

summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.<sup>4</sup>

*(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

The purpose of this rule change is to make a technical correction to Rule 1506 which prohibits deposits in lieu of margin in respect of certain options, including binary options. The proposed rule change amends Rule 1506 to prohibit deposits in lieu of margin in respect of range options. In a previous rule change, OCC made technical modifications to Rule 1506 but inadvertently omitted references to range options in the rule text.<sup>5</sup> The proposed rule change corrects that omission.

The proposed change is consistent with Section 17A of the Act because it will promote the prompt and accurate clearance and settlement of transactions in range options by clarifying the text of Rule 1506. The proposed rule change is not inconsistent with the existing rules of OCC, including any other rules proposed to be amended.

*(B) Self-Regulatory Organization's Statement on Burden on Competition*

OCC does not believe that the proposed rule change would impose any burden on competition.

*(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none have been received.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act<sup>6</sup> and Rule 19b-4(f)(1)<sup>7</sup> promulgated thereunder because the proposal constitutes an interpretation with respect to the meaning, administration, or enforcement of an existing rule of OCC. At any time within sixty days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

*Electronic Comments*

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of OCC.
