RAILROAD RETIREMENT BOARD

Proposed Data Collection(s) Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collections are necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's

estimate of the burden for the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. Title and Purpose of Information Collection

Application for Survivor Death Benefits; OMB 3220-0031

Under Section 6 of the Railroad Retirement Act (RRA), lump-sum death benefits are payable to surviving widow and widowers, children and certain other dependents. Lump-sum death benefits are payable after the death of a railroad employee only if there are no qualified survivors of the employee immediately eligible for annuities. With the exception of the residual death benefit, eligibility for survivor benefits depends on whether the employee was "insured" under the RRA at the time of death. If a deceased employee was not so insured, jurisdiction of any survivor benefits payable is transferred to the Social Security Administration and survivor benefits are paid by that agency instead of the RRB. The collection obtains the information required by the RRB to determine entitlement to and amount of the survivor death benefits applied for.

The RRB currently utilizes Form(s) AA-11a (*Designation for Change of Beneficiary for Residual Lump-Sum*), AA-21cert, (*Application Summary and Certification*), AA-21 (*Application for Lump-Sum Death Payment and Annuities Unpaid at Death*), G-131 (*Authorization of Payment and Release of All Claims to a Death Benefit or Accrued Annuity Payment*), and G-273a (*Funeral Director's Statement of Burial Charges*), to obtain the necessary information. One response is requested of each respondent. Completion is required to obtain benefits.

The RRB proposes no changes to any of the forms in the information collection.

ESTIMATE OF ANNUAL RESPONDENT BURDEN
 [The estimated annual respondent burden is as follows]

Form #(s)	Annual responses	Time (min)	Burden (hrs)
AA-11a	200	10	33
AA-21cert (with assistance)	5,400	20	1,800
AA-21 manual (without assistance)	300	40	200
G-131	600	5	50
G-273a	5,000	10	833

ESTIMATE OF ANNUAL RESPONDENT BURDEN—Continued

[The estimated annual respondent burden is as follows]

Form #(s)	Annual responses	Time (min)	Burden (hrs)
Total	11,500	2,916

2. Title and Purpose of Information Collection

Request for Medicare Payment; OMB 3220-0131

Under Section 7(d) of the Railroad Retirement Act, the RRB administers the Medicare program for persons covered by the railroad retirement system. The collection obtains the information needed by Palmetto GBA, the Medicare carrier for railroad retirement beneficiaries, to pay claims for payments under Part B of the Medicare program. Authority for collecting the information is prescribed in 42 CFR 424.32.

The RRB currently utilizes Forms G-740S, Patient's Request for Medicare Payment, (along with Centers for Medicare and Medicaid Services Form CMS-1500) to secure the information necessary to pay Part B Medicare Claims. The RRB proposes minor non-burden impacting editorial changes to RRB Form G-740S. The completion time for Form G-740S is estimated at 15 minutes. The RRB estimates that approximately 100 Form G-740S's are received annually. Completion is required to obtain a benefit. One response is completed for each claim.

3. Title and Purpose of Information Collection

Statement of Claimant or Other Person; OMB 3220-0183

To support an application for an annuity under Section 2 of the Railroad Retirement Act (RRA) or for unemployment benefits under Section 2 of the Railroad Unemployment Insurance Act (RUIA), pertinent information and proofs must be furnished for the RRB to determine benefit entitlement. Circumstances may require an applicant or other person(s) having knowledge of facts relevant to the applicant's eligibility for an annuity or benefits to provide written statements supplementing or changing statements previously provided by the applicant. Under the railroad retirement program these statements may relate to changes in annuity beginning date(s), dates for marriage(s), birth(s), prior railroad or non-railroad employment, an applicant's request for reconsideration of an unfavorable RRB eligibility

determination for an annuity or various other matters. The statements may also be used by the RRB to secure a variety of information needed to determine eligibility to unemployment and sickness benefits. Procedures related to providing information needed for RRA annuity or RUIA benefit eligibility determinations are prescribed in 20 CFR 217 and 320 respectively. The RRB utilizes Form G-93, *Statement of Claimant or Other Person* to obtain the supplemental or corrective information from applicants or other persons needed to determine applicant eligibility for an RRA annuity or RUIA benefits.

The RRB proposes no changes to Form G-93. The completion time for Form G-93 is estimated at 15 minutes per response. The RRB estimates that approximately 900 Form G-93's are received annually. Completion is voluntary. One response is requested of each respondent.

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363 or send an e-mail request to Charles.Mierzwa@RRB.GOV. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or send an e-mail to Ronald.Hodapp@RRB.GOV. Written comments should be received within 60 days of this notice.

Charles Mierzwa,
Clearance Officer.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:
Rule 15c2-8, OMB Control No. 3235-0481,

SEC File No. 270-421.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

• Rule 15c2-8 (17 CFR 240.15c2-8)—Delivery of Prospectus

Rule 15c2-8 of the Securities Exchange Act of 1934 ("Exchange Act") requires broker-dealers to deliver preliminary and/or final prospectuses to certain people under certain circumstances. In connection with securities offerings generally, including initial public offerings (IPOs), the rule requires broker-dealers to take reasonable steps to distribute copies of the preliminary or final prospectus to anyone who makes a written request, as well as any broker-dealer who is expected to solicit purchases of the security and who makes a request. In connection with IPOs, the rule requires a broker-dealer to send a copy of the preliminary prospectus to any person who is expected to receive a confirmation of sale (generally, this means any person who is expected actually to purchase the security in the offering) at least 48 hours prior to the sending of such confirmation. This requirement is sometimes referred to as the "48 hour rule."

Additionally, managing underwriters are required to take reasonable steps to ensure that all broker-dealers participating in the distribution of or trading in the security have sufficient copies of the preliminary or final prospectus, as requested by them, to enable such broker-dealer to satisfy their respective prospectus delivery obligations pursuant to Rule 15c2-8, as well as Section 5 of the Securities Act of 1933.

Rule 15c2-8 implicitly requires that broker-dealers collect information, as such collection facilitates compliance with the rule. There is no requirement to submit information collected to the Commission. In order to comply with
