

Release of non-public OCC information when the requester did not have sufficient legal grounds to obtain the information would inhibit open consultation between a bank and the OCC, thereby impairing the OCC's supervisory and regulatory mission. The OCC is entitled, under statute and case law, to require requesters to demonstrate that they have sufficient legal grounds for the OCC to release non-public OCC information. The OCC needs to know the requester's legal grounds to determine if it should release the requested non-public OCC information.

The information requirements in 12 CFR part 4, subpart C, are located as follows:

- 12 CFR 4.33: Request for non-public OCC records or testimony.
- 12 CFR 4.35(b)(3): Third parties requesting testimony.
- 12 CFR 4.37(a)(2): OCC former employee notifying OCC of subpoena.
- 12 CFR 4.37(a) and (b): Limitation on dissemination of released information.
- 12 CFR 4.39(d): Request for authenticated records or certificate of nonexistence of records.

The OCC uses the information to process requests for non-public OCC information and to determine if sufficient grounds exist for the OCC to release the requested information or provide testimony. This information collection makes the mechanism for processing requests more efficient and facilitates and expedites the OCC's release of non-public information and testimony to the requester.

Type of Review: Regular.

Affected Public: Businesses or other for-profit; individuals.

Estimated Number of Respondents: 110.

On November 3, 2008, the OCC published a notice in the **Federal Register** soliciting comment for 60 days on this information collection (73 FR 65447). No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

BILLING CODE 4810-33-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee; Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, § 10(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th Street and Pennsylvania Avenue, NW., Washington, DC, on February 3, 2009 at 10:30 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of the Securities Industry and Financial Markets Association.

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues and conduct a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, § 10(d) and Public Law 103-202, § 202(c)(1)(B) (31 U.S.C. 3 121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, § 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management

advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, § 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions, financing estimates and technical charts. This briefing will give the press an opportunity to ask questions about financing projections and technical charts. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Karthik Ramanathan, Acting Assistant Secretary for Financial Markets (202) 622-2042.

Dated: January 6, 2009.

Karthik Ramanathan,

Acting Assistant Secretary for Financial Markets.

The information collection requirements in 12 CFR part 12 are required to ensure national bank compliance with securities laws and to improve the protection afforded persons who purchase and sell securities through banks. The transaction confirmation information provides

The information collection requirements contained in 12 CFR part 12 are as follows:

- Section 12.3 requires a national bank effecting securities transactions for customers to maintain records for at least three years. The records required by this section must clearly and accurately reflect the information required and provide an adequate basis for the audit of the information.

- Section 12.4 requires a national bank to give or send to the customer a written notification of the transaction or a copy of the registered broker/dealer confirmation relating to the transaction.

- Sections 12.5(a), (b), (c), and (e) describe procedures a national bank may use as an alternative to complying with § 12.4, to notify customers of transactions in which the bank does not exercise investment discretion, trust transactions, agency transactions and certain periodic plan transactions.

- Sections 12.7(a)(1) through (a)(3) require a national bank to maintain and adhere to policies and procedures that assign responsibility for supervision of employees who perform securities trading functions; provide for the fair and equitable allocation of securities and prices to accounts; and provide for crossing of buy and sell orders on a fair and equitable basis.

- Section 12.7(a)(4) requires certain bank officers and employees involved in the securities trading process to report to the bank all personal transactions in securities made by them or on their behalf in which they have a beneficial interest.

- Section 12.8 requires a national bank seeking a waiver of one or more of the requirements of §§ 12.2 through 12.7 to file a written request for waiver with the OCC.
