matters related to the implementation of the AIDCP; and consulting with other experts as necessary in order to achieve the objectives of the Agreement.

General Provisions

Each appointed member of the Committee and the Subcommittee/NATSAC shall be appointed for a term of 3 years and may be reappointed.

Logistical and administrative support for the operation of the Committee and the Subcommittee will be provided by the Department of State, Bureau of Oceans and International Environmental and Scientific Affairs, and by the Department of Commerce, National Marine Fisheries Service. Members shall receive no compensation for their service on either the Committee or the Subcommittee/NATSAC, nor will members be compensated for travel or

other expenses associated with their participation.

SUPPLEMENTARY INFORMATION:

Meeting Procedures

(a) The meetings will be informal in nature and will be conducted by one or more representatives of the FAA Central Service Center. A representative from the FAA will present a briefing on the planned modification to the Class B airspace at Chicago, IL. Each participant will be given an opportunity to deliver comments or make a presentation, although a time limit may be imposed. Only comments concerning the plan to modify the Class B airspace area at Chicago, IL, will be accepted.

(b) The meetings will be open to all persons on a space-available basis. There will be no admission fee or other charge to attend and participate.

(c) Any person wishing to make a presentation to the FAA panel will be asked to sign in and estimate the amount of time needed for such presentation. This will permit the panel to allocate an appropriate amount of time for each presenter. These meetings will not be adjourned until everyone on the list has had an opportunity to address the panel.

(d) Position papers or other handout material relating to the substance of these meetings will be accepted. Participants wishing to submit handout material should present an original and two copies (3 copies total) to the presiding officer. There should be additional copies of each handout available for other attendees.

(e) These meetings will not be formally recorded.
