SUPPLEMENTARY INFORMATION:

I. Background

On October 17, 1988, Congress enacted the Indian Gaming Regulatory Act (IGRA or Act), 25 U.S.C. 2701-21, creating the National Indian Gaming Commission (NIGC or Commission) and developing a comprehensive framework for the regulation of gaming on Indian lands. 25 U.S.C. 2702. The NIGC was granted, among other things, regulatory oversight and enforcement authority, including the authority to monitor tribal compliance with IGRA, NIGC regulations, and tribal gaming ordinances.

The Commission has worked under IGRA for almost twenty years, and in 1992, it adopted regulations. 25 U.S.C. 2706(b)(10). To better carry out its statutory duties, the Commission undertakes this collection of minor, miscellaneous regulation changes. The proposed rule will update regulations, and it will streamline and optimize existing procedures.

II. Development of the Proposed Rules Through Written Tribal Consultation

The Commission identified a need for minor changes to various parts of its regulations, and in accordance with its government-to-government consultation policy (69 FR 16,973 (Mar. 31, 2004)), requested input from Indian tribes. On March 26, 2007, the Commission prepared amendments to the regulations and sent a copy to the leaders of all gaming tribes for comment. Fifty-seven tribes provided written comments. The NIGC carefully reviewed all comments, often incorporating suggested changes.

In addition, the NIGC consulted with tribes and their gaming commissions at regional gaming association meetings around the country and at the Washington, DC, headquarters. Since March 26, 2007, the NIGC has held consultations at fifteen regional gaming conferences and consulted with more than 110 tribes when the proposed rule was on the agenda. Other than the previous 57 submissions, no tribes chose to consult or comment further about these miscellaneous regulation changes.

III. Purpose and Scope

The changes in this proposed rule are minor but provide incremental improvements to existing regulations. These changes clarify existing regulations, reduce tribal reporting burdens for fees, update costs for background investigations, and allow tribes to consolidate audits and/or file shortened versions to reduce costs. The proposed rule is discussed below.

A. Definitions

NIGC regulations define "key employee" at 25 CFR 502.14. The jobs listed for key employees are, among other things, subject to a background investigation as a condition of licensure. The proposed rule would reflect the common practice of tribes that identify additional employees as key employees subject to background investigations beyond those positions identified in IGRA. NIGC has received no comments on this change.

IGRA and NIGC regulations define "net revenue" as "gross gaming revenues of an Indian gaming operation

less amounts paid out as, or paid for, prizes; and total gaming-related operating expenses, excluding management fees.” 25 U.S.C. 2703(9); 25 CFR 502.16. The proposed rule would amend 25 CFR 502.16 to read:

Net Revenues means gross gaming revenues of an Indian gaming operation less—

(a) Amounts paid out as, or paid for, prizes; and

(b) Total gaming-related operating expenses, including all those expenses of the gaming operation commonly known as operating expenses and non-operating expenses consistent with professional accounting pronouncements, excluding management fees.

The proposed rule would reflect the industry understanding of what constitutes an operating expense in order to clarify what constitutes net revenues for a gaming operation.

The Commission accepted the suggestion of a number of commenters to include the words “gaming-related” in order to make clear that the Commission’s jurisdiction extended only to gaming revenues. Thus, the proposed rule reflects this suggestion.

The NIGC’s regulations define a “person having a direct or indirect financial interest in a management contract” to include:

(d) When a corporation is a party to a management contract, any person who is a director or who holds at least 10% of the issued and outstanding stock alone or in combination with another stockholder who is a spouse, parent, child or sibling; or * * *

25 CFR 502.17(d). The proposed rule would lower the requisite financial interest to five percent for publicly traded companies so as to be consistent with the Securities and Exchange Commission’s understanding of a “significant shareholder.” The Commission also notes that this change would be consistent with similar requirements in other gaming jurisdictions.

One comment from a tribe stated that this part of the proposed rule created too onerous a burden on tribes. However, the NIGC disagrees and feels that lowering the requisite interest would best protect the integrity of Indian gaming.

