SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59355; File No. SR-CBOE-2009-004]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Options Regulatory Fee

February 3, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 30, 2009, the Chicago Board Options Exchange, Incorporated filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) proposes to amend its Fees Schedule relating to the Options Regulatory Fee. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.cboe.org/legal>), at the Exchange’s Office of the Secretary and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared

summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

In October 2008, the Exchange filed a proposed rule change to eliminate Registered Representative Fees and establish a transaction-based “Options Regulatory Fee” to become effective on January 1, 2009 (“ORF”).³ In December 2008, the Exchange filed a proposed rule change to waive the fee until February 1, 2009, to allow additional time for the Exchange and OCC to implement the procedures to be used by OCC to bill and collect the ORF.⁴

The Exchange proposes to again waive the ORF until March 1, 2009. The Exchange is waiving the ORF to provide firms time to put in place appropriate procedures to implement the fee.

The Exchange notes that it is also in the process of evaluating the amount of the ORF to ensure that it does not experience a regulatory revenue shortfall as the result of the waiver of the ORF for the first two months of 2009. If the Exchange determines to change the ORF rate, it will file a proposed rule change and provide members with notice of the rate change as far in advance of March 1, 2009 as possible.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (“Act”),⁵ in general, and furthers the objectives of Section 6(b)(4)⁶ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes it is appropriate to waive the ORF for February 2009 to allow firms additional time to put in place

³ See Securities Exchange Act Release No. 58817 (October 20, 2008), 73 FR 63744 (October 27, 2008). The ORF is \$.0045 per contract and is assessed to each member for all options transactions executed by the member that are cleared by The Options Clearing Corporation (“OCC”) in the customer range (*i.e.*, that clear in a customer account at OCC), excluding Options Intermarket Linkage Plan (“Linkage”) orders. The ORF is imposed upon all such transactions executed by a member, even if such transactions do not take place on the Exchange. The ORF is collected indirectly from members through their clearing firms by OCC on behalf of the Exchange.

appropriate procedures to implement the fee.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-CBOE-2009-004 on the subject line.

Paper Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59347; File No. SR-ISE-2009-05]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Eliminate \$3 Underlying Price Requirement for Continued Listing and Listing of Additional Series

February 3, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 2, 2009, the International Securities Exchange, LLC ("ISE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule

change as described in Items I and II below, which Items have been prepared by ISE. ISE has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend Rule 503(b) to eliminate the \$3 market price per share requirement from the Exchange's requirements for continued approval for an underlying security. The Exchange also proposes to amend Rule 503(c) by eliminating the prohibition against listing additional series of options on an underlying security at any time when the price per share of such underlying security is less than \$3. The text of the proposed rule change is as follows, with deletions in [brackets] and additions in *italics*:

Rule 503. Withdrawal of Approval of Underlying Securities:

(a) No Change.
(b) Absent exceptional circumstances, an underlying security will not be deemed to meet the Exchange's requirements for continued approval whenever any of the following occur:
(1) There are fewer than 6,300,000 shares of the underlying security held by persons other than those who are required to report their security holdings under Section 16(a) of the Exchange Act.

(2) There are fewer than 1,600 holders of the underlying security.

(3) The trading volume (in all markets in which the underlying security is traded) has been less than 1,800,000 shares in the preceding twelve (12) months.

(4) [The market price per share of the underlying security closed below \$3 on the previous trading day as measured by the closing price reported by the primary market in which the underlying security is traded.] *Reserved.*

(5) The underlying security ceases to be an "NMS stock" as defined in Rule 600 of Regulation NMS under the Exchange Act.

(6) If an underlying security is approved for options listing and trading under the provisions of Rule 502(c), the trading volume [and price history] of the Original Security (as therein defined) prior to but not after the commencement of trading in the Restructure Security (as

therein defined), including "when-issued" trading, may be taken into account in determining whether the trading volume [and market price] requirement[s] of (3) [and (4)] of this paragraph (b) [are] *is* satisfied.

(c) [In connection with paragraph (b)(4) of this Rule, the Exchange shall not open for trading any additional series of options contracts of the class covering an underlying security at any time (including on a next-day, expiration or intra-day basis) when the market price per share of such underlying security closed less than \$3 on the last trading day preceding the day on which such series are added, as measured by the closing price reported by the primary market in which the underlying security trades. In addition to closing at or above \$3 on the last trading day preceding the day series are added, the Exchange shall not open for trading any additional series of options contracts on an intra-day basis unless the last reported trade in the primary market in which the underlying security trades is at least \$3 at the time the Exchange determines to add the series. Notwithstanding the above, the Exchange may add a series if the additional series is traded on at least one other registered national securities exchange and, at the time the additional series was listed by such other registered national securities exchange, it met the \$3 market price requirement.] *Reserved.*

(d)-(k) No Change.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections (A), (B) and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to eliminate the \$3 market price per share requirement from the Exchange's requirements for continued
