**Peanut Standards Board**

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Notice; request for nominations.

**SUMMARY:** The Farm Security and Rural Investment Act of 2002 requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the Secretary on quality and handling standards for domestically produced and imported peanuts. The initial Board was appointed by the Secretary and announced on December 5, 2002. USDA seeks nominations for individuals to be considered for selection as Board members for terms of office ending June 30, 2011, and June 30, 2012. Selected nominees sought by this action would fill two currently vacant industry representative positions for the remainder of terms of office ending June 30, 2011, and six producer and industry representatives who are currently serving for the term of office that ends June 30, 2009. The Board consists of 18 members representing producers and industry representatives.

**DATES:** Written nominations must be received on or before May 29, 2009.

**ADDRESSES:** Nominations should be sent to Dawana J. Clark, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, Unit 155, 4700 River Road, Riverdale, MD 20737; Telephone: (301) 734-5247; Fax: (301) 734-5275; e-mail: [Dawana.Clark@usda.gov](mailto:Dawana.Clark@usda.gov).

**SUPPLEMENTARY INFORMATION:** Section 1308 of the Farm Security and Rural Investment Act of 2002 (Farm Bill) requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the Secretary regarding the establishment of quality and handling standards for all domestic and imported peanuts marketed in the United States. The Farm Bill requires the Secretary to consult with the Board before the Secretary establishes or changes quality and handling standards for peanuts.

The Farm Bill provides that the Board consist of 18 members, with three

producers and three industry representatives from the States specified in each of the following producing regions: (a) Southeast (Alabama, Georgia, and Florida); (b) Southwest (Texas, Oklahoma, and New Mexico); and (c) Virginia/Carolina (Virginia and North Carolina).

For the initial appointments, the Farm Bill required the Secretary to stagger the terms of the members so that: (a) One producer member and peanut industry member from each peanut producing region serves a one-year term; (b) one producer member and peanut industry member from each peanut producing region serves a two-year term; and (c) one producer member and peanut industry member from each peanut producing region serves a three-year term. The term "peanut industry representatives" includes, but is not limited to, representatives of shellers, manufacturers, buying points, marketing associations and marketing cooperatives. The Farm Bill exempted the appointment of the Board from the requirements of the Federal Advisory Committee Act. The initial Board was appointed by the Secretary and announced on December 5, 2002.

USDA invites those individuals, organizations, and groups affiliated with the categories listed above to nominate individuals for membership on the Board. Nominees sought by this action would fill two currently vacant industry representative positions for the remainder of terms of office ending June 30, 2011, one from the Southeast and one from the Virginia-Carolina peanut producing regions. Nominees sought by this action would also replace six additional positions, one producer and one industry member from each peanut producing region who served for the term of office that ends June 30, 2009. New members filling the two current vacancies would serve the remaining 3-year term of office ending June 30, 2011. New members filling the positions expiring on June 30, 2009, would serve for a 3-year term of office ending June 30, 2012.

Nominees should complete a Peanut Standards Board Background Information form and submit it to Mrs. Clark at the address provided in the "Addresses" section above. Copies of this form may be obtained at the Internet site: <http://www.ams.usda.gov/fv> (below the "See Also" section, select "More" then select "Peanut Quality Standards" and below "News" select Background Information Form), or from Mrs. Clark. USDA seeks a diverse group of members representing the peanut industry.

Equal opportunity practices will be followed in all appointments to the Board in accordance with USDA policies. To ensure that the recommendations of the Board have taken into account the needs of the diverse groups within the peanut industry, membership shall include, to the extent practicable, individuals with demonstrated abilities to represent minorities, women, persons with disabilities, and limited resource agriculture producers.
