SUPPLEMENTARY INFORMATION:

Background

The Department received a timely request from Ajubesteeel, in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on circular welded non-alloy steel pipe from Korea, which has a November anniversary month.¹ Pursuant to 19 CFR 351.214(b), Ajubesteeel certified that it is both an exporter and producer of the subject merchandise, that it did not export subject merchandise to the United States during the period of investigation ("POI") (April 1, 1991, through September 30, 1991), and that since the investigation was initiated, it has never been affiliated with any exporter or producer who exported the subject merchandise to the United States during the POI. Ajubesteeel also submitted documentation establishing the date on which the subject merchandise was first entered for consumption, the volume shipped, and the date of its first sale to an unaffiliated customer in the United States.

Initiation of New Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d), we are initiating a new shipper review of the antidumping duty order on Circular Welded Non-Alloy Steel Pipe from Korea (produced and exported) by Ajubesteeel. See Memorandum to the File through Susan Kuhbach, Director, AD/CVD Operations Office 1, Import Administration from the Team, "New Shipper Review Initiation Checklist," dated December 12, 2008, on file in the Central Records Unit, room 1117, of the main Department of Commerce building. This review covers the period from November 1, 2007 through October 31, 2008, in accordance with 19 CFR 351.214(g)(1)(i)(A). We intend to issue the preliminary results of this review no later than 180 days after the date on which this review is initiated, and the

final results within 90 days after the date on which we issue the preliminary results. See section 751(a)(2)(B)(iv) of the Act.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new-shipper reviews. Therefore, the posting of a bond under section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e) in lieu of a cash deposit is not available in this case. Importers of subject merchandise manufactured and exported by Ajubesteeel must continue to pay a cash deposit of estimated antidumping duties on each entry of subject merchandise at the current all-others rate of 4.80 percent. See *Circular Welded Non-Alloy Steel Pipe From the Republic of Korea; Final Results of Administrative Review*, 69 FR 32492 (June 10, 2004).

Interested parties may submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d).

Dated: December 22, 2008.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Lined Paper Products from the People's Republic of China: Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 31, 2008.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-3797.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2007, the U.S. Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on certain lined paper products from the People's Republic of China, covering the period April 17, 2006 to August 31, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 61621 (October 31, 2007). On October 7, 2008, the Department published the preliminary results of this review. See *Certain Lined Paper Products from the People's Republic of China: Notice of Preliminary Results of the Antidumping Duty Administrative Review*, 73 FR 58540 (October 7, 2008). The final results of this review are currently due no later than February 4, 2009.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because several technical issues have arisen. The mandatory respondent and its suppliers have complex cost allocation issues, which require the Department to further clarify and analyze a significant amount of information associated with the factors of production and manufacturing costs. Thus, additional time is necessary to complete the final results. Therefore, the Department is fully extending the final results by 60 days. The final results are now due not later than April 5, 2009. As this date falls on a Sunday, the final results are due April 6, 2009. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: December 18, 2008.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

COMMODITY FUTURES TRADING COMMISSION

Request To Exempt Certain Over-the-Counter Swaps From Certain of the Requirements Imposed by Commission Regulation 35.2, Pursuant to the Authority in Section 4(C) of the Commodity Exchange Act; Reopening of Comment Period

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of request for comment on exemption request; reopening of comment period.

SUMMARY: The Commodity Futures Trading Commission ("Commission") is reopening the period for public comment to provide interested persons additional time to comment on whether to exempt certain over-the-counter ("OTC") agricultural swaps from certain of the requirements otherwise imposed by Commission Regulation 35.2. The comment period is being reopened due to the non-transmittal of a comment letter from the Federal eRulemaking Portal to the Commission. The purpose of the Commission's action is to afford the commenter whose submission was not received, the opportunity to resubmit the comment. The Chicago Mercantile Exchange Inc. ("CME"), a registered derivatives clearing organization, and the Board of Trade of the City of Chicago, Inc. ("CBOT"), a designated contract market, requested an exemption that would permit the clearing of OTC agricultural swaps. Authority for extending this relief is found in Section 4(c) of the Commodity Exchange Act.¹

DATES: Comments must be received on or before January 21, 2009.