NIGC regulations define “primary management official” at 25 CFR 502.19. The jobs listed for primary management officials are, among other things, subject to a background investigation as a condition of licensure. The proposed rule would reflect the common practice of tribes that identify additional employees as primary management officials subject to background investigations beyond those positions

identified in IGRA. NIGC has received no comments on this change.

B. Annual Fees Required

IGRA requires the NIGC to set an annual funding rate. 25 U.S.C. 2717. NIGC implements this requirement under 25 CFR part 514, which requires tribal submissions of fees four times per year. The proposed rule would reduce the number of fee submissions by half. The proposed rule would also incorporate suggested changes by some tribal commenters that noted inconsistencies in language over when to set fee rates and when to adjust schedules.

C. Content of Management Contracts

IGRA and NIGC regulations require specific provisions in a management contract, and its accompanying submission package, before the Chairman can approve it. 25 U.S.C. 2711; 25 CFR 531.1, 533.3. The Chairman must also approve any amendment to a management contract. 25 CFR 535.1, 535.3. In applying for approval, all persons having a financial interest in, or management responsibility for, a management contract must be disclosed to the Commission and must undergo a background investigation. 25 CFR 537.1. Management contractors must pay for this investigation. 25 CFR 537.3. If the Chairman disapproves a management contract or amendment, the tribe or contractor may appeal. 25 CFR 539.1, 539.2.

The proposed rule would update 25 CFR 531.1, 533.1, 533.3, and 533.7 by removing language regarding the Secretary of the Interior’s approval of management contracts. Because the Secretary no longer fulfills that role, the NIGC is eliminating unnecessary references in §§ 531.1, 533.1, 533.3, and 533.7 to the Secretary’s former authority. Further, section 533.5 permits the Chairman to take action on noncompliant management contracts previously approved by the Secretary. Because no management contracts approved by the Secretary remain active, section 533.5 is obsolete and would be removed.

Additionally, the proposed rule would update § 533.3 to reflect the existing practice of providing a legal description for the land upon which the gaming facility operates or will operate. This practice allows the Commission to determine whether a management contract references a site that is “Indian lands” eligible for gaming as required under IGRA.

The proposed rule would change § 537.3 to increase the fee for

background investigations. This would update the fee and make it closer to actual industry costs.

Finally, the proposed rule would replace the words “modification” and “modify” with “amendment” and “amend” in §§ 535.1, 535.3, 539.1, and 539.2 for purposes of internal consistency.

The only substantive comment received on proposed changes to these sections came from a tribe that objected to the addition of a legal description in the management contract submission package. As the amendment merely reflects existing practice, the Commission will propose the change.

D. Background and Licensing for Primary Management Officials and Key Employees

IGRA requires that tribes, through their gaming ordinances, maintain an adequate system of background investigations. 25 U.S.C. 2710(b)(2)(F). NIGC regulations, 25 CFR parts 556 and 558, implement this requirement. The proposed rule would remove language in 25 CFR 556.2, 556.3 and 558.2 referring to the employment of individuals as key employees and primary management officials and replace it with language referring to their licensure instead. A decision to license an applicant and a decision about an applicant’s suitability (or eligibility) for licensure are separate and distinct from a decision to hire the applicant. These sections are concerned with licensure and suitability determinations, not employment decisions. The NIGC received tribal comments that approved of these changes.

These changes have implications for the use and distribution of gaming application information for key employees and primary management officials. As stated in the notice required by the proposed 25 CFR 556.2, application information may be “disclosed * * * in connection with the issuance, denial, or revocation of a gaming license * * *.” As such, the information could not, without otherwise complying with the requirements of the Privacy Act, 5 U.S.C. 552a, be provided to support employment decisions by prospective or current employers of the license applicant. This is a change from prior practice. Under the NIGC’s existing regulations, application information can be disclosed in connection with the hiring and firing of an employee.

Finally, the amendments to 25 CFR 556.2, 556.3 and 558.2 will have implications for tribal gaming ordinances, but not immediately. Upon

the effective date, tribes do not have to immediately amend their gaming ordinances. However, following the effective date, whenever tribes amend their gaming ordinances, they must also make amendments conforming to the language in these sections.

