BILLING CODE 6712-01-P

GENERAL SERVICES ADMINISTRATION

Record of Decision for the Department of Homeland Security Headquarters Consolidation at St. Elizabeths in Southeast, Washington, DC

AGENCY: National Capital Region, U.S. General Services Administration (GSA).

ACTION: Notice; record of decision.

SUMMARY: Pursuant to the requirements of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321-4347, the Council on Environmental Quality Regulations (40 CFR parts 1500-1508), GSA Order PBS P 1095.1F (Environmental considerations in decision-making, dated October 19, 1999), and the GSA Public Buildings Service NEPA Desk Guide, dated October 1999, on December 16, 2008, GSA issued a Record of Decision on the *DHS Headquarters Consolidation at St. Elizabeths Final Environmental Impact Statement (EIS)* (GSA, November 2008) to implement Campus Redevelopment Alternative 5 as defined in the Final EIS. The complete Record of Decision (ROD) can be viewed on the project Web site: <http://www.stelizabethswestcampus.com>.

FOR FURTHER INFORMATION CONTACT: Ms. Denise Decker, NEPA Lead, National Capital Region, General Services Administration, at (202) 538-5643.

SUPPLEMENTARY INFORMATION:

Decision:

It is the decision of the Acting Regional Administrator of GSA, National Capital Region to:

(1) Implement Campus Redevelopment Alternative 5, which requires part of the 4.5 million GSF of secure office space, plus parking, needed for the DHS consolidated headquarters to be located on the St. Elizabeths East Campus. Alternative 5 includes the construction of 3.8 million GSF of office and shared use space in both new and adaptively re-used buildings, together with 3,459 parking spaces for the consolidation of DHS Headquarters at the St. Elizabeths West

Campus in Southeast, Washington, DC. Alternative 5 also includes an additional 750,000 GSF of office and shared use space together with 775 parking spaces that will be located on the St. Elizabeths East Campus. The selection of Alternative 5 contemplates the use of the East Campus parcel for the project. However, the ROD does not authorize any ground disturbing activities on the East Campus. Implementation of ground disturbing activities on the East Campus will be considered in a separate EIS and, unless the no-build alternative is selected, implemented in a separate ROD. In accordance with the conditions set forth in the December 16, 2008 ROD, certain West Campus ground disturbing activities are authorized prior to completion of the contemplated East Campus ROD.

(2) Implement Martin Luther King, Jr. Avenue Traffic Improvement Alternative 2, as defined in Volume 2 of the FEIS. Alternative 2 accommodates left turning lanes into Gates 1 and 2 of the West Campus. Selection of this alternative is based on coordination with, and is subject to, subsequent final determinations of the District of Columbia Department of Transportation (DDOT). Alternative 2 may be implemented immediately after approval by DDOT.

(3) Implement, in cooperation with the Federal Highway Administration (FHWA), Interchange Alternative I-2, as described in Volume II of the Final EIS. Alternative I-2 provides for the construction of a new access road for St. Elizabeths West Campus, from Firth Sterling Avenue to Malcolm X Avenue and connecting to the Malcolm X interchange as outlined in Volume 2 of the Final EIS. Selection of this alternative is based on coordination with FHWA and is subject to its subsequent final determinations.

The ROD documents the specific components of GSA's decision and the rationale for the decision. This decision is based on information and analyses contained in the Draft EIS issued in September 2007; the Final EIS issued in November 2008; the comments of Federal and State agencies, stakeholder organizations, members of the public, and elected officials; and other information in the administrative record.

Issued December 16, 2008 by John F. Phelps, Acting Regional Administrator,

General Services Administration, National Capital Region.

Thomas James,

Deputy Assistant Regional Administrator, Public Buildings Service, National Capital Region.

BILLING CODE 6820-23-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10175]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the Agency's function; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Reinstatement without change of a previously approved collection; *Title of Information Collection:* Certification Statement for Electronic File Interchange Organizations (EFIOs) *Use:* Health care providers can currently obtain a National Provider Identifier (NPI) via a paper application or over the Internet through the National Plan and Provider Enumeration System (NPPES). These applications must be submitted individually, on a per-provider basis. The Electronic File Interchange (EFI) process allows provider-designated electronic file interchange organizations (EFIOs) to capture multiple providers' NPI application information on a single electronic file for submission to NPPES. This process is also referred to as "bulk enumeration." To ensure that the EFIO
