INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-582]

In the Matter of: Certain Hydraulic Excavators and Components Thereof General Exclusion Order

The Commission has determined that there is a violation of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) based on the unlawful importation and sale of certain hydraulic excavators that infringe United States Trademark Registration Nos. 2,140,606; 2,241,077; 2,140,605 and 2,448,848, which cover the "CAT" and "Caterpillar" marks.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary because there is a pattern of violation of section 337 and it is difficult to identify the source of the infringing products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed importation of infringing gray market hydraulic excavators bearing the trademarks at issue.

The Commission has further determined that the public interest factors enumerated in 19 U.S.C. 1337(d) do not preclude issuance of the general exclusion order, and that the bond during the Presidential review period shall be in the amount of 100 percent of the entered value of the articles in question.

Accordingly, the Commission hereby orders that:
