

### Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable because the Department requested additional information from all interested parties regarding wheat code classifications for model match.<sup>1</sup> Wheat code classification is an integral part in making comparisons between home market and U.S. sales in the Department’s margin calculations in this proceeding. Given the complexity of this issue and in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are extending the time period for issuing the preliminary results of review by 120 days. Therefore, the preliminary results are now due no later than July 31, 2009. The final results continue to be due 120 days after publication of the preliminary results.

This notice is issued and published pursuant to sections 751(a) and 777(i) of the Act.

Dated: March 9, 2009.

### Floor–Standing, Metal–Top Ironing Tables and Certain Parts Thereof from the People’s Republic of China: Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On September 9, 2008, the U.S. Department of Commerce (the

Department) published the preliminary results of the 2006 2007 administrative review of the antidumping duty order on floor–standing, metal–top ironing tables from the People’s Republic of China (PRC). *See Floor–Standing, Metal–Top Ironing Tables and Certain Parts Thereof From the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 73 FR 52277 (September 9, 2008) (*AR3 Preliminary Results*). This review covers two exporters. The period of review (POR) is August 1, 2006 through July 31, 2007. We invited interested parties to comment on the *Preliminary Results*.

Based on our analysis of the comments received, we have made changes in the margin calculations. Therefore, the Final Results differ from the *Preliminary Results*. The weighted average dumping margins are listed below in the section entitled “Final Results of Review”.

**EFFECTIVE DATE:** March 16, 2009.

#### SUPPLEMENTARY INFORMATION:

#### Background

We published in the **Federal Register** the preliminary results of the second administrative review on September 9, 2008. *See AR3 Preliminary Results*.

Following the *AR3 Preliminary Results*, on October 8 and October 10, 2008, the Department received respective case briefs from Since Hardware and from Home Products International (the Petitioner in this case). On October 14, and October 17, 2008, respectively Petitioner and Since Hardware submitted rebuttal briefs. On January 5, 2009, the Department extended the time frame for publication of the final results of review by an additional 60 days. *See Floor–Standing Metal–Top Ironing Tables and Certain Parts Thereof from the People’s Republic of China: Extension of Time Limit for the Final Results of Administrative Review*, 74 FR 267 (January 5, 2009).

#### Scope of the Order

For purposes of the order, the product covered consists of floor–standing, metal–top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject

tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. The subject tables have full–height leg assemblies that support the ironing surface at an appropriate (often adjustable) height above the floor. The subject tables are produced in a variety of leg finishes, such as painted, plated, or matte, and they are available with various features, including iron rests, linen racks, and others. The subject ironing tables may be sold with or without a pad and/or cover. All types and configurations of floor–standing, metal–top ironing tables are covered by this review.

Furthermore, the order specifically covers imports of ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. For purposes of the order, the term “unassembled” ironing table means a product requiring the attachment of the leg assembly to the top or the attachment of an included feature such as an iron rest or linen rack. The term “complete” ironing table means product sold as a ready–to–use ensemble consisting of the metal–top table and a pad and cover, with or without additional features, *e.g.*, iron rest or linen rack. The term “incomplete” ironing table means product shipped or sold as a “bare board” *i.e.*, a metal–top table only, without the pad and cover with or without additional features, *e.g.* iron rest or linen rack. The major parts or components of ironing tables that are intended to be covered by the order under the term “certain parts thereof” consist of the metal top component (with or without assembled supports and slides) and/or the leg components, whether or not attached together as a leg assembly. The order covers separately shipped metal top components and leg components, without regard to whether the respective quantities would yield an exact quantity of assembled ironing tables.

Ironing tables without legs (such as models that mount on walls or over doors) are not floor–standing and are specifically excluded. Additionally, tabletop or countertop models with short legs that do not exceed 12 inches in length (and which may or may not collapse or retract) are specifically excluded.

The subject ironing tables were previously classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading 9403.20.0010. Effective July 1, 2003, the subject ironing tables are classified under new HTSUS subheading 9403.20.0011. The subject metal top and leg components are classified under HTSUS subheading

<sup>1</sup> See Memo from the Department entitled “Request for Comments on Wheat Code Classifications,” dated January 9, 2009.

9403.90.8040. Although the HTSUS subheadings are provided for convenience and for Customs and Border Protection (CBP) purposes, the Department's written description of the scope remains dispositive.

**Separate Rates**

Since Hardware and Forever Holdings requested a separate, company-specific antidumping duty rate. In the *AR3 Preliminary Results*, we found that both Since Hardware and Forever Holdings had met the criteria for the application of a separate antidumping duty rate. See *Preliminary Results*, 72 FR at 52278.

We have determined that because Since Hardware has provided inaccurate and unreliable data, it is no longer eligible for separate rate status, and thus is properly considered to be part of the PRC-wide entity. See *Issues and Decision Memorandum* at page 6. See also, *Carbazole Violet Pigment 23 from the People's Republic of China: Final Results of Antidumping Duty Administrative Review*, 74 FR 883 (January 9, 2009) (where the Department revoked a respondent's separate rate status after the respondent refused to cooperate with the Department's administrative review). We have not received any information since the *Preliminary Results* with respect to Forever Holdings that would warrant reconsideration of our separate-rates determination. Therefore, we have assigned an individual dumping margin to Forever Holdings for this review period.

