**SUMMARY:** The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

**DATES:** An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507(j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by March 23, 2009.

**ADDRESSES:** Written comments regarding the emergency review should

be addressed to the Office of Information and Regulatory Affairs, Attention: Bridget Dooling, Desk Officer, Department of Education, Office of Management and Budget; 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. ED invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on respondents, including through the use of information technology.

Dated: March 10, 2009.

### Office of Elementary and Secondary Education

*Type of Review:* New.

*Title:* State Fiscal Stabilization Fund Grant Application.

**Abstract:** On February 17, 2009, the American Recovery and Reinvestment Act of 2009 (ARRA) became law. A major part of ARRA is the new State Fiscal Stabilization Fund (Stabilization) program. The program provides \$53,600,000,000 to States to keep teachers in the classroom, prevent the cutting of valuable education programs, and help mitigate college tuition increases. Additionally, the Stabilization program will provide resources that States and districts may use to implement important education reforms, such as launching strategies that address inequities in the distribution of highly qualified teachers, building robust data systems that allow districts to better track student achievement, raising standards and strengthening student assessments, and turning around failing schools. We are requesting approval of the Stabilization program grant application so that State governors may apply for the first portion of these funds.

**Additional Information:** In order to provide immediate assistance to help alleviate the substantial budget shortfalls that States are facing, the Department is committed to providing 67 percent of each State's Stabilization allocation within a very short timeframe, necessitating emergency clearance of the Stabilization program application. The requested approval date for OMB approval is March 23. This formula grant program has two distinct portions—the Education Fund and the Government Services Fund. Specifically, the Department intends to award each State with 67 percent of the total amount that it is to receive under both the Education Fund and the Government Services Fund within two weeks of our receipt of a complete application.

**Frequency:** One time.

**Affected Public:** Business or other for-profit; State, Local or Tribal Gov't.

**Reporting and Recordkeeping Hour Burden:**

**Responses:** 52.

**Burden Hours:** 894.

### Office of International Regimes and Agreements; Proposed Subsequent Arrangement

**AGENCY:** Department of Energy.

**ACTION:** Notice of proposed subsequent arrangement.

**SUMMARY:** This notice has been issued under the authority of Section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation Between the United States of America and the Government of the Argentine Republic Concerning Peaceful Uses of Nuclear Energy and the Agreement Between the United States of America and Australia Concerning Peaceful Uses of Nuclear Energy.

This subsequent arrangement concerns the retransfer of 1.84 grams of uranium, 1.64 grams of which is in the isotope U-235, from the Comision Nacional De Energia Atomica (CNEA), Ezeiza, Argentina, to the Australian Nuclear Science and Technology Organization (ANSTO) in Lucas Heights, Australia. The material, which is currently in the form uranium ore concentrates (U3O8) and is located at CNEA's Instrumentation and Control Department, will be transferred to ANSTO for use at the Australian Replacement Research Reactor as internal sensitive material of five fission counters. CNEA originally obtained the material from the United States under a general license.

In accordance with Section 131 of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement is not inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the date of publication of this notice.

Dated: March 12, 2009.

For the Department of Energy.