E. Monitoring and Investigating

IGRA requires ordinances submitted for the Chairman's review to contain a provision requiring an annual audit. 25 U.S.C. 2710(b)(2). The NIGC's regulation, 25 CFR 571.12, creates standard procedures for the submission of the annual audit to the Commission, and § 571.13 deals with how and when a tribe submits an audit statement. The proposed rule would still require tribes to contract with independent certified public accountants that use Generally Accepted Accounting Principles and Generally Accepted Accounting Standards to complete their audits. However, the proposed rule would allow tribes with multiple facilities to consolidate their audit statements into one. Further, the proposed rule would allow operations earning less than \$1 million in gross gaming revenue to file an abbreviated statement. Finally, the proposed rule would allow a tribe to submit an electronic version of an audit for so called "stub periods" of less than 1 year. The proposed rule would reflect common sense practice and reduce tribal costs and burden hours.

Tribal commenters supported the proposed rule's new consolidated audit statements but noted inconsistencies with accounting language and a misuse of accounting terms. The Commission agreed and modified the proposed rule to reflect standard practice and a proper use of accounting terms.

Tribal commenters also objected to the requirement of stub period audits under § 571.13 as burdensome. The proposed rule therefore would permit tribes to incorporate stub period audit information in the next fiscal year financial statement. This would alleviate any cost and time concerns.

NIGC regulation 25 CFR 573.6 discusses the Chairman's ability to close a gaming operation for any listed substantial IGRA violation. The proposed rule would add one substantial violation to the list and allow the Chairman to issue a temporary closure order for a gaming operation that operates on Indian land not eligible for gaming under IGRA. Indian gaming under IGRA must occur on "Indian lands," 25 U.S.C. 2710(a), (b) and (d), as IGRA defines that term. 25 U.S.C. 2703(4). If Indian land is trust land acquired after October 17, 1988 ("after-acquired land"), then the land is eligible

for gaming only if it meets one of the exceptions provided in 25 U.S.C. 2719. A gaming operation that operates on after-acquired land and does not meet one of the exceptions in § 2719 is in violation of IGRA. Operating illegally in this way is a substantial violation of IGRA that warrants immediate closure. The NIGC has not received comments on this part of the proposed rule.

Regulatory Matters

Regulatory Flexibility Act

Because the proposed rule would make only minor changes to existing rules, it will not have a significant impact on a substantial number of small entities as defined under the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* Moreover, Indian tribes are not considered to be small entities for the purposes of the Regulatory Flexibility Act.

Small Business Regulatory Enforcement Fairness Act

The proposed rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. The rule does not have an annual effect on the economy of \$100 million or more. The rule will not cause a major increase in costs or prices for consumers, individual industries, Federal, state, local government agencies, or geographic regions. Nor will the proposed rule have a significant adverse effect on competition, employment, investment, productivity, innovation, or the ability of the enterprises to compete with foreign-based enterprises.

Unfunded Mandates Reform Act

The Commission, as an independent regulatory agency within the Department of the Interior, is exempt from compliance with the Unfunded Mandates Reform Act. 2 U.S.C. 1502(1); 2 U.S.C. 658(1). Regardless, the proposed rule does not impose an unfunded mandate on state, local, tribal governments, or on the private sector of more than \$100 million per year. Thus, it is not a "significant regulatory action" under the Unfunded Mandates Reform Act.

Civil Justice Reform

In accordance with Executive Order 12988, the Office of General Counsel has determined that the proposed rule does not unduly burden the judicial system, and it meets the requirements of section 3(a) and 3(b)(2) of that order.

National Environmental Policy Act

The Commission has determined that the proposed rule does not constitute a

major federal action significantly affecting the quality of the human environment and no detailed statement is required pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321 *et seq.*

Paperwork Reduction Act

The proposed rule does not require any significant changes in information collection under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.* The information collections in the affected regulations are included within OMB control numbers 3141-0001 for part 571; 3141-0003 for parts 556 and 558; 3141-0004 for parts 531, 533, 535, 537, 539; and 3141-0007 for part 514.

