

for each grade and subject tested, developing standards and procedures for interstate and national comparisons, developing guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

The policy options being considered by the Ad Hoc Committee are presented below. They are not mutually exclusive. Some could go into effect quickly while others would be for medium-term or long-range implementation. NAEP is a representative-sample survey, designed to produce valid, comparable data on the academic achievement of large groups of students. It is prohibited by law from providing results for individual children or schools. The options are being considered because of concern that variations in exclusion and accommodation rates may jeopardize the fairness and comparability of NAEP results.

The options on which public comment is sought are as follows:

(1) *Retain current procedures*—Testing conditions on NAEP for SD and ELL students follow those on state tests with limited exceptions.

Accommodation and exclusion rates are posted in the appendix of NAEP reports. No adjusted scores or cautionary flags.

(2) *Adopt uniform national rules for accommodations and exclusions*

(a) For Students with Disabilities—Determine testing conditions according to the severity, category, and/or nature of disability or based on brief screener exam.

(b) For English Language Learners—Determine whether to take NAEP in English by English language proficiency screener. Provide NAEP in Spanish if below cut-score.

(c) Provide incentive for schools to encourage testing of SD and ELL students by scoring excluded students at the 5th percentile nationwide instead of the current practice of exclusions not affecting group average. Incentive may be needed to accept uniform rules because student participation in NAEP is voluntary by law.

(3) *Conduct targeted testing at ability level*

(a) Offer to all students, using assessment booklets at different levels of difficulty—low, medium, and high.

(b) Offer less difficult or “accessible” booklets to SD and ELL only. Might be similar in concept to NCLB “alternate assessments” but must be on NAEP scale.

Determine level by brief locator test or percentile score on state assessment. Follow standard testing procedures.

(4) *Adjust scores*—Use full population estimates or variant to adjust for exclusions. Present as principal means

of reporting in NAEP Report Cards, alternate presentation in appendix, or prominently displayed on NAEP Web site.

(5) *Add cautionary flags*

(a) For exclusions, if 5 percent or more of sample is excluded from NAEP testing, a cautionary flag would accompany a state’s scores. This would be similar to rule in the TIMSS and PIRLS international assessments. Might also flag if exclusion rate changed more than 3 percentage points from prior assessment year.

(b) For accommodations, flag if 10 percent or more of sample is tested under non-standard conditions OR accommodation rate changed more than 5 percentage points from prior assessment year.

(c) Use “reasonable” target exclusion rates (rather than a uniform rate) that vary by demography and testing practice of states. Flag if actual rates exceed targets or change by a defined margin.

(6) *Research validity of accommodations most widely-used on state tests*—Results may expand or reduce the list of accommodations prohibited by NAEP because they alter a fundamental attribute of the assessment, e.g. reading-aloud the reading assessment or allowing calculators on all sections of math. Studies may include extended time to help determine if time should be deemed fundamental.

(7) *Offer a screener exam to determine whether students can “meaningfully participate”* in the National Assessment without an accommodation that is provided on state tests but is not permitted by NAEP. Currently, these students are routinely excused from the National Assessment.

(8) *Change rules for IEPs to have NAEP considered separately from state tests*—Rules for preparing individualized education programs (IEPs) for SD students may be altered by state action or revised by federal regulation, guidance, or law. Separate consideration for participating in NAEP from IEP for state tests because the National Assessment is required to produce valid representative-sample group results for the nation, states, and urban districts and may not provide data or impose consequences on individual students and schools.

(9) *Make minor changes in NAEP report language and placement of information about exclusions and accommodations.*

In addition to commenting on the options, members of the public are also encouraged to present other relevant views and recommendations.

