

Application Process

1. Required Information

A broker who meets the requirements set forth above may apply to participate in the BSA Pilot by submitting certain information and documentation to CBP. The information in this submission will be collectively referred to as the "BSA Pilot Application" and will consist of:

- a. The broker's license number.
- b. The broker's legal entity type (*i.e.*, sole proprietorship, partnership, association or corporation).

- o. A statement as to whether the broker has documented policies and procedural manuals relating to CBP business.

2. CBP Review of BSA Pilot Application and Acceptance Into Program

After closure of the application period, CBP will review the BSA Pilot Applications received. CBP plans to select a limited number of broker

applicants to participate in the BSA Pilot who are representative of key sectors of the brokerage community or whose structure and processes present potential challenges. Each broker chosen to participate will be provided with a BSA Participation Agreement and BSA Pilot Questionnaire for completion. A CBP multi-disciplinary team consisting of regulatory auditors, national account managers, and other field personnel necessary to conduct a review will then visit the applicant for a consultation to discuss and review the broker's internal controls on how they conduct their customs business. The purpose of the consultation will be to determine if the applicant has sufficient and adequate controls to be able to assess their own compliance with the statutory and regulatory requirements of 19 U.S.C. 1641 and 19 CFR part 111. The broker will be accepted into the BSA Pilot if CBP determines the applicant's internal controls are maintained and updated and the applicant is prepared to perform periodic testing of its internal control system based on risk; make appropriate adjustments to the internal controls system with an eye toward improvement; inform CBP, through certain voluntary disclosures permitted under the BSA Pilot, of deficiencies identified in periodic testing; and maintain an audit trail linking financial records to entries filed with CBP. At that time, CBP will countersign the BSA Participation Agreement. If a broker does not maintain these obligations, CBP reserves the right, in its discretion, to disqualify a broker from participation in the BSA Pilot.

Detailed information concerning the BSA Pilot and the questionnaire will be available on the CBP Internet Web site at: http://www.cbp.gov/xp/cgov/trade/trade_programs/bsa.

Evaluation of BSA Pilot

CBP intends to review the BSA Pilot within one year after its effective date to measure its effects and achievements, and recommend whether the BSA program will become a permanent program.
