Needs and Uses: Under 47 CFR 76.1610, cable operators must notify the Commission of changes in ownership information or operating status within 30 days of such change. FCC Form 324 is used to update information filed with the Commission concerning the Cable Community Registration. The information is the basic operational information on operator name, mailing address, community served, and system identification. FCC Form 324 will cover a variety of changes related to cable operators, replacing the requirement of a letter containing approximately the same information. Every Form 324 filing will require information about the system—the additional information required depending largely upon the nature of the change.

GENERAL SERVICES ADMINISTRATION

Multiple Award Schedule Advisory Panel; Notification of Public Advisory Panel Meetings

AGENCY: U.S. General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The U.S. General Services Administration (GSA) Multiple Award Schedule Advisory Panel (MAS Panel), a Federal Advisory Committee, will hold public meetings on the following dates: Friday, February 27, 2009 and Monday March 2, 2009. GSA utilizes the MAS program to establish long-term Governmentwide contracts with responsible firms to provide Federal, State, and local government customers with access to a wide variety of commercial supplies (products) and services.

The MAS Panel was established to develop advice and recommendations on MAS program pricing policies, provisions, and procedures in the context of current commercial pricing practices. The Panel will be developing recommendations for MAS program pricing provisions for the acquisition of (1) professional services; (2) products; (3) total solutions which consist of professional services and products; and (4) non professional services.