A detailed summary of the hearing that is informative to the public and consistent with the policy of section 5 U.S.C. 552(b)(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9:00 a.m. to 5:00 p.m. Eastern Time, Monday through Friday.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priorities: In accordance with 34 CFR 75.105(b)(2)(iv) and (v), these priorities are from allowable activities specified in the statute, or otherwise authorized in the statute (see sections 671, 672 and 681(d) of the Individuals with Disabilities Education Act (IDEA)). Each of the absolute priorities announced in this notice corresponds to a separate competition as follows:

Absolute priority	Competition CFDA No.
Community Parent Resource Centers	84.328C
Parent Training and Information Centers	84.328M

Absolute Priorities: For FY 2009 and any subsequent year in which we make awards based on the list of unfunded applications from these competitions, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), for each competition, we consider only applications that meet the absolute priority for that competition.

These priorities are:

Absolute Priority 1—Community Parent Resource Centers (84.328C).

Background:

This priority supports community parent resource centers (CPRCs) in targeted communities that will provide underserved parents of children with disabilities, including low-income parents, parents of limited English proficient children, and parents with disabilities in that community, with the training and information they need to enable them to participate cooperatively and effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement goals that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

For further information on the work of previously-funded centers, see <http://www.taalliance.org>.

Priority:

To be considered for funding under the Community Parent Resource Centers (CPRCs) absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and

administrative requirements specified in the priority.

Application Requirements. An applicant must include in its application—

(a) A plan to implement the activities described in the *Project Activities* section of this priority; and

(b) A budget for attendance at the following:

(1) A three-day National Technical Assistance for Parent Centers Conference in Washington, DC during each year of the project period.

(2) A two-day Regional Technical Assistance for Parent Centers Conference, in the region in which the CPRC is located, during each year of the project period. Applicants should refer to <http://www.taalliance.org> for a list of regions.

Project Activities. To meet the requirements of this priority, the CPRC, at a minimum, must:

(a) Provide training and information that meets the training and information needs of parents of children with disabilities within the proposed targeted community to be served by the CPRC, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities.

Note: For purposes of this priority, “targeted community to be served” refers to a geographically defined, local community whose members experience significant isolation from available sources of information and support as a result of cultural, economic, linguistic, or other circumstances deemed appropriate by the Secretary.

(b) Carry out the following activities required of parent training and information centers:

(1) Serve the parents of infants, toddlers, and children, from ages birth through 26, with the full range of disabilities described in section 602(3) of IDEA.

(2) Ensure that the training and information provided meets the needs of low-income parents and parents of limited English proficient children.

(3) Assist parents to—

(i) Better understand the nature of their children’s disabilities and their educational, developmental, and transitional needs;

(ii) Communicate effectively and work collaboratively with personnel responsible for providing special education, early intervention services, transition services, and related services;

(iii) Participate in decision making processes, including those regarding participation in State and local assessments, and the development of individualized education programs

under Part B of IDEA and individualized family service plans under Part C of IDEA;

(iv) Obtain appropriate information about the range, type, and quality of—

(A) Options, programs, services, technologies, practices, and interventions that are based on scientifically based research, to the extent practicable; and

(B) Resources available to assist children with disabilities and their families in school and at home, including information available through the Office of Special Education Programs’ (OSEP) technical assistance and dissemination centers (<http://www.ed.gov/parents/needs/speced/resources.html>), and communities of practice (<http://www.tacomunities.org>);

(v) Understand the requirements of IDEA related to the provision of education and early intervention services to children with disabilities;

(vi) Participate in activities at the school level that benefit their children; and

(vii) Participate in school reform activities.

(4) In States where the State elects to contract with the CPRCs, contract with the State educational agencies (SEAs) to provide, consistent with paragraphs (B) and (D) of section 615(e)(2) of IDEA, individuals to meet with parents in order to explain the mediation process.

(5) Assist parents in resolving disputes in the most expeditious and effective way possible, including encouraging the use, and explaining the benefits, of alternative methods of dispute resolution, such as the mediation process described in section 615(e) of IDEA.

(6) Assist parents and students with disabilities to understand their rights and responsibilities under IDEA, including those under section 615(m) of IDEA upon the student’s reaching the age of majority (as appropriate under State law).

(7) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under IDEA.

(8) Assist parents in understanding, preparing for, and participating in, the resolution session described in section 615(f)(1)(B) of IDEA.

(c) Establish cooperative partnerships with any Parent Training and Information Centers (PTIs) and any other CPRCs funded in the State under sections 671 and 672 of IDEA, respectively.

