10. The Commission expects that the NRC staff and presiding officers (and any other reviewing officers) will consider and resolve requests for access

to SUNSI and/or SGI, and motions for protective orders, in a timely fashion in order to minimize any unnecessary delays in identifying those petitioners who have standing and who have propounded contentions meeting the specificity and basis requirements in 10 CFR Part 2.

Attachment 1—General Target Schedule for Processing and Resolving Requests for Access to Sensitive Unclassified Non-Safeguards Information (SUNSI) and Safeguards Information (SGI) in This Proceeding

Day	Event/activity
0	Publication of Federal Register , including order with instructions for access requests.
10	Deadline for submitting requests for access to SUNSI and/or SGI with information: Supporting the standing of a potential party identified by name and address; describing the need for the information in order for the potential party to participate meaningfully in an adjudicatory proceeding; demonstrating that access should be granted (e.g., showing technical competence for access to SGI); and, for SGI, including application fee for fingerprint/background check.
20	NRC staff informs the requester of the staff's determination whether the request for access provides a reasonable basis to believe standing can be established and shows (1) need for SUNSI or (2) need to know for SGI. (For SUNSI, NRC staff also informs any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information.) If NRC staff makes the finding of need for SUNSI and likelihood of standing, NRC staff begins document processing (preparation of redactions or review of redacted documents). If NRC staff makes the finding of need to know for SGI and likelihood of standing, NRC staff begins background check (including fingerprinting for a criminal history records check), information processing (preparation of redactions or review of redacted documents), and readiness inspections.
25	If NRC staff finds no "need," "need to know," or likelihood of standing, the deadline for petitioner/requester to file a motion seeking a ruling to reverse the NRC staff's denial of access; NRC staff files copy of access determination with the presiding officer (or Chief Administrative Judge or other designated officer, as appropriate). If NRC staff finds "need" for SUNSI, the deadline for any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information to file a motion seeking a ruling to reverse the NRC staff's grant of access.
30	Deadline for NRC staff reply to motions to reverse NRC staff determination(s).
40	(Receipt +30) If NRC staff finds standing and need for SUNSI, deadline for NRC staff to complete information processing and file motion for Protective Order and draft Non-Disclosure Affidavit. Deadline for applicant/licensee to file Non-Disclosure Agreement for SUNSI.
60	Deadline for submitting petition for intervention containing: (i) Demonstration of standing; (ii) all contentions whose formulation does not require access to SUNSI and/or SGI (+25 Answers to petition for intervention; +7 petitioner/requestor reply).
190	(Receipt +180) If NRC staff finds standing, need to know for SGI, and trustworthiness and reliability, deadline for NRC staff to file motion for Protective Order and draft Non-disclosure Affidavit (or to make a determination that the proposed recipient of SGI is not trustworthy or reliable). Note: Before the Office of Administration makes an adverse determination regarding access, the proposed recipient must be provided an opportunity to correct or explain information.
205	Deadline for petitioner to seek reversal of a final adverse NRC staff determination either before the presiding officer or another designated officer.
A	If access granted: Issuance of presiding officer or other designated officer decision on motion for protective order for access to sensitive information (including schedule for providing access and submission of contentions) or decision reversing a final adverse determination by the NRC staff.
A + 3	Deadline for filing executed Non-Disclosure Affidavits. Access provided to SUNSI and/or SGI consistent with decision issuing the protective order.
A + 28	Deadline for submission of contentions whose development depends upon access to SUNSI and/or SGI. However, if more than 25 days remain between the petitioner's receipt of (or access to) the information and the deadline for filing all other contentions (as established in the notice of hearing or opportunity for hearing), the petitioner may file its SUNSI or SGI contentions by that later deadline.
A + 53	(Contention receipt +25) Answers to contentions whose development depends upon access to SUNSI and/or SGI.
A + 60	(Answer receipt +7) Petitioner/Intervener reply to answers.
B	Decision on contention admission.

The Committee's primary responsibility is to review the Prevailing Rate System and other matters pertinent to establishing prevailing rates under subchapter IV, chapter 53, 5 U.S.C., as amended, and from time to time advise the U.S. Office of Personnel Management.

