

filing.<sup>7</sup> However, Rule 19b-4(f)(6)(iii)<sup>8</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay and designate the proposed rule change to become operative upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal is substantially similar to a proposal previously approved by the Commission.<sup>9</sup> The Commission believes that the Exchange's proposal to append an Aberrant Report Indicator to certain trade reports is a reasonable means to alert investors and others that the Exchange believes that the trade price for a trade executed in its market does not accurately reflect the prevailing market for the security. In addition, the Commission notes that the Exchange will use objective numerical thresholds in determining whether a trade report is eligible to have an Aberrant Trade Indicator appended to it. The Commission further notes that the Exchange's appending the Aberrant Trade Indicator to a trade report has no effect on the validity of the underlying trade. Finally, waiving the 30-day operative delay will allow the Exchange to apply the proposed change to future aberrant trades immediately.<sup>10</sup> Based on the above, the Commission designates the proposal to become operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

<sup>7</sup> 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
