

intends to continue trading the MNX, NDX, RUT and RMN products, it does not believe that, at this time, the language in the related footnotes should be included on the Summary of Equity Option fee schedule.

The Exchange has decided for business purposes to exclude the current U. S. dollar-settled foreign currency option transaction and comparison charges from the \$60,000 Firm-Related Equity Option and Index Option Cap calculation. The Exchange believes that it can continue to attract this business without offering the cap, which should also help to raise revenue.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act¹⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁵ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. By amending the Exchange's fee schedule and adding nominal fees and deleting fees and text the Exchange no longer deems necessary, the Exchange believes that members and member organizations should benefit from the proposals described herein.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁶ and paragraph (f)(2) of Rule 19b-4¹⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59234; File No. SR-NYSEArca-2008-140]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Adding Liquidity Only Order

January 12, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 29, 2008, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by NYSE Arca. NYSE Arca filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.31(nn), the Adding Liquidity Only Order ("ALO Order"). The text of the proposed rule is attached as Exhibit 5. A copy of this filing is available on the Exchange's Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

At present, an ALO Order would be rejected when, at the time of entry, it would interact with an un-displayed order on the Exchange.⁵ The Exchange proposes a limited exception to the ALO Order whereby an ALO Order will not be rejected when interacting with a Mid-Point Passive Liquidity Order ("MPL Order"). This proposed change will incorporate existing functionality into the ALO Order that permits designated limit orders to ignore MPL Orders.

Currently, NYSE Arca Users may elect to mark incoming limit orders with a "No Midpoint Execution" designator which will ignore MPL Orders and trade against the Arca Book.⁶ The ALO Order will incorporate the functionality of the "No Midpoint Execution" designator. As such, the ALO Order will ignore MPL Orders and proceed to post to the NYSE Arca Book.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5),⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. The Exchange believes that the proposed rule change will clarify the rule cross-references and eliminate unnecessary confusion in its rule structure.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not

necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay and designate the proposed rule change operative upon filing. The Exchange stated the waiver of this period will allow it to immediately offer the ALO Order as amended to market participants on NYSE Arca, providing them with greater discretion and flexibility to post liquidity on NYSE Arca. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate

such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