(d) Be designed to meet the specific needs of families who experience significant isolation from available sources of information and support.

(e) Be familiar with the provision of special education, related services, and early intervention services in the CPRC's targeted community to be served to help ensure that children with disabilities are receiving appropriate services.

(f) Annually report to the Department on—

(1) The number and demographics of parents to whom the CPRC provided information and training in the most recently concluded fiscal year, including additional information regarding their unique needs and the levels of service provided to them; and

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively.

(g) Respond to requests from the OSEP-funded National Technical Assistance Center (NTAC) and Regional Parent Technical Assistance Centers (PTACs), and use the technical assistance services of the NTAC and Regional PTACs in order to serve the families of infants, toddlers, and children with disabilities as efficiently as possible. Regional PTACs are charged with assisting parent centers with administrative and programmatic issues.

(h) In collaboration with OSEP and NTAC, participate in an annual collection of program data for the PTIs and CPRCs funded under sections 671 and 672 of IDEA, respectively.

(i) If the CPRC maintains a Web site, ensure that the Web site meets a government or industry-recognized standard for accessibility.

(j) Maintain ongoing communication with the OSEP Project Officer through phone conversations and e-mail communication.

Competitive Preference Priorities:

Within this absolute priority, we give competitive preference to applications that address the following two priorities. Under 34 CFR 75.105(c)(2)(i), we will award up to 10 additional points to an application that meets these priorities.

Note: The 10 points an applicant can earn under these competitive preference priorities are in addition to those points awarded under the selection criteria for this competition (see *Selection Criteria* in section V in this notice). That is, an applicant meeting the competitive preference priorities could earn a maximum total of 110 points. These priorities are:

Competitive Preference Priority 1—Empowerment Zones, Enterprise Communities, or Renewal Communities.

We will award five points to an application that proposes to provide services to one or more Empowerment Zones, Enterprise Communities, or Renewal Communities that are designated within the areas served by the center. (A list of areas that have been selected as Empowerment Zones, Enterprise Communities, or Renewal Communities can be found at http://egis.hud.gov/egis/cpd/rcezec/ezec_open.htm)

To meet this priority, an applicant must indicate that it will—

(1) Either (i) design a program that includes special activities focused on the unique needs of one or more Empowerment Zones, Enterprise Communities, or Renewal Communities; or (ii) devote a substantial portion of program resources to providing services within, or meeting the needs of residents of, these zones and communities; and

(2) As appropriate, contribute to the strategic plan of the Empowerment Zones, Enterprise Communities, or Renewal Communities and become an integral component of the Empowerment Zone, Enterprise Community, or Renewal Community activities.

Competitive Preference Priority 2—Novice Applicants.

We will award an additional five points to an application from a novice applicant. This priority is from 34 CFR 75.225. The term “novice applicant” means any applicant for a grant from the U.S. Department of Education that—

(1) Has never received a grant or subgrant under the program from which it seeks funding;

(2) Has never been a member of a group application, submitted in accordance with 34 CFR 75.127 through 75.129, that received a grant under the program from which it seeks funding; and

(3) Has not had an active discretionary grant from the Federal Government in the five years before the deadline date for applications under this program (Training and Information for Parents of Children with Disabilities—Community Parent Resource Centers). For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127 through 75.129, all group members must meet the requirements described in this priority to qualify as a novice applicant.

Absolute Priority 2—Parent Training and Information Centers (84.328M).

Background:

This priority supports parent training and information centers (PTIs) in the areas to be served by the centers that will provide parents of children with disabilities, including low-income parents, parents of limited English proficient children, and parents with disabilities, with the training and information they need to enable them to participate cooperatively and effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement goals that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

For further information on the work of previously funded centers, see <http://www.taalliance.org>.

Priority:

To be considered for funding under the Parent Training and Information Centers (PTIs) absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and administrative requirements specified in the priority.

