

subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464) to—

(i) Persons listed in the Annexes to Executive Order 13310 of July 28, 2003, Executive Order 13448 of October 18, 2007 or Executive Order 13464 of April 30, 2008; or

(ii) Persons designated pursuant to Executive Order 13310, Executive Order 13448 or Executive Order 13464.

Note to paragraph (a)(1): All persons listed in or designated pursuant to Executive Orders 13310, 13448, or 13464 are identified with the reference [BURMA] on OFAC's list of Specially Designated Nationals and Blocked Persons set forth in Appendix A to 31 CFR Chapter V and on OFAC's Web site at <http://www.treas.gov/OFAC>. Consistent with guidance issued by OFAC on February 14, 2008, a person whose property and interests in property are blocked pursuant to an Executive Order or regulations administered by OFAC is considered to have an interest in all property and interests in property of an entity in which it owns, directly or indirectly, a 50% or greater interest. The property and interests in property of such an entity are blocked, regardless of whether the entity itself is listed in the annex to an Executive order or otherwise designated pursuant to such order. The OFAC guidance on this topic is available at http://www.treas.gov/offices/enforcement/ofac/programs/common/licensing_guidance.pdf.

(2) To avoid duplication, U.S. persons are not required to seek separate BIS authorization for an export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to both the EAR and regulations maintained by OFAC. Therefore, if OFAC authorizes an export from the United States or an export, reexport, or transfer by a U.S. person to a person identified in paragraph (a) of this section, no separate authorization from BIS is necessary.

(3) U.S. persons must seek authorization from BIS for the export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464) but not subject to regulations maintained by OFAC.

(4) Non-U.S. persons must seek authorization from BIS for the export from abroad, reexport, or transfer to a person identified in paragraph (a) of this

section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464).

(5) Any export, reexport, or transfer to a person identified in paragraph (a) of this section by a U.S. person of any item subject both to the EAR and regulations maintained by OFAC and not authorized by OFAC is a violation of the EAR.

(6) Any export, reexport, or transfer by a U.S. person to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464) that is not subject to regulations maintained by OFAC and not authorized by BIS is a violation of the EAR. Any export from abroad, reexport, or transfer by a non-U.S. person to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464) and not authorized by BIS is a violation of the EAR.

(7) These licensing requirements supplement any other requirements set forth elsewhere in the EAR.

(b) *Exceptions.* No License Exceptions or other BIS authorizations are available for export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464).

(c) *Licensing policy.* Applications for licenses for the export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices, classified as EAR99 and destined for entities whose property and interests in property are blocked pursuant to Executive Orders 13310, 13448 or 13464) will generally be denied. You should consult with OFAC concerning transactions subject to OFAC licensing requirements.

(d) *Contract sanctity.* Contract sanctity provisions are not available for license applications reviewed under this section, except as available under 31 CFR 537.210(c).

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA–2008–0020; Internal Agency Docket No. FEMA–8057]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a

particular community was suspended on the suspension date or for further information, contact David Stearrett, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646–2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the NFIP, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, FEMA has identified the Special Flood Hazard Areas (SFHAs) in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance

pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year, on FEMA’s initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective
