RIN 0691-AA67

International Services Surveys: BE-150, Quarterly Survey of Cross-Border Credit, Debit, and Charge Card Transactions

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Final rule.

SUMMARY: This final rule amends regulations of the Bureau of Economic Analysis, Department of Commerce (BEA) to set forth the reporting requirements for a new mandatory survey entitled the BE-150, Quarterly Survey of Cross-Border Credit, Debit, and Charge Card Transactions. The survey will collect from major U.S. credit card companies data on cross-border credit, debit, and charge card transactions between U.S. cardholders traveling abroad and foreign businesses and between foreign cardholders traveling in the United States and U.S. businesses. The BE-150 survey will be conducted on a quarterly basis beginning with the first quarter of 2009.

The BE-150 survey data will be used by BEA in estimating the travel component of the U.S. International Transactions Accounts (ITAs). In constructing the estimates, these data

will be used in conjunction with data BEA is collecting separately from U.S. and foreign travelers on the Survey of International Travel Expenditures on the methods these travelers used to pay for their international travel, such as credit, debit, and charge card purchases, cash withdrawals, currency brought from home, and travelers' checks.

DATES: This final rule will be effective May 8, 2009.

FOR FURTHER INFORMATION CONTACT:

Chris Emond, Chief, Special Surveys Branch, (BE-50), Balance of Payments Division, Bureau of Economic Analysis, U.S. Department of Commerce, Washington, DC 20230; e-mail christopher.emond@bea.gov; or phone (202) 606-9826.

SUPPLEMENTARY INFORMATION: In the September 18, 2008 **Federal Register**, 73 FR 54095, BEA published a notice of proposed rulemaking to amend 15 CFR 801.9 to set forth reporting requirements for a new mandatory survey entitled BE-150, Quarterly Survey of Cross-Border Credit, Debit, and Charge Card Transactions. No comments were received on the proposed rule. Thus, the proposed rule is adopted without change.

Description of Changes

The BE-150 survey is a mandatory survey and will be conducted, beginning with transactions for the first quarter of 2009, by BEA under the International Investment and Trade in Services Survey Act (22 U.S.C. 3101-3108), hereinafter, "the Act." For the initial quarter of coverage, BEA will send the survey to potential respondents in April of 2009; responses will be due by May 30, 2009.

The BE-150 survey will collect from the U.S. credit card companies data covering cross-border credit, debit, and charge card transactions between U.S. cardholders traveling abroad and foreign businesses and between foreign cardholders traveling in the United States and U.S. businesses—by country of the transaction (for U.S. cardholders) or by country of residency of the cardholder (for foreign cardholders). Credit card companies that operate networks used to clear and settle credit card transactions between issuing banks and acquiring banks would be responsible for reporting on this survey. Issuing banks, acquiring banks, and individual cardholders will not be required to report. Data will be collected by the type of transaction, by type of card, by spending category, and by country. Data on credit card transactions of U.S. cardholders traveling abroad and foreign cardholders traveling in the

United States will be collected at an aggregate level from the U.S. credit card companies; data on the transactions of individuals will not be collected.

Survey Background

The Bureau of Economic Analysis (BEA), U.S. Department of Commerce, will conduct the survey under the International Investment and Trade in Services Survey Act (22 U.S.C. 3101-3108), hereinafter, "the Act." Section 4(a) of the Act (22 U.S.C. 3103(a)) provides that the President shall, to the extent he deems necessary and feasible, conduct a regular data collection program to secure current information related to international investment and trade in services and publish for the use of the general public and United States Government agencies periodic, regular, and comprehensive statistical information collected pursuant to this subsection.

In Section 3 of Executive Order 11961, as amended by Executive Orders 12318 and 12518, the President delegated the responsibilities under the Act for performing functions concerning international trade in services to the Secretary of Commerce, who has redelegated them to BEA.

The survey provides a basis for compiling the travel account of the United States international transactions accounts. In constructing the estimates, these data will be used in conjunction with data BEA is collecting separately from U.S. and foreign travelers on the Survey of International Travel Expenditures on the methods these travelers used to pay for international travel expenditures. With the two data sources, BEA will be able to estimate total expenditures by foreign travelers in the United States (U.S. exports) and total expenditures by U.S. travelers abroad (U.S. imports) by country and region.

Executive Order 12866

This final rule has been determined to be not significant for purposes of E.O. 12866.

Executive Order 13132

This final rule does not contain policies with Federalism implications sufficient to warrant preparation of a Federal assessment under E.O. 13132.

Paperwork Reduction Act

The collection-of-information in this final rule has been approved by the Office of Management and Budget (OMB) under control number 0608-0072 pursuant to the requirements of the Paperwork Reduction Act.

Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection displays a currently valid Office of Management and Budget Control Number. The collection will display this number.

The BE-150 quarterly survey is expected to result in the filing of reports from four respondents on a quarterly basis, or 16 reports annually. The respondent burden for this collection of information will vary from one respondent to another, but is estimated to average 16 hours per response (64 hours annually), including time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Thus, the total respondent burden for the BE-150 survey is estimated at 260 hours.

Written comments regarding the burden-hour estimate or any other aspect of this collection of information contained in this final rule should be sent to (1) the Bureau of Economic Analysis via mail to U.S. Department of Commerce, Bureau of Economic Analysis, Chris Emond, Chief, Special Surveys Branch (BE-50), Washington, DC 20230, via e-mail at christopher.emond@bea.gov, or by FAX at 202-606-5318; and (2) the Office of Management and Budget, O.I.R.A., Paperwork Reduction Project, Attention PRA Desk Officer for BEA, via e-mail at pbugg@omb.eop.gov, or by FAX at 202-395-7245.

Exchange Visitor Program—Au Pairs

AGENCY: Department of State.

ACTION: Final rule.

SUMMARY: On June 19, 2008, the Department of State published an interim final rule to revise existing regulations and thereby permit qualified au pairs to participate again in the au pair program after completing a period of at least two years of residency outside the United States following the end date of his or her initial exchange visitor program. The regulations contained in the interim final rule are adopted without change.

DATES: The interim rule published at 73 FR 34861, June 19, 2008 is adopted as final without change effective April 8, 2009.

FOR FURTHER INFORMATION CONTACT:

Stanley S. Colvin, Deputy Assistant Secretary, Office of Private Sector Exchange, U.S. Department of State, SA-44, 301 4th Street, SW., Room 734, Washington, DC 20547; or e-mail at jexchanges@state.gov.

SUPPLEMENTARY INFORMATION: On June 19, 2008, the Department of State published an interim final rule with request for comments whether to allow a foreign national who previously participated in the au pair program to repeat the program. One comment was received in response to the document that had no relevance to the rule. The Department has determined that an au pair who has successfully completed the au pair program may repeat program participation provided that he or she has resided outside the United States for a period of at least two years after the completion of initial participation in the au pair program (including the educational component requirement) and is within the regulatory age range for eligibility. An au pair who has previously participated is likely to be more familiar with the American culture (thereby quickly overcoming cultural challenges), is a proven successful caretaker, and will be able to build on the skills previously acquired.

For the foregoing reasons, the Department is promulgating the interim final rule as a final rule.
