Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The DC School Choice Incentive Program, established under the DC School Choice Incentive Act of 2003 (Act), provides low-income parents residing in the District of Columbia (District) with expanded options for the education of their children.

Background: For FY 2009, the Department will be awarding one grant on a competitive basis to an eligible applicant to continue a scholarship program to provide students who currently have scholarships under this program with scholarships for the 2009–2010 school year. Students are eligible to receive scholarships under this program if they (1) are residents of the District, and (2) come from households whose income does not exceed 200 percent (or, in the case of an eligible student whose first year of participation in the program was an academic year ending in June 2005 or June 2006 and whose second or succeeding year is an academic year ending on or before June 2009, 300 percent) of the poverty line. These scholarships may be used to pay tuition and fees and transportation expenses, if any, to enable students to attend a participating District nonpublic elementary or secondary school.

Under the absolute priority established in this notice, funds awarded under this competition may only be used to award scholarships to students currently participating in this program. Accordingly, in addition to the requirements described in the preceding paragraph, to be eligible for a scholarship for the 2009–2010 school year, a student must currently be receiving a scholarship through the DC School Choice Incentive Program.

We are establishing this absolute priority in light of the prohibition in Public Law 111–8, the Omnibus Appropriations Act, 2009, against using funds appropriated under that law, or any other law, for scholarships under this program after the conclusion of the 2009–2010 school year and the direction in the Joint Explanatory Statement for Public Law 111–8 to limit scholarships for 2009–2010 to students who are currently receiving scholarships under this program. Specifically, Public Law 111–8 provides, with respect to this program that "use of any funds in this Act or any other [law] for opportunity scholarships after school year 2009–2010 shall only be available upon enactment of reauthorization of that program by Congress and the adoption of legislation by the District of Columbia approving such reauthorization." In

addition, the Joint Explanatory Statement for Public Law 111–8 directs that "[f]unding provided for the private scholarship program shall be used for currently-enrolled participants rather than new applicants." The Chancellor of the District of Columbia Public Schools is directed to "promptly take steps to minimize potential disruption and ensure smooth transition for any students seeking enrollment in the public school system as a result of any changes made to the private scholarship program affecting periods after school year 2009–2010." See the Joint Explanatory Statement, Division D, Title VIII, Federal Payment for School Improvement, at <http://thomas.loc.gov/home/approp/app09.html>.

Priorities: We are establishing this priority for the FY 2009 grant competition only in accordance with section 437(d)(2) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(2).

Absolute Priority: For FY 2009, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Scholarships for Currently Enrolled Participants During the 2009–2010 School Year.

Scholarship funds must be used to provide scholarships during the 2009–2010 school year only to currently enrolled participants who are DC residents and meet the eligibility requirements related to family income. Funds awarded under this competition may not be used to provide scholarships for new applicants or for current scholarship recipients after the 2009–2010 school year.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed priorities, selection criteria, and non-statutory requirements. Section 437(d)(2) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations where application of those requirements will cause extreme hardship to the intended beneficiaries of the program. Conducting notice-and-comment rulemaking for the absolute priority, selection criteria, and non-statutory requirement (in section III.3.(c)) established in this notice would preclude timely implementation of this program for the 2009–2010 school year and, thereby, cause extreme hardship to the intended beneficiaries of this program, namely those students who are currently receiving scholarships under this program and are eligible to receive scholarships in the 2009–2010 school

year. In order to ensure the timely award of scholarships and continued participation of these students in this program for the upcoming school year, the Secretary has decided to forgo comment on the absolute priority, selection criteria, and non-statutory requirement (in section III.3.(c)) under section 437(d)(2) of GEPA. The absolute priority, selection criteria, and non-statutory requirement (in section III.3.(c)) will apply to the FY 2009 grant competition only.

