Technical Amendment to Price List

The Exchange further proposes through this filing to revise the date on the price list to reflect that it is applicable for the current year "2009".

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "1934 Act") for this proposed rule change are the requirement under Section 6(b)(4)⁹ that an exchange have rules that provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes that RMG will promote marketplace efficiency by providing security safeguards to the trading of securities by means of sponsored access and believes that the proposed fee is fair and reasonable for the reasons cited above.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder,¹¹ because it establishes or changes a due, fee, or other charge applicable only to a member imposed by the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
