SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59160; File No. SR-FINRA-2008-062]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of Proposed Rule Change To Adopt FINRA Rule 2267 (Investor Education and Protection) in the Consolidated FINRA Rulebook

December 23, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 11, 2008, the Financial Industry Regulatory Authority, Inc. (“FINRA”) (f/k/a National Association of Securities Dealers, Inc. (“NASD”)) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt new FINRA Rule 2267 (Investor Education and Protection) based on NASD Rule 2280. The proposed rule change would require member firms, with certain exceptions, to provide customers with FINRA’s Web site address and information regarding FINRA’s BrokerCheck program at least once every calendar year. The text of the proposed rule change is attached as Exhibit 5.³

⁷ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The Commission notes that while provided in Exhibit 5 to the filing, the text of the proposed rule change is not attached to this notice but is available at FINRA, the Commission’s Public Reference Room, and at <http://www.finra.org>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the process of developing a new consolidated rulebook (“Consolidated FINRA Rulebook”),⁴ FINRA is proposing to adopt a new FINRA rule based on NASD Rule 2280 (Investor Education and Protection). The proposed rule would require member firms, with certain exceptions, to provide customers with FINRA’s Web site address and information regarding FINRA’s BrokerCheck program at least once every calendar year.

NASD Rule 2280 currently applies to all member firms that carry customer accounts and hold customer funds or securities. The Rule requires that each such member firm provide its customers with the following information in writing not less than once every calendar year: (1) The “Public Disclosure Program” hotline number; (2) the NASD Regulation Web site address; and (3) a statement regarding the availability of an investor brochure that includes information describing the “Public Disclosure Program.” There is no comparable Incorporated NYSE Rule.

The proposed rule would apply to all member firms, with two general exceptions: (1) a firm that does not have customers or (2) an introducing firm that is party to a carrying agreement where the carrying firm member complies with the Rule.

Unlike NASD Rule 2280, the proposed rule would apply to member

⁴ The current FINRA rulebook includes, in addition to FINRA Rules, (1) NASD Rules and (2) rules incorporated from NYSE (“Incorporated NYSE Rules”) (together, the NASD Rules and Incorporated NYSE Rules are referred to as the “Transitional Rulebook”). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE (“Dual Members”). For more information about the rulebook consolidation process, see FINRA *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

firms that conduct a limited business with customers, such as mutual fund distributors and member firms that deal solely with direct participation programs (“DPPs”). These member firms would be required to comply with the rule and provide the disclosures to their customers at least once every calendar year. To the extent such firms are parties to a carrying agreement and the carrying firm member complies on their behalf, these firms would be excepted from the requirements of the proposed rule.

In December 2003, FINRA announced that its “Public Disclosure Program” would thereafter be known as “BrokerCheck.” Accordingly, the proposed rule would include references to “BrokerCheck” rather than the “Public Disclosure Program”. Additionally, the proposed rule would include references to the FINRA Web site address rather than the NASD Regulation Web site address. Lastly, the proposed rule would clarify that the information required under the rule may be provided electronically to customers.⁵

FINRA will announce the implementation date of the proposed rule change in a *Regulatory Notice* to be published no later than 90 days following Commission approval.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that, by adopting the investor education and protection rule as a FINRA rule, the proposed rule change will help to ensure that customers continue to receive written information regarding FINRA’s BrokerCheck program.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁵ See NASD *Notice to Members 98-3* (Electronic Delivery of Information Between Members and Their Customers). This *Notice* sets forth the policy applicable to electronic delivery of information between member firms and their customers as permitted or required by NASD rules.

⁶ 15 U.S.C. 78o-3(b)(6).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

In May 2008, FINRA published *Regulatory Notice* 08-26 (Proposed Consolidated FINRA Rule Addressing Investor Education and Protection) requesting comment on the proposed rule change. A copy of the *Regulatory Notice* is attached as Exhibit 2a to this rule filing.⁷ The comment period expired on June 13, 2008. Nine comment letters were received in response to the *Regulatory Notice*. Copies of the comment letters, and a list of the commenters, are attached as Exhibit 2b to this rule filing.⁸

