SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request; Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form 2-E under Rule 609, SEC File No. 270-222, OMB Control No. 3235-0233.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 609 (17 CFR 230.609) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires small business investment

companies and business development companies that have engaged in offerings of securities that are exempt from registration pursuant to Regulation E under the Securities Act of 1933 (17 CFR 230.601 to 610a) to report semi-annually on Form 2-E (17 CFR 239.201) the progress of the offering. The form solicits information such as the dates an offering has commenced and has been completed, the number of shares sold and still being offered, amounts received in the offering, and expenses and underwriting discounts incurred in the offering. This information assists the staff in determining whether the issuer has stayed within the limits of an offering exemption.

Form 2-E must be filed semi-annually during an offering and as a final report at the completion of the offering. Less frequent filing would not allow the Commission to monitor the progress of the offering in order to ensure that the issuer was not attempting to avoid the normal registration provisions of the securities laws.

During the calendar year 2008, there were five filings of Form 2-E by three respondents. The Commission estimates, based on its experience with disclosure documents generally and Form 2-E in particular, and based on informal contacts with the investment company industry, that the total annual burden associated with information collection and Form 2-E preparation and submission is four hours per filing or 20 hours for all respondents.

The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the cost of Commission rules and forms.

Form 2-E does not involve any recordkeeping requirements. The information required by the form is mandatory and the information provided will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an email to Shagufta_Ahmed@omb.eop.gov; and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to:

PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 25, 2009.

Florence E. Harmon,

Deputy Secretary.

Extension: Form SE, OMB Control No. 3235-0327, SEC File No. 270-289.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collections of information discussed below.

Form SE (17 CFR 239.64) is used by registrants to file paper copies of exhibits that would be difficult or impossible to submit electronically. The information contained in Form SE is used by the Commission to identify paper copies of exhibits. Form SE is a public document and is filed on occasion. Form SE is filed by individuals, companies or other for-profit organizations that are required to file electronically. Approximately 782 registrants file Form SE and it takes an estimated .10 hours per response for a total annual burden of 78 hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Submission for OMB Review; Comment Request

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form SH; OMB Control No. 3235-0646; SEC File No. 270-585.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form SH (17 CFR 249.326T) is required to be submitted to the Commission by institutional investment managers subject to the existing Form 13F (CFR 249.325) filing requirements on the first business day of each week in which the institutional investment manager has entered into any new short positions or closed part or all of any short positions with respect to any Section 13(f) (15 U.S.C. 78m(f)) securities except for options. The information provided under Form SH is mandatory and responses will be kept confidential. We estimate that 1,000 institutional investment managers subject to the Form 13F filing requirements will file Form SH to report the entry into short positions with respect to Section 13(f) securities. We estimate that each will file 36 Form SH reports during the nine-month period that Rule 10a-3T (17 CFR 240.10a-3T) will be in effect. We further estimate that each of the 1,000 institutional investment managers will spend an average of 20 hours preparing each Form SH. Therefore the estimated total reporting burden associated with Form SH is 720,000 hours (1,000 respondents × 20 hours per form × 36 forms).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