These scheduled meetings will start in open session with both labor and management representatives attending. During the meetings either the labor members or the management members

Therefore, these caucuses will be closed to the public because of a determination made by the Director of the U.S. Office of Personnel Management under the provisions of section 10(d) of the Federal Advisory Committee Act (Pub. L. 92-463) and 5 U.S.C. 552b(c)(9)(B). These caucuses may, depending on the issues involved, constitute a substantial portion of a meeting.

Annually, the Chair compiles a report of pay issues discussed and concluded recommendations. These reports are available to the public, upon written request to the Committee.

The public is invited to submit material in writing to the Chair on Federal Wage System pay matters felt to be deserving of the Committee's attention. RAILROAD RETIREMENT BOARD

Proposed Data Collection Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collections are necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to

the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. Title and Purpose of Information Collection: Employer's Quarterly Report of Contributions Under the Railroad Unemployment Insurance Act; RRB Form DC-1; OMB 3220-0012

Under section 8 of the Railroad Unemployment Insurance Act (RUIA), as amended by the Railroad Unemployment Improvement Act of 1988 (Pub. L. 100-647), the amount of each employer's contribution is determined by the RRB, primarily on the basis of RUIA benefit payments made to the employees of that employer. These experienced based contributions, take into account the frequency, volume and duration of RUIA benefits, both unemployment and sickness, attributable to a railroad's employees. Each employer's contribution rate includes a component for administrative expenses and a component to cover costs shared by all employers. The regulations prescribing the manner and conditions for remitting the contributions and for adjusting overpayments or underpayments of contributions are contained in 20 CFR 345.

RRB Form DC-1, Employer's Quarterly Report of Contributions Under the Railroad Unemployment Insurance Act, is currently utilized by the RRB for the reporting and remitting of quarterly contributions by railroad employers. The RRB utilizes a manual version of Form DC-1 and also provides railroad employers with the option of reporting the required information and remitting their quarterly contributions via an Internet equivalent version Form DC-1.

One response is requested quarterly of each respondent and completion is mandatory. The RRB estimates that 2,160 responses are received annually. The estimated completion for the manual and Internet version of Form DC-1 is estimated at 25 minutes. The total burden for the collection is estimated at 900 hours. The RRB proposes no changes to Form DC-1.

2. Title and Purpose of Information Collection: Applicant Background Survey; RRB Form EEO-44, OMB 3220-0201

This information collection is needed to comply with Federal laws and regulations. 5 U.S.C. Chapter 72 § 7201 establishes an anti-discrimination policy. Title VII of the Civil Rights Act of 1964, § 2000e-8 [§ 709], requires agencies to make and keep relevant records to identify unlawful employment practices. 29 CFR 1602 allows agencies to collect data to

determine if there is any adverse impact on employment practices such as recruitment or selection.

The RRB's Equal Employment Office collects data to assess the impact of the agency's recruitment processes on the hiring of minorities, women and people with disabilities. To obtain the information necessary to conduct a proper assessment, the RRB utilizes Form EEO-44, Applicant Background Survey, which collects information about the racial or ethnic identity, gender and disability of applicants for RRB jobs from outside of the Federal government.

Form EEO-44 is only viewed by RRB Human Resources personnel and Equal Employment Opportunity officials. Summarized data from all external applicants for a position is used to identify hiring barriers which limit or tends to limit employment opportunities for members of a particular sex, race, or ethnic background, or based on an individual's disability status.

The EEO-44 contains a "Plain English" assurance that the information will be kept highly confidential and only shared with authorized RRB officials. This assurance specifically states that the information obtained is kept as a running tally which cannot be disaggregated into individual names, that information from the form is *not* entered into the RRB's personnel database, that the information is not provided to selecting officials or any others who can affect the selection, or to the public, and that the forms is destroyed after the position is filled. The information maintained does not include the applicant's name or other identifier.

Completion of one form is requested of each respondent and is voluntary. The RRB estimates that 800 EEO-44's are completed annually at an estimated completion time of 5 minutes. The total burden for the collection is estimated at 67 hours. The RRB proposes no changes to Form EEO-44.

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363 or send an e-mail request to Charles.Mierzwa@RRB.GOV. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or send an e-mail to Ronald.Hodapp@RRB.GOV. Written
