

request for, or acquisition of, a record pertaining to another person under false pretenses is a criminal offense.

Persons requesting notification by telephone must verify their identity by providing identifying information that parallels the information in the record to which notification is being requested. If we determine that the identifying information the person provides by telephone is insufficient, the person will be required to submit a request in writing or in person. If a person requests information by telephone on behalf of another individual, the subject person must be on the telephone with the requesting person and us in the same phone call. We will establish the subject person's identity (his or her name, SSN, address, date of birth, and place of birth, along with one other piece of information such as mother's maiden name), and ask for his or her consent to provide information to the requesting person.

Persons requesting notification submitted by mail must include a notarized statement to us to verify their identity or must certify in the request that they are the person they claim to be and that they understand that the knowing and willful request for, or acquisition of, a record pertaining to another person under false pretenses is a criminal offense. These procedures are in accordance with SSA Regulations (20 CFR 401.40).

RECORD ACCESS PROCEDURES:

Same as notification procedures. Requesters should also reasonably specify the record contents being sought. These procedures are in accordance with SSA Regulations (20 CFR 401.40(c)). Some of the documents are compiled in anticipation of litigation and, thus, may be exempt from the access provisions of the Privacy Act (5 U.S.C. 552a(d)(5)).

CONTESTING RECORD PROCEDURES:

Same as notification procedures. Requesters should also reasonably identify the record, specify the information they are contesting, and state the corrective action sought and the reasons for the correction with supporting justification showing how the record is incomplete, untimely, inaccurate, or irrelevant. These procedures are in accordance with SSA Regulations (20 CFR 401.65(a)).

RECORD SOURCE CATEGORIES:

Information in this system is obtained from claimants; their representatives; appropriate members of the public, SSA, and other Federal, State, and local agencies.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE PRIVACY ACT:

None.

Pipeline and Hazardous Materials Safety Administration

[Docket: PHMSA-2009-0057]

Pipeline Safety: Agency Information Collection Activities: Notice of Request for Extension of Currently Approved Information Collections

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), U.S. Department of Transportation (DOT).

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (PRA), this notice announces that the Information Collection Requests (ICRs) abstracted below will be forwarded to the Office of Management and Budget (OMB) for review and comments. The ICRs describe the nature of the information collections and their expected burden. A **Federal Register** Notice with a 60-day comment period soliciting comments on ICRs was published in the **Federal Register** on February 20, 2009 (73 FR 7955) under Docket No. PHMSA-2009-0057. Two comments were received. The purpose of this notice is to allow the public an additional 30 days to submit comments on the information collections described below and respond to comments submitted to the 60-day notice.

DATES: Interested persons are invited to submit comments on or before May 29, 2009.

ADDRESSES: Send comments directly to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attn: Desk Officer for the Department of Transportation, 725 17th Street, NW., Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Cameron Satterthwaite at (202) 366-1319, or by e-mail at cameron.satterthwaite@dot.gov.

SUPPLEMENTARY INFORMATION: Section 1320.8(d), Title 5, Code of Federal Regulations requires Federal agencies to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies information

collection requests that PHMSA will be submitting to OMB for renewal and extension. These information collections are contained in the pipeline safety regulations, 49 CFR parts 190-199.

PHMSA received two comments on information collection OMB Control No. 2137-0610, entitled "Pipeline Integrity Management in High Consequence Areas Gas Transmission Pipeline Operators," from Southwest Gas Corporation (Southwest) and Paiute Pipeline Company (Paiute). Southwest and Paiute both commented that the burden hour estimate was low and further requested PHMSA to convene a workshop to explore the burden hours estimate, including improvements that could be made. PHMSA will consider these comments and make efforts to pursue methods of addressing Southwest's and Paiute's concerns prior to the next renewal period. However, at this time PHMSA is forwarding this information collection request to OMB as this information collection will expire May 31, 2009.

PHMSA has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on changes in proposed or final rules published since the information collections were last approved. The following information is provided for each information collection: (1) Title of the information collection; (2) OMB control number; (3) type of request; (4) abstract of the information collection activity; (5) description of affected public; (6) estimate of total annual reporting and recordkeeping burden; and (7) frequency of collection. PHMSA will request a three-year term of approval for each information collection activity.

PHMSA requests comments on the following information collections:

Title: Pipeline Safety: Response Plans for Onshore Oil Pipelines.

OMB Control Number: 2137-0589.

Type of Request: Renewal of a currently approved information collection.

Abstract: 49 CFR part 194 requires an operator of an onshore oil pipeline facility to prepare and submit an oil spill response plan to PHMSA for review and approval.

Estimated number of respondents: 367.

Estimated annual burden hours: 50,186 hours.

Frequency of collection: On occasion.

Title: Pipeline Safety: Pipeline Integrity Management in High Consequence Areas Gas Transmission Pipeline Operators.

OMB Control Number: 2137-0610.

Type of Request: Renewal of a currently approved information collection.

Abstract: 49 CFR 192.947 requires operators of gas transmission pipelines located in or near high consequence areas to maintain a written integrity management program and records showing compliance with 49 CFR part 192, subpart O. In addition, operators must submit documentation relative to their integrity management program to PHMSA as applicable.

Estimated number of respondents: 721.

Estimated annual burden hours: 1,030,343 hours.

Frequency of collection: On occasion.

Issued in Washington, DC, on April 23, 2009.

Federal Transit Administration

[Docket FTA-2009-0003]

Notice of Policy Statement for Eligible New Freedom Projects

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Notice.

SUMMARY: The Federal Transit Administration (FTA) is expanding the type of projects it considers to be "beyond the ADA" and thus increase the types of projects eligible for funding

under the New Freedom program. Under this interpretation, new and expanded fixed route and demand responsive transit service planned for and designed to meet the needs of individuals with disabilities are eligible projects.

DATES: Effective Date: May 29, 2009.

FOR FURTHER INFORMATION CONTACT: David Schneider, Transportation Program Specialist, Federal Transit Administration, 1200 New Jersey Ave. SE., Washington, DC 20590, (202) 493-0175, or e-mail, David.Schneider@dot.gov; or Bonnie Graves, Attorney-Advisor, same address, (202) 366-0944 or e-mail, Bonnie.Graves@dot.gov.

SUPPLEMENTARY INFORMATION:

Background

The New Freedom Program (49 U.S.C. 5317) was established to fund capital and operating expenses that support new public transportation services and public transportation alternatives beyond those required by the Americans with Disabilities Act (ADA), in order to assist individuals with disabilities with transportation, including transportation to and from jobs and employment support services.

When developing guidance for the New Freedom program, FTA initially proposed that "new public transportation services" and "public transportation alternatives beyond those required by the ADA" be considered separate categories of service. (See 71 FR 13456, Mar. 15, 2006.) Subsequent to