§ 514.1 Annual fees.

(a) Each gaming operation under the jurisdiction of the Commission shall pay to the Commission annual fees as established by the Commission. The Commission, by a vote of not less than two of its members, shall adopt the rates of fees to be paid.

(1) The Commission shall adopt preliminary rates for each calendar year no later than February 1st of that year, and, if considered necessary, shall modify those rates no later than July 1st of that year.

subject to the jurisdiction of the Commission.

(4) If a tribe has a certificate of self-regulation, the rate of fees imposed shall be no more than .25 percent of assessable gross revenues from self-regulated class II gaming operations.

(b) For purposes of computing fees, assessable gross revenues for each gaming operation are the annual total amount of money wagered on class II and III games, admission fees (including table or card fees), less any amounts paid out as prizes or paid for prizes awarded, and less an allowance for amortization of capital expenditures for structures.

(1) Unless otherwise provided by the regulations, generally accepted accounting principles shall be used.

(2) The allowance for amortization of capital expenditures for structures shall be either the greater of:

(a) An amount not to exceed 5% of the cost of structures in use throughout the year and 2.5% (two and one-half percent) of the cost of structures in use during only a part of the year; or

(b) An amount not to exceed 10% of the cost of the total amount of amortization depreciation expenses for the year.

(3) Examples of computations follow:

(a) For (2)(a):

Gross gaming revenues:		
Money wagered		\$1,000,000
Admission fees	\$5,000	1,005,000
Less:		
Prizes paid in cash	500,000	
Cost of other prizes awarded	10,000	510,000

Less allowance for amortization of capital expenditures for structures:		
Capital expenditures for structures made in—		
Prior years	750,000	
Current year	50,000	
Maximum allowance:		
\$750,000 × .05 =	37,500	
\$50,000 × .025 =	1,250	38,750
Assessable gross revenues		456,250

(b) For (2)(b):

Gross gaming revenues:

Gross gaming profit		495,000
Allowance (depreciation expense for structures) per books	40,000	
Capital expenditures for structures:		
Capital expenditures for structures made in		
Prior years	750,000	
Current year	50,000	
Maximum allowance:		
\$750,000 × .05 =	37,500	
\$50,000 × .025 =	1,250	
Total maximum allowance	38,750	
Lesser of depreciation per books or maximum allowance		38,750
Assessable gross revenues		456,250

(4) All class II and III revenues from gaming operations are to be included.

(c) Each gaming operation subject to the jurisdiction of the Commission and not exempt from paying fees pursuant to the self-regulation provisions shall file with the Commission a statement showing its assessable gross revenues for the previous calendar year.

(1) These statements shall show the amounts derived from each type of game, the amounts deducted for prizes, and the amounts deducted for the amortization of structures;

(2) These statements shall be transmitted to the Commission to arrive no later than March 1st and August 1st of each calendar.

(3) The statements shall identify an individual or individuals to be contacted should the Commission need to communicate further with the gaming operation. The telephone numbers of the individual(s) shall be included.

(4) Each gaming operation shall determine the amount of fees to be paid and remit them with the statement required in paragraph (c) of this section. The fees payable shall be computed using—

(i) The most recent rates of fees adopted by the Commission pursuant to paragraph (a)(1) of this section,

(ii) The assessable gross revenues for the previous calendar year as reported pursuant to this paragraph, and

(iii) The amounts paid and credits received during the year.

(5) Each statement shall include the computation of the fees payable, showing all amounts used in the calculations. The required calculations are as follows:

(i) Multiply the previous calendar year's 1st tier assessable gross revenues by the rate for those revenues adopted by the Commission.

(6) Examples of fee computations follows:

(i) Where a filing is made for March 1st of the calendar year, the previous year's assessable gross revenues are \$2,000,000, the fee rates adopted by the Commission are 0.0% on the first \$1,500,000 and .08% on the remainder, the amounts to be used and the computations to be made are as follows:

1st tier revenues—\$1,500,000 × 0.0%=	
2nd tier revenues—\$500,000 × .08%=	\$400
Annual fees	400
Multiply for fraction of year— $\frac{1}{2}$ or	.50
Fees for first payment	200
Amount to be remitted	200

(7) The statements, remittances and communications about fees shall be transmitted to the Commission at the following address: Office of Finance, National Indian Gaming Commission, 1441 L Street, NW., Suite 9100, Washington, DC 20005. Checks should be made payable to the National Indian Gaming Commission (do not remit cash).

