Outer Continental Shelf Civil Penalties

AGENCY: Minerals Management Service (MMS), Interior.

ACTION: Notice summarizing Outer Continental Shelf Civil Penalties paid from January 1, 2008, through December 31, 2008.

SUMMARY: This notice provides a listing of civil penalties paid from January 1, 2008, through December 31, 2008, for violations of the Outer Continental Shelf Lands Act. The goal of the MMS Outer Continental Shelf Civil Penalties Program is to assure safe and clean oil, gas, sulphur, or other minerals operations on the Outer Continental Shelf. Through the pursuit, assessment, and collection of civil penalties and referrals for the consideration of criminal penalties, the program is designed to encourage compliance with applicable statutes and regulations. The purpose of publishing the penalties summary is to provide information to the public on violations of the Outer Continental Shelf Lands Act and to provide an additional incentive for safe and environmentally sound operations.

FOR FURTHER INFORMATION CONTACT:

Joanne McCammon, Program Coordinator, at 703-787-1292.

SUPPLEMENTARY INFORMATION: The Oil Pollution Act of 1990 (OPA 90) strengthened section 24 of the Outer Continental Shelf (OCS) Lands Act Amendments of 1978. Section 8201 of OPA 90 increased the amount of the civil penalty from a maximum of \$10,000 to a maximum of \$20,000 per violation for each day of noncompliance. More importantly, OPA 90 provided the Secretary of the Interior (Secretary) with the authority to assess a civil penalty without first providing a period of time for corrective action in cases where a failure to comply with applicable regulations constitutes or constituted a threat of serious, irreparable, or immediate harm or damage to life (including fish and other aquatic life); property; any mineral deposit; or the marine, coastal, or human environment.

The provisions of OPA 90 also require the Secretary to adjust the maximum civil penalty to reflect any increases in the Consumer Price Index (CPI). Every 3 years, MMS analyzes the maximum civil penalty amount in conjunction with the CPI prepared by the U.S. Department of Labor. If an adjustment is necessary, MMS informs the public through the **Federal Register** of the new