In addition to awards for States under this absolute priority, the Secretary intends to fund one award that focuses on the needs of Native American families who have children with disabilities and one award that focuses on the needs of military families who have children with disabilities. In addition to meeting the other requirements specified in this absolute priority, an eligible entity applying for either of these awards must propose a project that will focus nationally on the provision of services that meet the unique training and information needs of its specific population. A project funded under either of these awards also must work with the National and Regional Parent Technical Assistance Centers and the individual PTIs and Community Parent Resource Centers (CPRCs) to increase the capacity of the PTIs and CPRCs to carry out their required activities when working with these unique populations.

Application Requirements. An applicant must include in its application—

(a) A plan to implement the activities described in the *Project Activities* section of this priority;

(b) A budget for attendance at the following:

(1) A three-day National Technical Assistance for Parent Centers Conference in Washington, DC during each year of the project period.

(2) A two-day Regional Technical Assistance for Parent Centers Conference, in the region in which the PTI is located, during each year of the project period. Applicants should refer to <http://www.taalliance.org> for a list of regions; and

(c) A description specifying the special efforts the PTI will make to—

(1) Ensure that the needs for training and information of underserved parents of children with disabilities in the area to be served are effectively met; and

(2) Work with community based organizations, including those that work with low-income parents and parents of limited English proficient children.

Project Activities. To meet the requirements of this priority, the PTI, at a minimum, must:

(a) Provide training and information that meets the training and information needs of parents of children with disabilities living in the area served by the PTI, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities.

(b) Serve the parents of infants, toddlers, and children from ages birth through 26, with the full range of disabilities described in section 602(3) of IDEA.

(c) Ensure that the training and information provided meets the needs of low-income parents and parents of limited English proficient children.

(d) Assist parents to—

(1) Better understand the nature of their children's disabilities and their educational, developmental, and transitional needs;

(2) Communicate effectively and work collaboratively with personnel responsible for providing special education, early intervention services, transition services, and related services;

(3) Participate in decisionmaking processes, including those regarding participation in State and local assessments, and the development of individualized education programs under Part B of IDEA and individualized family service plans under Part C of IDEA;

(4) Obtain appropriate information about the range, type and quality of—

(i) Options, programs, services, technologies, practices, and interventions that are based on scientifically based research, to the extent practicable; and

(ii) Resources available to assist children with disabilities and their families in school and at home,

including information available through OSEP's technical assistance and dissemination centers (<http://www.ed.gov/parents/needs/speced/resources.html>), and communities of practice (<http://www.tacomunities.org>);

(5) Understand the requirements of IDEA related to the provision of education and early intervention services to children with disabilities;

(6) Participate in activities at the school level that benefit their children; and

(7) Participate in school reform activities.

(e) In States where the State elects to contract with the PTIs, contract with the State educational agencies (SEAs) to provide, consistent with paragraphs (B) and (D) of section 615(e)(2) of IDEA, individuals to meet with parents in order to explain the mediation process.

(f) Assist parents in resolving disputes in the most expeditious and effective way possible, including encouraging the use, and explaining the benefits, of alternative methods of dispute resolution, such as the mediation process described in section 615(e) of IDEA.

(g) Assist parents and students with disabilities to understand their rights and responsibilities under IDEA, including those under section 615(m) of IDEA upon the student's reaching the age of majority (as appropriate under State law).

(h) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under IDEA.

(i) Assist parents in understanding, preparing for, and participating in, the resolution session described in section 615(f)(1)(B) of IDEA.

(j) Establish cooperative partnerships with any CPRCs and any other PTIs funded in the State under sections 672 and 671 of IDEA, respectively.

(k) Network with appropriate clearinghouses, including organizations conducting national dissemination activities under section 663 of IDEA and the Institute of Education Sciences, and with other national, State, and local organizations and agencies, such as protection and advocacy agencies, that serve parents and families of children with the full range of disabilities described in section 602(3) of IDEA.

(l) Annually report to the Department on—

(1) The number and demographics of parents to whom the PTI provided information and training in the most recently concluded fiscal year, including additional information regarding their unique needs and the levels of service provided to them; and

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively.