Program Authority: DC Code §§ 38–1851.01–38–1851.11; Omnibus Appropriations Act, 2009, Public Law No. 111–8.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

A grantee must ensure that the amount of any tuition or fees charged by a school to a student participating in the program does not exceed the amount of tuition or fees that the school customarily charges to students who do not participate in the program. V. **Application Review Information**

1. *Selection Criteria:* We are establishing the following selection criteria for the FY 2009 grant competition only in accordance with section 437(d)(2) of GEPA, 20 U.S.C. 1232(d)(2). The maximum score for all of the selection criteria is 120 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(a) *Selection of students (up to 10 points).* In determining the quality of the applicant's plan for the selection of students to receive scholarships, the Secretary considers the extent to which—

(i) The application provides a description of the lottery that would be used for selecting students to attend a participating school if more students apply to, and are accepted for enrollment by, that school than it can accommodate; and

(ii) The application provides assurances and appropriate documentation that the applicant, if funded, will cooperate with the

evaluation contractor selected by the Department and the District of Columbia Government in planning and implementing the lottery for selecting program participants.

(b) *Notification of parents (up to 10 points)*. In determining the quality of the applicant's plan to notify parents of currently participating students about schools they may attend, the Secretary considers the extent to which the application provides evidence that parents will receive sufficient information about their options to allow them to make informed decisions, including, but not limited to, information on each participating school about the qualifications of its teachers; the educational philosophy and available courses and programs of the school; the achievement of the school's students; student expectations (such as uniforms, discipline policy, honor code, and required classes); and the safety and school environment of the school.

(c) *Amount of scholarship (up to 10 points)*. In determining the quality of the applicant's plan for establishing the amount of a scholarship to an eligible student, the Secretary considers the extent to which the applicant's methods—

(i) Provide a mechanism to award scholarships for tuition and fees, and transportation expenses, if any, in larger amounts to those eligible students with the greatest need, provided they do not exceed the maximum annual scholarship amount; and

(ii) Ensure that the amount of tuition and fees charged by a participating school to a scholarship student under the program will not exceed the amount of tuition and fees that the school customarily charges to students who do not participate in the program.

(d) *Participating schools (up to 10 points)*. In determining the quality of the applicant's plan for identifying participating nonpublic schools, the Secretary considers the extent to which the application—

(i) Describes the applicant's plan to seek out non-public elementary and secondary schools that operate lawfully in the District, to participate in the program during the 2009–2010 school year;

(ii) Describes how the applicant will ensure that participating schools will comply with the requirements of the Act and will provide the information needed for the applicant to meet the reporting requirements of the Act; and

(iii) Describes how the applicant will ensure that participating schools are financially responsible and will use the

funds received under this program effectively.

(e) *Renewal of scholarships (up to 20 points)*. In determining the quality of the applicant's plan for the renewal of scholarships, the Secretary considers the applicant's methods for determining the eligibility of participating students to continue in the program.

(f) *Quality of project personnel (up to 20 points)*. In determining the quality of the personnel of the proposed project, the Secretary considers the qualifications, including relevant training and experience, of the project director, other key personnel, and any project consultants in such areas as—

(i) Working with schools, parents, and government officials;

(ii) Operating a scholarship program; and

(iii) Establishing and maintaining record-keeping requirements.

(g) *Organizational capability (up to 20 points)*. In determining the applicant's organizational capability, the Secretary considers—

(i) The amount and quality of experience the applicant has with the types of activities it proposes to undertake in its application, such as conducting outreach, administering funds, tracking scholarships, and ensuring that scholarship funds are used for the payment of tuition and fees and transportation expenses, if any, in accordance with the Act; and

(ii) The applicant's financial soundness.

(h) *Reports (up to 10 points)*. In determining the quality of the applicant's reporting plan, the Secretary considers the extent to which the applicant's plan for assembling the information and submitting activities reports, achievement reports, and reports to parents complies with the requirements under section 310 of the Act.

(i) *Collection of data (up to 10 points)*. In determining the quality of the applicant's plan to collect data, the Secretary considers the extent to which the applicant documents how it will cooperate with the evaluation contractor to collect data, including, but not limited to, student and parent demographics and income, parent perception of a student's current school (including safety), parent awareness of their choice options, contact information for parents, and consent forms for ongoing data collection.

VI. Award Administration Information

1. *Award Notices*: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification

(GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements*: We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting*: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures*: The long-term performance indicator for this program is whether, at the end of the program, the student achievement gains of participants are greater than that of students in control or comparison groups. Data for the performance measure will be collected through the program evaluation.
