DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Extension of the Approval of Information Collection Requirements

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning its proposal to extend the Office of Management and Budget (OMB) approval of the Information Collection: Wage Statement (WH-501 (English) and WH-501S (Spanish)). A copy of the proposed information collection request can be obtained by contacting the office listed below in the **ADDRESSES** section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before April 13, 2009.

employer and agricultural association that employs any migrant or seasonal worker (collectively respondents) to make, keep, and preserve records for three years for each such worker concerning the:

(1) Basis on which wages are paid; (2) Number of piecework units earned, if paid on piecework basis; (3) Number of hours worked; (4) Total pay period earnings; (5) Specific sums withheld and the purpose of each sum withheld and (6) Net pay.

Respondents are also required to provide an itemized written statement of this information to each migrant and seasonal agricultural worker each pay period. In addition, MSPA sections 201(e) and 301(d) require that each farm labor contractor provide copies of all the records noted above for the migrant or seasonal agricultural workers the contractor has furnished to other farm labor contractors, agricultural employers or agricultural associations who use the workers. Forms WH-501 (English) and WH-501S (Spanish), MSPA Wage Statement, are DOL created optional use forms that allow a farm labor contractor, agricultural employer, or agricultural association to satisfy the statutory requirement to make, keep, preserve, and disclose certain payroll records and to provide a statement of earnings listing the method of payment of wages to migrant and seasonal agricultural workers and to the users of such workers. This information collection is currently approved for use through August 31, 2009.