(m) Respond to requests from the OSEP-funded National Technical Assistance Center (NTAC) and Regional Parent Technical Assistance Centers (PTACs), and use the technical assistance services of the NTAC and Regional PTACs in order to serve the families of infants, toddlers, and children with disabilities as efficiently as possible. Regional PTACs are charged with assisting parent centers with administrative and programmatic issues.

(n) In collaboration with OSEP and NTAC, participate in an annual collection of program data for the PTIs and CPRCs funded under sections 671 and 672 of IDEA, respectively.

(o) Ensure that the PTI's board of directors meets not less than once in each calendar quarter to review the activities for which the award was made.

(p) Ensure that the PTI's board of directors submits to the Secretary a written review of the PTI's activities conducted during the preceding fiscal year.

(q) If the PTI maintains a Web site, ensure that the Web site meets a government or industry-recognized standard for accessibility.

(r) Maintain ongoing communication with the OSEP Project Officer through phone conversations and e-mail communication.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (APA) (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities and requirements. Section 681(d) of IDEA, however, makes the public comment requirements of the APA inapplicable to the priorities in this notice.

Note 1: We will reject any application that proposes a budget exceeding the maximum award for a single budget period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.

Note 2: The Department is not bound by any estimates in this notice.

Note 3: For the *Parent Training and Information Centers*, 84.328M competition:
Project Period: In order to allocate resources equitably, create a unified system of service delivery, and provide the broadest coverage for the parents and families in every State, the Assistant Secretary is making awards in five-year cycles for each State. In

FY 2009, applications for 5-year awards will be accepted for the following States: Arizona, Delaware, Indiana, Iowa, Massachusetts, Minnesota, Mississippi, Missouri, South Dakota, Virginia, Washington, and Wyoming, and the District of Columbia. Awards also may be made to eligible applicants in American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands. These projects will be funded for a period up to 60 months.

In FY 2009, applications for 3-year awards will be accepted for Regions 1 and 2 in Michigan. We are proposing shorter project periods for Regions 1 and 2 in Michigan in order to align the funding cycle for these areas with those of other States in their groups.

Estimated Project Awards: Project award amounts are for a single budget period of 12

months. To ensure maximum coverage for this competition, the Assistant Secretary has adopted regional designations established by Michigan and has identified corresponding maximum award amounts for each region. Michigan applicants must complete a separate application for each region.

The Assistant Secretary took into consideration current funding levels, population distribution, poverty rates, and low-density enrollment when determining the award amounts for grants under this competition. In the following States, one award may be made for up to the amounts listed in the chart to a qualified applicant for a PTI Center to serve the entire State or District of Columbia.

Arizona	364,556

One award up to the amount listed may be made to a qualified applicant from the outlying areas as follows:

American Samoa	25,000

IV. Application and Submission Information

1. *Address to Request Application Package:* Education Publications Center (ED Pubs), P.O. Box 1398, Jessup, MD 20794-1398. Telephone, toll free: 1-877-433-7827. FAX: (301) 470-1244. If you use a telecommunications device for the deaf (TDD), call, toll free: 1-877-576-7734.

You can contact ED Pubs at its Web site, also: www.ed.gov/pubs/edpubs.html or at its e-mail address: edpubs@inet.ed.gov.

If you request an application package from ED Pubs, be sure to identify the competition to which you want to apply, as follows: CFDA Number 84.328C or 84.328M.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the person or team listed under *Accessible Format* in section VIII of this notice.

2. *Content and Form of Application Submission:* Requirements concerning

the content of an application, together with the forms you must submit, are in the application package for each competition announced in this notice.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part III to the equivalent of no more than the number of pages listed under "Page Limit" for that competition in the chart under *Award Information*, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger, or no smaller than 10 pitch (characters per inch).

The page limit does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; the two-page abstract, the resumes, the bibliography, the references, or the letters of support. The page limit, however, does apply to all of the application narrative section [Part III].

We will reject your application if you exceed the page limit or if you apply other standards and exceed the equivalent of the page limit.

3. *Submission Dates and Times: Applications Available:* See chart. *Deadline for Transmittal of Applications:* See chart.

