

Competitive conditions within the industry are adverse.

Conclusion

After careful review of the facts during the remand investigation, I determine that there was a shift of production from the workers' firm or subdivision to Brazil of articles that are like or directly competitive with those produced by the subject firm or subdivision, and there has been or is likely to be an increase in imports of like or directly competitive articles. In accordance with the provisions of the Act, I make the following certification:

All workers of Springs Global U.S. Inc., Springs Global Direct Division, Springmaid-Wamsutta Factory Store, Lancaster, South Carolina, who became totally or partially separated from employment on or after May 19, 2007, through two years from the issuance of this revised determination, are eligible to apply for Trade Adjustment Assistance under Section 223 of the Trade Act of 1974, and are eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.
