

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)¹⁶ that an Exchange have rules that are designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The instant proposal is in keeping with these principles in that it seeks to price the execution of all odd-lot orders pursuant to one pricing methodology now that the Exchange systemic impediments to the implementation of one pricing methodology are removed.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is filed pursuant to paragraph (A) of Section 19(b)(3)¹⁷ and Rule 19b-4(f)(5).¹⁸ This proposed rule change effects a change in an existing order entry or trading system of a self-regulatory organization that: (A) Does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) does not have the effect of limiting the access to or availability of the system. The proposed filing does not in any way limit access to the Exchange's odd-lot system; rather, the changes are the result of technological advancements which remove the systemic impediments that previously restricted the Exchange's ability to execute all odd-lots pursuant to a the same pricing methodology. In so far as, the proposal ensures that all odd-lot orders are priced in the same manner, it promotes the protection of investors and serves the public interest without

imposing a significant burden on competition.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-59609; File No. SR-NYSEArca-2009-23]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Arca, Inc. Amending Rule 6.47 To Remove Obsolete Text Related to the SizeQuote Pilot Program

March 20, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on March 16, 2009, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II, which Items have been prepared by the self-regulatory organization. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rules in order to remove obsolete rule text related to the SizeQuote Pilot Program. The text of the proposed rule change is attached as Exhibit 5 to the Form 19b-4. A copy of this filing is available on the Exchange's Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to remove obsolete text from Rule 6.47 pertaining to the Exchange's SizeQuote Pilot Program ("Pilot Program"). The Pilot Program, which was initially established in 2005⁵ and had been extended in three subsequent filings,⁶ expired on February 15, 2009.

After analyzing the effectiveness of the Pilot Program, the Exchange determined that it did not meet its stated objectives and therefore the Exchange did not extend the program past its expiration on February 15, 2009. This filing simply serves to remove the obsolete rules related to the Pilot Program.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁷ of the Act, in general, and furthers the objectives of Section 6(b)(5),⁸ in particular, in that it is designed to facilitate transactions in securities, to promote just and equitable principles of trade and to protect investors and the public interest. This filing is intended to remove outdated and obsolete rule text that may be confusing to market participants that are subject to the Exchange rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose

any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)(iii) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because such waiver will enable the Exchange to delete obsolete rule text without delay. The Commission notes that the text relates to a pilot program that has already expired and therefore deletion of the related text does not raise any novel or significant regulatory issues. Therefore, the Commission

designates the proposed rule change as operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59617; File No. SR-NYSEArca-2009-19]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Amending Rule 6.37A—Obligations of Market Makers-OX

March 20, 2009.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on March 16, 2009, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. NYSE Arca filed the proposed rule change as a "non-controversial" proposal pursuant to Section 19(b)(3)(A) of the Act⁴ and Rule 19b-4(f)(6) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Exchange Rule 6.37A—Obligations of Market Makers-OX. The text of the proposed rule change is attached as Exhibit 5. A copy of this filing is available on the Exchange's Web site at

<http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to adopt a provision which will allow the Exchange to establish different quote differentials other than what is provided for in Rule 6.37A(b)(5). The proposed rule language is substantially similar to what has been approved for, and is presently in place at, the Chicago Board Options Exchange ("CBOE").⁶

Pursuant to Rule 6.37A(b), Market Makers on NYSE Arca are required to submit electronic quotations within certain bid/ask differentials. Subsection (5) of this rule states that following an Auction, options traded on NYSE Arca may be quoted with a difference not to exceed \$5 between the bid and offer. NYSE Arca now proposes to add a provision that will allow the Exchange to establish different bid/ask differentials for certain series.

Situations may arise where the \$5 differential provided for in Rule 6.37A(b)(5) is overly restrictive; this has shown to be the case when extreme market fluctuations, coupled with increased volatility in an underlying security makes it extremely difficult to accurately calculate the price of given options series. To address these concerns, the CBOE has established modified bid/ask differentials in certain options series, pursuant to CBOE Rule 8.7(b)(iv).⁷ This proposed rule change seeks only to allow the Exchange to offer NYSE Arca Market Makers the

same quote relief that is offered to Market Makers on the CBOE.

The Exchange envisions establishing quote differentials wider than \$5 in very limited situations. In addition, if the Exchange were to establish modified bid/ask differentials it would do so with the contingency that the disseminated markets in affected series would remain competitive and remain narrower than the relief granted, whenever possible.

The CBOE rule states that it is "the Exchange" that may establish bid/ask differences other than what is provided for in their rules. NYSE Arca proposes that the decision to establish different quote differentials will be made by two Trading Officials.⁸ In the case of NYSE Arca, two Trading Officials will collectively make the determination on behalf of the Exchange. This is the only difference between the CBOE rule text and the proposed rule text for NYSE Arca.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁹ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁰ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change is appropriate in that it creates a mechanism whereas Market Makers will be able to provide two side quotations even in situations where it is difficult to accurately calculate the price of given options series.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.