**Analysis of Comments Received**

All issues raised in the case briefs by the parties and to which we have responded are addressed in the Memorandum to Ronald K. Lorentzen, Acting Assistant Secretary for Import Administration, from John M. Andersen, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations entitled "Issues and Decision Memorandum for the Final Results in the Administrative Review of Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China", (March 9, 2009) (*Issues and Decision Memorandum*), which is hereby adopted by this notice. A list of the issues raised, all of which are in the *Issues and Decision Memorandum*, is attached to this notice as Appendix I. Parties can find a complete discussion of all issues raised in the briefs and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit (CRU), room 1117 of the Department of Commerce. In addition, a complete version of the

*Issues and Decision Memorandum* can be accessed directly on the Web at <http://trade.gov/ia>. The paper copy and electronic version of the *Issues and Decision Memorandum* are identical in content.

**Changes since the Preliminary Results**

Based on the comments received from interested parties, we have based our analysis for the PRC-wide entity, which includes Since Hardware on AFA. See Comment 1 of the *Issues and Decision Memorandum* for the discussion of the basis for, and the application of, AFA; see also Memorandum from Richard Weible, Director, Office 7 to John M. Andersen, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, "Since Hardware (Guangzhou) Co., Ltd's. Claim Regarding Market Economy Purchases, and Use of Adverse Facts Available," dated March 9, 2009 (AFA Memorandum).

We have also used the financial statements of Infiniti Modules for the year ended March 31, 2007 to calculate factory overhead, SG&A expenses and profit in the final results calculations for Forever Holdings. See Comment 2 of the *Issues and Decision Memorandum*.

**Final Results of Review**

We determine that the following antidumping duty margins exist in these final results:

Exporter	Margin (percent)
PRC-wide Entity (which includes Since Hardware) .....	157.68 %
Forever Holdings Limited .....	0.00%

See AFA Memorandum for discussion of the basis for, and application of, AFA with respect to the PRC-wide entity, which includes Since Hardware. For details on the calculation of the antidumping duty weighted-average margin for Forever Holdings, see Memorandum to the File; from Michael J. Heaney, Senior International Trade Compliance Analyst; "Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China: Forever Holdings Limited (Forever Holdings) Analysis Memorandum for the Final Results," dated March 9, 2009. The public versions of both memoranda are on file in the CRU.

**Assessment Rates**

Pursuant to section 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.212(b), the Department will determine, and CBP shall assess,

antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review. For assessment purposes, where possible, we calculated importer-specific assessment rates for subject ironing tables from the PRC via *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of these final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for Since Hardware the cash deposit rate will be 157.68 percent; (2) for Forever Holdings, the Department has calculated a zero percent margin for these final results, and therefore no cash deposit will be required for this company; (3) for previously-investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (4) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, including those companies for which this review has been rescinded, the cash deposit rate will be the PRC-wide rate of 157.68 percent; and (5) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Interested Parties**

This notice also serves as the final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and in the subsequent assessment of double antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and this notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 9, 2009.

**SUPPLEMENTARY INFORMATION:**

#### Background

On February 2, 2009, the Department of Commerce ("Department") published a notice of initiation of an administrative review of the antidumping duty order on honey from the People's Republic of China ("PRC")

covering the period December 1, 2007, through November 30, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 5821 (February 2, 2009).

On February 23, 2009, the American Honey Producers Association and the Sioux Honey Association (collectively "Petitioners") timely withdrew their request for an administrative review for the following 33 companies: Alfred L. Wolff (Beijing) Co., Ltd., Anhui Honghui Foodstuff (Group) Co., Ltd., Cheng Du Wai Yuan Bee Products Co., Ltd., Chengdu Stone Dynasty Art Stone, Eurasia Bee's Products Co., Ltd., Fresh Honey Co., Ltd. Petitioners were the only party to request a review of the entries of subject merchandise exported by these companies.

#### Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within ninety days of the date of publication of notice of initiation of the requested review. Because Petitioners' withdrawal of requests for review was timely and no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to the 33 aforementioned companies for which Petitioners withdrew their request for an administrative review.

#### Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate from a prior segment of this proceeding, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department will issue appropriate assessment instructions directly to CBP 15 days after publication of this notice for the following companies: Anhui Honghui Foodstuff (Group) Co., Ltd., Jiangsu Kanghong Natural Healthfoods Co., Ltd., Shanghai Taiside Trading Co., Ltd., and Wuhan Bee Healthy Co., Ltd.

The Department cannot order liquidation for companies which, although they are no longer under review as a separate entity, may still be under review as part of the PRC-wide entity. Therefore, the Department cannot, at this time, order liquidation of entries for the following companies: Alfred L. Wolff (Beijing) Co., Ltd., Cheng Du Wai Yuan Bee Products Co., Ltd., Chengdu Stone Dynasty Art Stone, Eurasia Bee's Products Co., Ltd., Fresh Honey Co., Ltd. (formerly Mgl. #### Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of
