We will instruct U.S. Customs and Border Protection ("CBP") to continue the suspension of liquidation required by section 735(c)(1)(B) of the Act, of all entries of subject merchandise from the RMB/IFI Group, Ningbo Yinzhou, the Separate Rate Companies, and the PRC-wide entity entered, or withdrawn from warehouse, for consumption on or after October 8, 2008, the date of publication of the *Preliminary Determination*. CBP shall continue to require a cash deposit or the posting of a bond equal to the estimated amount by which the NV exceeds the U.S. price as shown above. See section 735(c)(1)(B)(ii) of the Act. The suspension of liquidation instructions will remain in effect until further notice.

As our final determination is affirmative, in accordance with section 735(b)(2) of the Act, within 45 days the ITC will determine whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports or sales (or the likelihood of sales) for importation of the subject merchandise. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess, upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.
