

Customs and Border Protection (“CBP”) to liquidate entries for Felicetti during the period January 1, 2006, through December 31, 2006, without regard to countervailing duties in accordance with 19 CFR 351.106(c). For De Matteis, Garofalo, and De Cecco, the Department will instruct CBP to assess countervailing duties at these net subsidy rates. The Department will issue appropriate instructions directly to CBP 15 days after publication of these final results of review.

For all other companies that were not reviewed (except Barilla G. e R. F.lli S.p.A. and Gruppo Agricoltura Sana S.r.l., which are excluded from the order, and Pasta Lensi S.r.l. which was revoked from the order), the Department has directed CBP to assess countervailing duties on all entries between January 1, 2006, and December 31, 2006, at the rates in effect at the time of entry.

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the rates shown above on all shipments of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. Since the countervailable subsidy rate for Felicetti is zero, the Department will instruct CBP to continue to suspend liquidation of entries, but to collect no cash deposits.

For all non-reviewed firms (except Barilla G. e R. F.lli S.p.A. and Gruppo Agricoltura Sana S.r.l., which are excluded from the order, and Pasta Lensi S.r.l. which was revoked from the order), we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

This notice serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 27, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.
