

DC), Room B102, EPA West Building, 1301 Constitution Avenue, NW., Washington, DC, Attention Docket ID No. EPA-HQ-ORD-2009-0260.

Note: This is not a mailing address. Such deliveries are only accepted during the docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD-2009-0260. EPA's policy is that all comments received will be included in the public docket without change and may be made available Online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA's public docket visit the EPA Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically in <http://www.regulations.gov> or in hard copy at the Board of Scientific Counselors (BOSC) Executive Committee Meeting—

May 2009 Docket, EPA/DC, EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the ORD Docket is (202) 566-1752.

FOR FURTHER INFORMATION CONTACT: The Designated Federal Officer via mail at: Lorelei Kowalski, Mail Code 8104-R, Office of Science Policy, Office of Research and Development, Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via phone/voice mail at: (202) 564-3408; via fax at: (202) 565-2911; or via e-mail at: kowalski.lorelei@epa.gov.

SUPPLEMENTARY INFORMATION:

General Information

Any member of the public interested in receiving a draft BOSC agenda or making a presentation at the conference call may contact Lorelei Kowalski, the Designated Federal Officer, via any of the contact methods listed in the **FOR FURTHER INFORMATION CONTACT** section. In general, each individual making an oral presentation will be limited to a total of three minutes.

The agenda items for this conference call include, but are not limited to: (1) Discuss a committee proposal to revise the format of BOSC mid-cycle and program review reports, and (2) receive an update on the Value of Information workgroup. The conference call is open to the public.

Information on Services for Individuals with Disabilities: For information on access or services for individuals with disabilities, please contact Lorelei Kowalski at (202) 564-3408 or kowalski.lorelei@epa.gov. To request accommodation of a disability, please contact Lorelei Kowalski, preferably at least 10 days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: April 8, 2009.

Mary Ellen Radzikowski,

Acting Director, Office of Science Policy.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-8892-6]

Science Advisory Board Staff Office; Notification of a Public Meeting of the Science Advisory Board Integrated Nitrogen Committee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces a public meeting of the SAB Integrated Nitrogen Committee (INC) to discuss the committee's draft report.

DATES: The SAB INC will conduct a public meeting on May 14-15, 2009. The meeting will begin at 9 a.m. Eastern Time on May 14, 2009 and adjourn no later than 5:30 p.m. The meeting will begin at 8:30 a.m. on May 15, 2009 and adjourn no later than 3 p.m.

ADDRESSES: Holiday Inn Georgetown, 2101 Wisconsin Avenue, NW., Washington, DC 20007.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing to obtain general information concerning the public meeting may contact Dr. Angela Nugent, Designated Federal Officer (DFO), via telephone at: (202) 343-9981 or e-mail at nugent.angela@epa.gov. General information concerning the EPA Science Advisory Board can be found on the EPA Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION: The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Background: The SAB INC is studying the need for integrated research and strategies to reduce reactive nitrogen in the environment. At the global scale, reactive nitrogen from human activities now exceeds that produced by natural terrestrial ecosystems. Reactive nitrogen both benefits and impacts the health and welfare of people and ecosystems. Scientific information suggests that reactive nitrogen is accumulating in the environment and that nitrogen cycling through biogeochemical pathways has a variety of consequences. Information about the committee's previous

meetings is available on the SAB Web site at http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/Nitrogen%20Project.

The purpose of the meeting is for the SAB INC to discuss the committee's draft report addressing the environmental problems presented by reactive nitrogen and providing recommendations related to an integrated nitrogen management strategy.

Availability of Meeting Materials: Agendas and materials in support of the meeting will be placed on the SAB Web site at <http://www.epa.gov/sab> in advance of each teleconference.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for the SAB INC to consider during the advisory process. *Oral Statements:* In general, individuals or groups requesting an oral presentation at a public face-to-face meeting will be limited to three minutes per speaker, with no more than a total of one hour for all speakers. Each person making an oral statement should consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. Interested parties should contact the DFO, in writing (preferably via e-mail) at the contact information noted above, by May 7, 2009 to be placed on the list of public speakers for the meeting. *Written Statements:* Written statements should be received in the SAB Staff Office by May 7, 2009 so that the information may be made available to the Committee members for their consideration. Written statements should be supplied to the DFO in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format). Submitters are requested to provide versions of each document submitted with and without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites.

Accessibility: For information on access or services for individuals with disabilities, please contact Dr. Angela Nugent at (202) 343-9981 or nugent.angela@epa.gov. To request accommodation of a disability, please contact Dr. Nugent preferably at least ten days prior to the teleconferences to give EPA as much time as possible to process your request.

Dated: April 9, 2009.

Vanessa T. Vu,

Director, EPA Science Advisory Board Staff Office.

Method and Format for Submitting Risk Management Plans (RMPs) Under Section 112(r) of the Clean Air Act

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: This notice provides information on the method and format for submitting risk management plans (RMPs) under EPA's Chemical Accident Prevention regulations. These regulations require owners and operators of stationary sources subject to the regulations to submit RMPs on their processes in a method and format specified by EPA. A new RMP submission method, called RMP*eSubmit, should be used by facilities submitting their RMPs electronically beginning March 13, 2009. The new submission method will be On-line via EPA's secure Web site.

FOR FURTHER INFORMATION CONTACT:

Armando Santiago, Evaluation and Communications Division, Office of Emergency Management (Mail Code 5104A), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460 at (202) 564-8002 or e-mail address: Santiago.Armando@epa.gov, or contact Peter Gattuso, Regulation and Policy Development Division, Office of Emergency Management (Mail Code 5104A), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460 at (202) 564-7993 or e-mail address: Gattuso.Peter@epa.gov.

I. General Information

A. What Are the Affected or Regulated Entities?

Entities affected by this action are those stationary sources that are subject to the chemical accident prevention requirements in 40 CFR part 68. Affected categories and entities include, but are not limited to, chemical manufacturers, refineries, other manufacturers, agricultural retailers, public sources, utilities, cold storage facilities, warehouses, wholesalers, and Federal sources.

B. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established a docket for this action under Docket ID No. EPA-HQ-OAR-2003-0044. Publicly available docket materials are available either electronically through <http://www.regulations.gov> or in hard copy at the Air Docket in the EPA Docket Center, EPA West, Room 3334, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the reading room is (202) 566-1744, and the telephone number for the Air Docket is (202) 566-1742.

2. *Electronic Access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

SUPPLEMENTARY INFORMATION: The chemical accident prevention regulations in 40 CFR part 68 require stationary sources to submit their RMPs to a central location in a method and format specified by EPA. EPA has now developed a new system for facilities to submit their RMPs. The new system, called RMP*eSubmit, is an on-line submission system. EPA's existing system for accepting RMPs on diskette, called RMP*Submit, has been in place since early 1999 for the first submission deadline, June 21, 1999, and will be discontinued. Those facilities that are unable to submit RMPs using the on-line submission system may still submit their RMPs in paper form.

Beginning March 13, 2009, EPA will ask facilities to submit their RMPs Online via EPA's secure Web site, <https://cdx.epa.gov>. This secure portal manages thousands of data submissions from States and industry. For sources that have submitted an RMP previously, EPA will mail them a letter with directions on how to submit their RMPs Online. For sources that are submitting an RMP for the first time, EPA will provide instructions for using the Online system via the Agency's public Web site at <http://www.epa.gov/emergencies/rmp>. EPA has also developed a user's manual to provide additional information on using the new reporting system. The user's manual will also be available at the above public Web site.

EPA is not requiring any new data elements with this new reporting system. The current requirements are approved by the Office of Management and Budget (OMB) under the paperwork
