Applications for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before February 23, 2009. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5 p.m. at the U.S. Department of Commerce in Room 3720.

Docket Number: 08-054. Applicant: University of Wisconsin—Madison, Purchasing Services, 21 N. Park Street, Suite 6101, Madison, WI 53715-1218. Instrument: FEI Titan 80-200 Electron Microscope. Manufacturer: FEI Company, Czech Republic. Intended Use: The instrument will be used to measure the structure, composition and bonding of a wide variety of materials and phenomena, such as semiconducting and metallic glasses, superconductors including magnesium diboride, semiconductors including zinc oxide, geochemical reactions confined to natural nanopores in minerals, nanotubes of titanium dioxide and related oxides with and without loading of catalytic nanoparticles, and metal nanoparticles used as labels in cells. Application accepted by Commissioner of Customs: October 8, 2008.

Docket Number: 08-059. Applicant: Emory University, 1599 Clifton Road, 4th Floor, Atlanta, GA 30322-4250. Instrument: Electron Microscope, Model JEM-1011. Manufacturer: JEOL, Japan. Intended Use: The instrument will be used in anatomical studies to help students understand a disease such as Parkinson's. Specifically, students will be able to visualize axonal tracers after intracerebral injection, perfusion,

sectioning, incubations, EM processing, embedding, ultra-thin sectioning and observation at the electron microscope level. Application accepted by Commissioner of Customs: December 16, 2008.

Docket Number: 08-060. Applicant: University of Arizona, Department of Chemistry, 1306 E. University Boulevard, Tucson, AZ 85721. Instrument: FEI Inspect S Scanning Electron Microscope. Manufacturer: FEI Company, Czech Republic. Intended Use: The instrument will be used to characterize a wide variety of materials in terms of surface morphology and chemical composition. It will also be used as the base system for an electron beam lithography module which will be used to pattern and characterize nanoscale features that represent the next generation of molecular electronic devices, and as the base system for an Energy Dispersive Spectrometer that will allow the chemical mapping at the same resolution as the SEM images. Application accepted by Commissioner of Customs: December 16, 2008.

Dated: January 27, 2009.

Chris Cassel,

Director, Statutory Import Programs Staff, Import Administration.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Notice of Final Results of Expedited Sunset Review of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* February 2, 2009.

SUMMARY: On July 1, 2008, the Department of Commerce ("Department") initiated a sunset review of the antidumping duty order on certain frozen fish fillets ("fish fillets") from the Socialist Republic of Vietnam ("Vietnam"). On the basis of a notice of intent to participate, and an adequate substantive response filed on behalf of domestic interested parties, as well as a lack of response from respondent interested parties, the Department conducted an expedited sunset review. As a result of the sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping.

The dumping margins are identified in the *Final Results of Review* section of this notice.

FOR FURTHER INFORMATION CONTACT:

Matthew Renkey, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2312.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2008, the Department published the notice of initiation of the sunset review of the antidumping duty order on fish fillets from Vietnam pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-Year ("Sunset") Review*, 73 FR 37411 (July 1, 2008). On July 16, 2008, the Department received a notice of intent to participate from the Catfish Farmers of America ("CFA") and individual U.S. catfish processors, America's Catch, Consolidated Catfish Companies, LLC dba Country Select Catfish, Delta Pride Catfish, Inc., Harvest Select Catfish, Inc. dba Alabama Catfish Inc., Heartland Catfish Company, Magnolia Processing, Inc. dba Pride of the Pond, Simmons Farm Raised Catfish, Inc., and Southern Pride Catfish Company LLC (collectively, "Petitioners"). Submissions of the notices of intent to participate filed by Petitioners were within the deadline specified in section 351.218(d)(1)(i) of the Department's regulations. The domestic interested parties claimed interested party status under section 771(9)(C) and (G) of the Act as they comprise domestic producers of fish fillets in the United States and a trade association representative of the industry. On July 31, 2008, the Department received a substantive response from the domestic interested parties within the deadline specified in section 351.218(d)(3)(i) of the Department's regulations. We did not receive responses from any respondent interested parties to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations, the Department determined to conduct an expedited review of the order.

Scope of the Order

The product covered by this Order is frozen fish fillets, including regular, shank, and strip fillets and portions thereof, whether or not breaded or marinated, of the species *Pangasius Bocourti*, *Pangasius Hypophthalmus*
