Proposed Information Collection; Comment Request; Generic Clearance for Program Evaluation Data Collections

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before June 8, 2009.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Darla Yonder, Management Analyst, NIST, 100 Bureau Drive, MS 1710, Gaithersburg, MD 20899-1710, telephone 301-975-4064 or via e-mail to darla.yonder@nist.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

In accordance with Executive Order 12862, the National Institute of Standards and Technology (NIST), a non-regulatory agency of the Department of Commerce, proposes to conduct a number of surveys, both quantitative and qualitative, designed to evaluate our current programs from a customer's perspective. NIST proposes to perform program evaluation data collections by means of, but not limited

to, focus groups, reply cards that accompany product distributions, and Web-based surveys and dialogue boxes that offer customers the opportunity to express their views on the programs they are asked to evaluate. NIST will limit its inquiries to data collections that solicit strictly voluntary opinions and will not collect information that is required or regulated. Steps will be taken to assure anonymity of respondents in each activity covered under this request.

II. Method of Collection

NIST will collect this information by mail, fax, electronically, telephone and person-to-person sessions.

III. Data

OMB Control Number: 0693-0033.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Business or other for profit organizations, not-for-profit institutions, individuals or households, Federal Government, State, Local, or Tribal Government.

Estimated Number of Respondents: 12,000.

Estimated Time per Response: Varied dependent upon the data collection. The response time may vary from two minutes for a response card or two hours for focus group participation. The average time per response is expected to be 30 minutes.

Estimated Total Annual Burden Hours: 3,022.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: April 3, 2009.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

SUPPLEMENTARY INFORMATION:

I. Abstract

In accordance with Executive Order 12862, the National Institute of Standards and Technology (NIST), a non-regulatory agency of the Department of Commerce, proposes to conduct a number of data collection efforts—both quantitative and qualitative—to determine requirements and evaluate usability and utility of NIST research for measurement and standardization work. These data collection efforts may include, but may not be limited to electronic methodologies, empirical studies, video and audio data collections, interviews, and questionnaires. For example, data collection efforts will be conducted at search and rescue training exercises for rescue workers using robots. Other planned data collection efforts include
