[Docket No. FR-5281-N-05]

Manufactured Home Construction and Safety Standards Act Reporting Requirements

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The Federal Standards and Procedural Regulations require manufactured home producers to place labels and notices in and on manufactured homes and mandate State and Private agencies participating in the Federal program to

issue reports. These Standards will protect the HUD's interests by requiring certain features of design and construction. In addition, some information collected assists both HUD and State Agencies in locating manufactured homes with defects, which then would create the need for notification and/or correction by the manufacturer.

DATES: *Comments Due Date:* February 25, 2009.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB approval Number (2502-0253) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-6974.