(8) The Commission may assess a penalty for failure to file timely a statement.

(9) Interest shall be assessed at rates established from time to time by the Secretary of the Treasury on amounts remaining unpaid after their due date (31 U.S.C. 3717).

(d) The total amount of all fees imposed during any fiscal year shall not exceed the statutory maximum imposed by Congress. The Commission shall credit pro-rata any fees collected in excess of this amount against amounts otherwise due by March 1st and August 1st of each calendar year.

(e) Failure to pay fees, any applicable penalties, and interest related thereto may be grounds for:

(1) Closure, or

(2) Disapproving or revoking the approval of the Chairman of any license, ordinance, or resolution required under this Act for the operation of gaming.

(f) To the extent that revenue derived from fees imposed under the schedule established under this paragraph are not expended or committed at the close of any fiscal year, such funds shall remain available until expended (Pub. L. 101-121; 103 Stat. 718; 25 U.S.C. 2717a) to defray the costs of operations of the Commission.

8. The authority citation for part 531 continues to read as follows:

Authority: 25 U.S.C. 81, 2706(b)(10), 2710(d)(9), 2711.

SUPPLEMENTARY INFORMATION:

Background

Section 7701(l) of the Code authorizes the Secretary to prescribe regulations recharacterizing any multiple-party financing transaction as a transaction directly among any two or more of such parties where the Secretary determines that such recharacterization is appropriate to prevent the avoidance of any tax imposed by the Code. In Treasury decision 8611 (1995-37 IRB 20; 60 FR 40997), published August 10, 1995, the Treasury Department and the Internal Revenue Service (IRS) issued implementing regulations under Treas.

Reg. § 1.881-3 relating to conduit financing arrangements pursuant to the authority granted by section 7701(l).

In general, § 1.881-3 allows the IRS to disregard the participation of one or more intermediate entities in a financing arrangement where such entities are acting as conduit entities, and to recharacterize the financing arrangement as a transaction directly between the remaining parties to the financing arrangement for purposes of imposing tax under sections 871, 881, 1441 and 1442 of the Code. Section 1.881-3(a)(2)(i)(A) of the regulations defines a financing arrangement to mean a series of financing transactions by which one person (the financing entity) advances money or other property, or grants rights to use property, and another person (the financed entity) receives money or other property, or rights to use property, if the advance and receipt are effected through one or more other persons (intermediate entities). Except in cases to which § 1.881-3(a)(2)(i)(B) (special rule for related parties) applies, the regulations apply only if financing transactions as defined in § 1.881-3(a)(2)(ii) link the financing entity, each of the intermediate entities, and the financed entity.

Since the publication of § 1.881-3 on August 10, 1995, the Treasury Department and IRS issued the so-called "check-the-box" regulations, under §§ 301.7701-1 through 301.7701-3, effective January 1, 1997 (TD 8697, 1997-1 CB 215; 61 FR 66854). Section 301.7701-3 provides, in part, that an entity that is not classified as a corporation and that has a single owner may elect to be disregarded as an entity separate from its owner (a disregarded entity).

The Treasury Department and IRS are aware that issues have arisen regarding the proper treatment of disregarded entities under § 1.881-3. These proposed regulations clarify that a disregarded entity is a person for purposes of § 1.881-3. Thus, transactions that a disregarded entity enters into will be taken into account for purposes of determining whether a financing arrangement exists.

The Treasury Department and IRS are continuing to study conduit financing arrangements and may issue separate guidance to address the treatment under § 1.881-3 of certain hybrid instruments. Specifically, the Treasury Department and IRS are studying transactions where a financing entity advances cash or other property to an intermediate entity in exchange for a hybrid instrument that is treated as debt under the laws of the foreign jurisdiction where the
