SUPPLEMENTARY INFORMATION:

Summaries for each FAR rule follow. For the actual revisions and/or amendments to these FAR cases, refer to the specific item number and subject set forth in the documents following these item summaries.

FAC 2005–32 amends the FAR as specified below:

Item I—American Recovery and Reinvestment Act of 2009 (the Recovery Act)—Buy American Requirements for Construction Material (Interim) (FAR Case 2009–008)

This interim rule implements the Buy American provision, section 1605, of the American Recovery and Reinvestment Act of 2009. It prohibits the use of funds appropriated for the Recovery Act for any project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. However, section 1605 requires that the Buy American requirement be applied in a manner consistent with U.S. obligations under international agreements. Moreover, because Congress intended that least developed countries be excepted from section 1605, least developed countries can continue to be treated as designated countries. Section 1605 also provides

for waivers under certain limited circumstances.

Item II—American Recovery and Reinvestment Act of 2009 (the Recovery Act)—Whistleblower Protections (Interim) (FAR Case 2009–012)

Subpart 3.9 of the Federal Acquisition Regulation (FAR) is revised to add section 3.907. Section 3.907 provides procedures for whistleblower protection, when using funds appropriated or otherwise provided by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5).

Section 3.907 provides that non-Federal employers are prohibited from discharging, demoting, or discriminating against employees as a reprisal for disclosing certain covered information to certain categories of Government officials. This section further provides definitions relevant to the statute; establishes time periods within which the Inspector General and the agency head must take action with regard to a complaint filed by a contractor employee; establishes procedures for access to investigative files of the Inspector General; and provides for remedies and enforcement authority.

A new clause 52.203–15 is added to require contractors to post rights and remedies for whistleblower protections

under Section 1553 of the American Recovery and Reinvestment Act.

Item III—American Recovery and Reinvestment Act of 2009 (the Recovery Act)—Publicizing Contract Actions (Interim) (FAR Case 2009–010)

This interim rule implements the Office of Management and Budget’s Guidance, M–09–10, “Initial Implementing Guidance for the American Recovery and Reinvestment Act of 2009,” dated February 18, 2009, section 6.2. Federal Acquisition Regulation (FAR) Part 4 requires the contracting officer to enter data in the Federal Procurement Data System on any action funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5), in accordance with the instructions at <https://www.fpds.gov>. Subpart 5.7 is added to direct the contracting officer to use the Governmentwide Point of Entry (<https://www.fedbizopps.gov>) to (1) Identify the action as funded by the Recovery Act; (2) post pre-award notices for orders exceeding \$25,000 for “informational purposes only;” (3) describe supplies and services (including construction) in a narrative that is clear and unambiguous to the general public; and (4) provide a rationale for awarding any action, including modifications and orders, that is not both fixed-price and competitive,

and include the rationale for using other than a fixed-price and/or competitive approach. Parts 8, 13, and 16 are amended to reflect the new posting requirements for orders at Subpart 5.7.

Item IV—American Recovery and Reinvestment Act of 2009 (The Recovery Act)—Reporting Requirements (Interim) (FAR Case 2009–009)

This interim rule implements section 1512 of Division A of the American Recovery and Reinvestment Act of 2009, which requires contractors to report on their use of Recovery Act funds. The rule adds a new subpart 4.15, and a new clause, 52.204–11. Contracting officers must include the new clause in solicitations and contracts funded in whole or in part with Recovery Act funds, except classified solicitations and contracts. This clause applies to Commercial item contracts and Commercially-Available-Off-The-Shelf (COTS) item contracts as well as actions under the Simplified Acquisition Threshold.

Contracting officers who wish to use Recovery Act funds on existing contracts should modify those contracts to add the clause.

Reports from contractors for all work funded, in whole or in part, by the Recovery Act, and for which an invoice is submitted prior to June 30, 2009, are due no later than July 10, 2009. Thereafter, reports shall be submitted no later than the 10th day after the end of each calendar quarter.

Item V—American Recovery and Reinvestment Act of 2009 (The Recovery Act)—GAO/IG Access (Interim) (FAR Case 2009–011)

The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) are issuing an interim rule amending the Federal Acquisition Regulation (FAR) to implement Sections 902, 1514, and 1515 of the American Recovery and Reinvestment Act of 2009. Collectively, these Sections provide for the audit and review of both contracts and subcontracts, and the ability to interview such contractor and subcontractor personnel under contracts containing Recovery Act funds.

These Recovery Act provisions are implemented in new alternate clauses to 52.212–5, “Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items”, 52–214–26, “Audit and Records—Sealed Bidding,” and 52.215–2, “Audit and Records—Negotiation”. For the Comptroller General these alternate clauses provide

specific authority to audit contracts and subcontracts and to interview contractor and subcontractor employees under contracts using Recovery Act funds. Agency inspector generals receive the same authorities, with the exception of interviewing subcontractor employees.

Item VI—GAO Access to Contractor Employees (Interim) (FAR Case 2008–026)

This interim rule amends the Federal Acquisition Regulation (FAR) Parts 12 and 52. Clauses 52.215–2, Audit and Records—Negotiation and 52.214–26, Audit and Records—Sealed Bidding are being modified to allow the Government Accountability Office to interview current contractor employees when conducting audits. The rule will not apply to the acquisition of commercial items; therefore, FAR 12.503 will be amended to add the exemption of this rule. This change implements Section 871 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (NDAA) (Pub. L. 110–417).
