Abstract of proposed collection: The Affidavit of Identifying Witness, Form DS-0071, is used by the Department of State in making a determination of the applicant's eligibility to be documented as a citizen or a non-citizen national of the United States. The form is used by Passport Agents, Acceptance Agents, and Consular Officers to collect information for the purpose of establishing the identity of a passport applicant who has not submitted adequate evidence with his/her passport application. The primary purpose for soliciting the information is to establish identity and eligibility for a United States passport, and to properly administer and enforce the laws pertaining to issuance thereof. Lack of identity information may result in the denial of an application for a United

States passport. Inaccurate identity evidence could possibly result in issuance of a passport to a non-U.S. citizen or to someone using an assumed identity.

Methodology: The Affidavit of Identifying Witness, Form DS-0071, is used in conjunction with the Application for a U.S. Passport, Form DS-0011. This affidavit is required to be included with a passport application only when the applicant for a passport is unable to establish his or her identity to the satisfaction of a person authorized to accept passport applications. The identifying witness must complete and sign this form in the presence of the person authorized to accept passport applications.

Dated: January 23, 2009.