Applications for grants under this program may be submitted electronically using the Grants.gov Apply site (Grants.gov), or in paper format by mail or hand delivery. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery, please refer to section IV. 6. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application

process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: See chart.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements:* Applications for grants under this program may be submitted electronically or in paper format by mail or hand delivery.

a. *Electronic Submission of Applications.*

We are participating as a partner in the Governmentwide Grants.gov Apply site. The Training and Information for Parents of Children with Disabilities competitions, CFDA Numbers 84.328C and 84.328M, announced in this notice are included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Training and Information for Parents of Children with Disabilities program competitions—CFDA numbers 84.328C and 84.328M at www.Grants.gov. You must search for the downloadable application package for these competitions by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.328, not 84.328C or 84.328M).

Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC

time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for the competition to which you are applying to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see www.grants.gov/section910/Grants.govRegistrationBrochure.pdf).

You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor

will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the

application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

b. Submission of Paper Applications by Mail.

If you submit your application in paper format by mail (through the U.S. Postal Service or a commercial carrier), you must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education,
Application Control Center, Attention:
(CFDA Number 84.328C or 84.328M)
LBJ Basement Level 1, 400 Maryland

4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you submit your application in paper format by hand delivery, you (or a courier service) must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education,
Application Control Center, Attention:
(CFDA Number 84.328C or 84.328M)
550 12th Street, SW., Room 7041,
Potomac Center Plaza, Washington, DC
20202–4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package for each competition announced in this notice.

2. *Peer Review:* In the past, the Department has had difficulty finding peer reviewers for certain competitions, because so many individuals who are eligible to serve as peer reviewers have conflicts of interest. The Standing Panel requirements under IDEA also have placed additional constraints on the availability of reviewers. Therefore, the Department has determined that, for some discretionary grant competitions, applications may be separated into two or more groups and ranked and selected for funding within specific groups. This procedure will make it easier for the Department to find peer reviewers, by ensuring that greater numbers of individuals who are eligible to serve as reviewers for any particular group of applicants will not have conflicts of interest. It also will increase the quality, independence, and fairness of the review process while permitting panel

members to review applications under discretionary grant competitions for which they also have submitted applications. However, if the Department decides to select an equal number of applications in each group for funding, this may result in different cut-off points for fundable applications in each group.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993, the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Training and Information for Parents of Children with Disabilities program. The measures focus on the extent to which projects provide high-quality materials, the relevance of project products and services to educational and early intervention policy and practice, and the usefulness of products and services to improve educational and early intervention policy and practice.

Grantees will be required to provide information related to these measures in annual reports submitted to the Department.

Grantees also will be required to report information on their projects' performance in annual reports to the Department (34 CFR 75.590).

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. CP07-398-004; CP07-402-001]

Gulf Crossing Pipeline Company LLC; Gulf South Pipeline Company, LP; Notice of Amended Certificate

January 6, 2009.

Take notice that on December 19, 2008, Gulf Crossing Pipeline Company LLC (Gulf Crossing), and Gulf South Pipeline Company, LP (Gulf South) filed an amendment to its certificate of public convenience and necessity pursuant to section 7 (c) of the Natural Gas Act (NGA) which authorized the siting, construction, and operation of facilities on April 30, 2008. In its amendment, the applicants seek to amend an operating lease agreement between the two parties to increase the Maximum Lease Quantity Gulf Crossing leases on Gulf South from 1.05 Bcf/day to 1.1 Bcf/day, and to add primary delivery points, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The Commission staff will determine if this amendment will have an effect on the schedule for the environmental review of this project. If necessary, a revised Notice of Schedule for Environmental Review will be issued within 90 days of this Notice. The instant filing may be

also viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call (866) 208-3676 or TTY, (202) 502-8659.

Any questions regarding this application may be directed to Nell Guitierrez, Manager, Certificates and Tariffs, Boardwalk Pipeline Partners, LP, 3800 Frederica Street, Owensboro, Kentucky, 42301 or by telephone at 270-688-6825 or telecopy to 270-688-5871.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings
