individuals or corporations against whom judgments have been filed by DOI.

Period of Match: Matching will begin at least 40 days from the date copies of the signed (by both agencies Data Integrity Boards) computer matching agreements are sent to OMB and both Houses of Congress or at least 30 days from the date this notice is published in the Federal Register, whichever is later, providing no comments are received which would result in a contrary determination. The matching program will be in effect and continue for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other in writing to terminate or modify the agreement.

Dated: February 6, 2009.

Lynn Allen,

Acting Chief Information Officer. [FR Doc. E9–4189 Filed 2–26–09; 8:45 am] BILLING CODE 4210-67-P

Endangered and Threatened Species Permit Applications

AGENCY: Fish and Wildlife Service,

ACTION: Notice of receipt of applications.

SUMMARY: The following applicants have applied for scientific research permits to conduct certain activities with endangered species under the Endangered Species Act of 1973, as amended (Act).

DATES: To ensure consideration, written comments must be received on or before March 30, 2009.

ADDRESSES: Written comments should be submitted to the Chief, Endangered Species Division, Ecological Services, P.O. Box 1306, Room 6034, Albuquerque, New Mexico 87103. Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act. Documents will be available for public inspection, by appointment only, during normal business hours at the U.S. Fish and Wildlife Service, 500 Gold Ave. SW., Room 6034, Albuquerque, New Mexico. Please refer to the respective permit number for each application when submitting comments.

FOR FURTHER INFORMATION CONTACT:

Susan Jacobsen, Chief, Endangered Species Division, P.O. Box 1306, Albuquerque, New Mexico 87103, (505) 248–6920.

SUPPLEMENTARY INFORMATION:

Public Availability of Comments

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Permit TE-157587

Applicant: Southwestern Ecological Research Company, Tucson, Arizona.

Applicant requests an amendment to a current permit for research and recovery purposes to conduct presence/ absence surveys of the following species: razorback sucker (*Xyracuchen texanus*) within Texas.
