SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to the savings clause in the Homeland Security Act of 2002, Public Law 107–296, Section 1512, 116 Stat. 2310 (November 25, 2002), the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA)/Federal Government have relied on preexisting Privacy Act systems of records notices for the collection and maintenance of records that concern the National Defense Executive Reserve.

As part of its efforts to streamline and consolidate its record systems, DHS is updating and reissuing a system of records under the Privacy Act (5 U.S.C. 552a) that deals with the National Defense Executive Reserve. Individuals of the National Defense Executive Reserve voluntarily apply for assignments. Some individuals are already government employees and others are private sector employees who would not be considered government employees unless asked to perform emergency duties after the President of the United States declares a mobilization. Assignments are made in three year increments and may either be redesignated or terminated. Individuals
