

time interval between diagnosis or referral and resolution date);

- Patient health status (e.g., type and stage of diagnosis, chronic disease status, final outcome or result); and

- Patient navigation data (e.g., type of navigator, patient navigation training plans and outcomes, point at which patient navigator was brought into the process, number of patients referred,

how patient barriers were resolved, patient satisfaction, follow-up outcomes—such as number of uninsured who get health coverage). This information will be collected from patients or their designated caregiver, patient navigators, and PN program administrators. Maintaining confidentiality of patient medical information is a concern and thus all

personal information will be de-identified to protect the confidentiality of all patients. Data collection and disclosure processes will abide by Health Insurance Portability and Accountability Act (HIPPA) Privacy Rule provisions and procedures.

The annual estimate of burden is as follows:

Submission for OMB Review; Comment Request; Revision of OMB No. 0925–0001/exp. 11/30/10, Research and Research Training Grant Applications and Related Forms

Summary: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on December 10, 2008, page 75121 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after November 30, 2010, unless it displays a currently valid OMB control number.

Proposed Collection: Title: Research and Research Training Grant Applications and Related Forms. *Type of Information Collection Request:* Revision, OMB 0925–0001, Expiration

Date 11/30/2010. *Form Numbers:* PHS 398, 2590, 2271, 3734 and HHS 568.

Need and Use of Information Collection:

The application is used by applicants to request Federal assistance for research and research-related training. The other related forms are used for trainee appointment, final invention reporting, and to relinquish rights to a research grant. *Frequency of response:*

Applicants may submit applications for published receipt dates. If awarded, annual progress is reported and trainees may be appointed or reappointed.

Affected Public: Individuals or Households; Business or other for-profit; Not-for-profit institutions; Federal Government; and State, Local or Tribal Government. *Type of Respondents:*

Adult scientific professionals. The annual reporting burden is as follows:

Estimated Number of Respondents: 160,135; *Estimated Number of Responses per Respondent:* 1; *Average Burden Hours Per Response:* 14; and *Estimated Total Annual Burden Hours Requested:* 2,251,500. The estimated annualized cost to respondents is \$78,802,500.

Request for Comments: Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility;

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to the desk officer for HRSA, either by e-mail to *OIRA_submission@omb.eop.gov* or by fax to 202–395–6974. Please direct all correspondence to the “attention of the desk officer for HRSA.”

Dated: February 27, 2009.

Alexandra Huttinger,

Director, Division of Policy Review and Coordination.