Certain commenters believe that the proposed rule should not apply to institutional customers of a member. One commenter⁹ notes that the proposed rule would continue to benefit retail investors but an exception should be provided for member firms that predominately transact business with institutional investors because these customers do not require the same levels of disclosure as retail investors. If FINRA pursues the rule change as currently proposed, the commenter requests that the required disclosures be made to institutional investors only at the time of account opening instead of once every calendar year. A second commenter¹⁰ requests that the proposed rule state expressly that member firms are not required to provide such items of information to "institutional accounts" as defined in NASD Rule 3110(c)(4) or any successor rule thereto. Another commenter,¹¹ a small introducing broker doing business solely with "sophisticated municipal market professionals" and without any retail customers, requests clarification as to whether the rule applies to its business.

NASD Rule 2280 does not provide an exemption for institutional customers, and FINRA continues to believe that institutional customers may benefit from the receipt of the information required by the proposed rule. Thus, at this time, FINRA has not included an institutional exemption in the proposed FINRA rule.

⁷ The Commission notes that while provided in Exhibit 2a to the filing, the *Regulatory Notice* is not attached to this notice.

One commenter¹² objects to the scope of the proposed rule stating that the rule should not apply to firms that do not carry customer accounts and do not hold customer funds or securities. The commenter fails to see the benefit of providing this information to customers who have no funds or securities being held with the member firm and believes the proposed rule is unclear in its application to firms that do not carry customer funds or securities. The commenter requests that FINRA retain the exemption in current NASD Rule 2280(b) for these types of firms. If FINRA pursues the rule change as currently proposed, the commenter requests that FINRA clarify which offerees or purchasers of DPPs must receive the annual disclosures. The commenter suggests an alternative proposal to require the disclosures in the subscription documents for future DPPs without an annual requirement or a look-back to any closed offerings.

FINRA understands the noted concerns and believes that if the customer relationship does not extend beyond the offering, then a subsequent annual notice is not needed. However, in such instances, the member must provide the customer with the disclosures during the time a customer relationship exists.

One commenter¹³ notes that variable annuity issuers typically distribute their products through a principal underwriter (a registered broker-dealer) that enters into selling agreements with other member firms ("selling firms"). The commenter believes that the purchaser of the variable annuity contract should only be viewed as a customer of the selling firm and that the principal underwriter should be able to rely on the exception in the proposed rule for a firm with "no customers." The commenter further seeks clarification as to whether a selling firm may rely on appropriate disclosure in a variable annuity prospectus.

FINRA agrees that a purchaser of a variable annuity contract generally may be viewed as the customer of the selling firm and not of the principal underwriter, for purposes of complying with the proposed rule. However, although the rule does not prescribe the manner in which the annual disclosures must be provided to customers, the selling firm would not be permitted to provide such disclosures in the variable annuity prospectus. FINRA does not believe that such manner of delivery is sufficiently prominent so as to provide customers with the requisite

information regarding BrokerCheck. In contrast, in response to a separate commenter,¹⁴ FINRA believes that such disclosures may be included on periodic account statements and/or trade confirmations.

According to one commenter,¹⁵ the proposed rule is unnecessary because customers do not value receiving such information. The commenter questions the usefulness of providing this notice to customers. FINRA, however, believes that the proposed rule, like its predecessor NASD Rule 2280, serves an important regulatory purpose as it provides customers with information regarding the availability and purpose of the BrokerCheck program.

Another commenter¹⁶ requests that the proposed rule have an effective date beginning in January 2009 to avoid the administrative costs of sending a separate all-client mailing at the end of the 2008 calendar year. The commenter notes that a January 1, 2009 effective date for the proposed rule would allow member firms to combine the proposed disclosures in a mailing with the required SIPC written disclosures for 2009,¹⁷ since most member firms have already sent the SIPC disclosures for the 2008 calendar year. In this regard, FINRA notes that the proposed rule change would not become effective prior to January 1, 2009. Further, it is FINRA's view that any firm subject to NASD Rule 2280 that complies with its annual (calendar year) mailing requirement on or after January 1, 2009 but prior to the effective date of the proposed rule change (*i.e.*, the effective date of FINRA Rule 2267) will be deemed to have complied with FINRA Rule 2267 for the 2009 calendar year.

Two commenters¹⁸ submitted letters that are outside the scope of the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:
