effectiveness of information collection requirements contained in a final rule.

DATES: The amendments to §§ 3.3(b) and 5.5(a)(3)(ii)(A) and (B)(1) published in the **Federal Register** on December 19, 2008 (73 FR 77504) have been approved by OMB and are effective January 18, 2009.

SUPPLEMENTARY INFORMATION: On December 30, 2008, the Office of Management and Budget (OMB) approved under the PRA the Department of Labor's information collection request for requirements in 29 CFR 5.5(a)(3)(ii)(A), and 5.5(a)(3)(ii)(B)(1), as published in the **Federal Register** on December 19, 2008. See 73 FR 77504. The current expiration date for OMB authorization for this information collection is December 31, 2011. The regulations implement Davis-Bacon and Related Acts and the Copeland Anti-Kickback Act requirements, and the regulatory changes reduce respondent burden and improve privacy protections for laborers and mechanics employed on federally

financed or assisted construction contracts by lessening the transmission of personal information regarding individuals who work on contracts subject to Davis-Bacon Act labor standards. The preamble to the new regulations stated a general effective date of January 18, 2009; however, the OMB had not yet provided a PRA-required approval for the revised information collection requirements contained in 29 CFR 3.3, 5.5(a)(3)(ii)(A), and 5.5(a)(3)(ii)(B)(1) at the time of their publication. 44 U.S.C. 3507(a)(2). An agency may not conduct an information collection unless it has a currently valid OMB approval; therefore, in accordance with the PRA, the effective date of the information collection requirements in the revised regulations was delayed until the OMB approved them under the PRA. 44 U.S.C. 3506(c)(1)(B)(iii)(V). On December 30, 2008, the OMB approved the Department's information collection request under Control Number 1215-0149; thus, giving effect to the requirements, as announced and published in the **Federal Register** on December 18, 2008, under the PRA. BILLING CODE 4510-27-P

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Part 4022

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Valuing and Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans prescribes interest assumptions for valuing and paying certain benefits under terminating single-employer plans. This final rule amends the benefit payments regulation to adopt interest assumptions for plans with valuation dates in February 2009. As discussed below, this final rule does not address the interest assumptions under PBGC's regulation on Allocation of Assets in Single-Employer Plans. Interest assumptions are also published on PBGC's Web site (<http://www.pbgc.gov>).

DATES: Effective February 1, 2009.

FOR FURTHER INFORMATION CONTACT: Catherine B. Klion, Manager, Regulatory and Policy Division, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-

877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: PBGC's regulations prescribe actuarial assumptions—including interest assumptions—for valuing and paying plan benefits of terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions are intended to reflect current conditions in the financial and annuity markets.

These interest assumptions are found in two PBGC regulations: the regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR Part 4022) and the regulation on Allocation of Assets in Single-Employer Plans (29 CFR Part 4044). Before 2009, PBGC updated the assumptions under the two regulations each month in a single rulemaking document. In a final rule published in the **Federal Register** on December 29, 2008 (at 73 FR 79362), PBGC announced a change in its practice for determining the interest assumptions for use under the asset allocation regulation. As explained in the preamble to that final rule (73 FR 79362 at 79363), the new practice leads to assumptions that remain unchanged within a calendar quarter. Accordingly, the assumptions published December 29, 2008, remain in effect for January, February, and March 2009, and need not be updated for February 2009. Thus this final rule document updates the benefit payments regulation only. Similarly, future updates to the asset allocation regulation will be made quarterly rather than monthly; between quarterly updates of the asset allocation regulation, only the benefit payment regulation will be updated each month.

Two sets of interest assumptions are prescribed under the benefit payments regulation: (1) A set for PBGC to use to determine whether a benefit is payable as a lump sum and to determine lump-sum amounts to be paid by PBGC (found in Appendix B to Part 4022), and (2) a set for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology (found in Appendix C to Part 4022).

This amendment (1) adds to Appendix B to Part 4022 the interest assumptions for PBGC to use for its own lump-sum payments in plans with valuation dates during February 2009, and (2) adds to Appendix C to Part 4022 the interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical
