General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On March 14, 2008, the Commission instituted this investigation, based on a complaint filed by Farouk Systems, Inc. ("FSI") of Houston, Texas. The respondents named in the notice of investigation were: CHI Systems Singapore Pte. Ltd. of Singapore ("CHI Systems"); Princess Silk, LLC ("Princess Silk") of Lake Forest, California; Kamashi International of Hong Kong, China ("Kamashi"); Mount Rise Ltd. ("Mount Rise") of Dongguan, China; and Dongguan Fumeikang Electrical Technology Co., Ltd. ("Dongguan Fumeikang") of Dongguan, China. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. On May 21, 2008, Dongguan Fumeikang was terminated from this investigation on the basis of a consent order. See Order No. 8. The Commission determined not to review Order No. 8 on June 13, 2008. On December 4, 2008, Princess Silk was terminated from this investigation on the basis of a consent order. See Order No. 11. The Commission determined not to review Order No. 11 on December 23, 2008.

On November 10, 2008, FSI filed a motion requesting an order directing the remaining respondents, Mount Rise, Kamashi, and CHI Systems, to show cause why they should not be found in default for failure to respond to the complaint and Notice of Investigation.

On December 5, 2008, the ALJ issued Order No. 12, which ordered Mount Rise, Kamashi and CHI Systems to show cause why they should not be found in default. No responses to Order No. 12 were filed. On January 30, 2009, the ALJ issued Order No. 13, an ID granting FSI's motion to find Mount Rise, Kamashi, and CHI Systems in default for failure to respond to Order No. 12. No petitions for review were filed. The Commission determined not to review Order No. 13.

FSI also filed a motion for summary determination of violation by Mount Rise, Kamashi, and CHI Systems on November 10, 2008. These entities were the last remaining respondents, the investigation having been terminated based on consent orders with respect to all other respondents. Pursuant to Commission Rule 210.16(c)(2), 19 CFR 216(c)(2), FSI declared that it would seek a general exclusion order when it filed its motion for summary determination of violation.

On March 10, 2009, the ALJ issued the subject ID, Order No. 14, granting FSI's motion for summary determination of violation. He also issued his recommendations on remedy and bonding. No petitions for review were filed. The Commission has determined not to review Order No. 14. The Commission has also determined to extend the target date for completion of the investigation by 17 days, *i.e.*, until June 29, 2009.

In connection with the final disposition of this investigation, the Commission may (1) issue an order that could result in the exclusion of the subject articles from entry into the United States, and/or (2) issue one or more cease and desist orders that could result in the respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, *see In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission
