COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED**Procurement List; Additions and Deletions**

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to and deletions from Procurement List.

SUMMARY: This action adds to the Procurement List services to be

furnished by nonprofit agencies employing persons who are blind or have other severe disabilities, and deletes from the Procurement List a product and services previously furnished by such agencies.

DATES: *Effective Date:* May 4, 2009.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202-3259.

FOR FURTHER INFORMATION CONTACT: Barry S. Lineback, Telephone: (703) 603-7740, Fax: (703) 603-0655, or e-mail CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION:

Additions

On January 16, 2009 and January 30, 2009, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (74 FR 2993 and 74 FR 5637) of proposed additions to the Procurement List. No comments were received in response to the Committee's **Federal Register** Notices; however, pertinent comments were received from the contractor currently performing the Facilities Support Operations service at Fort Polk, LA as part of the impact analysis process and are addressed in the following paragraphs.

A representative of the current commercial contractor submitted comments in response to the Committee's letter that requested information to be used in the impact analysis. The comments recommend that this service not be added to the AbilityOne PL for three reasons. The representative commented that a qualified nonprofit agency would not have the capability to perform the services; that adding the services to the PL could have significant adverse impact on the military installation's operational mission; and that adding the services to the PL would have an adverse impact on the current commercial contractor.

Pursuant to 41 U.S.C. 46-48c and 41 CFR Chapter 51, the Committee is responsible for determining which products and services provided by qualified nonprofit agencies are suitable for procurement by the Federal Government. In each instance, the Committee evaluates the potential for employment, the qualification of the nonprofit agency, the capability of the nonprofit agency, and the level of impact.

The comments from the current contractor do not rise to the level of facts sufficient to convince the Committee that this service should not

be added to the PL. The contractor speculates that the services cannot be done by a qualified nonprofit agency and that adding the services to the PL could have an adverse impact on the military's mission accomplishment. Finally, the contractor indicates that adding this service to the PL would have an adverse impact on them and their employees. The first two comments are speculative in nature and the third is not supported by the facts in order to meet the Committee definition of "severe adverse impact". The Committee has conducted the necessary evaluation in this instance and has determined that the specific service is suitable for procurement by the Federal Government.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.
