

ACTION: Notice of cancellation of the auction under the Competitive Loan Auction Pilot Program for the right to originate PLUS loans to new parent borrowers under the Federal Family Education Loan (FFEL) Program.

SUMMARY: Through this notice, the Secretary of Education (the Secretary) announces the cancellation of the auction (Auction) that was scheduled to occur on April 15, 2009 under the Competitive Loan Auction Pilot Program (Auction Program) for the rights to originate PLUS loans to parent borrowers under the FFEL Program.

FOR FURTHER INFORMATION CONTACT: For information about the Auction Program go to <http://www.ed.gov/ope/plus-auction> or contact: Donald Conner, U.S. Department of Education, 1990 K Street, NW., room 8030, Washington, DC 20006. Telephone (202) 502-7818, or by fax to (202) 502-7873. You may also e-mail your questions about the Auction Program to: donald.conner@ed.gov.

If you use a telecommunications device for the deaf (TDD), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of March 3, 2009, the Secretary announced his intention to conduct, and invited eligible FFEL lenders to participate in, an Auction for the rights to originate PLUS loans to new parent borrowers under the FFEL Program (74 FR 9232). Through the Auction, the Secretary would award the rights to originate PLUS loans to new parent borrowers under the Federal PLUS Program authorized by section 428B of Title IV of the Higher Education Act of 1965, as amended (HEA), for loan periods beginning on or after July 1, 2009 and ending on or before June 30, 2011.

The period for the submission by lenders of pre-qualification requests for the Auction closed on April 1, 2009. In order for the Auction to have been considered successful for any State, at least two lenders must have submitted pre-qualification requests for that State. However, the Department failed to receive two requests for pre-qualification for any State, and for the vast majority of States the Department received no requests. For this reason, the Secretary has determined that the purpose of the Competitive Loan Auction Pilot Program has been frustrated, and he is cancelling the

Auction that was scheduled to occur on April 15, 2009. During the 2009-10 and 2010-11 award years, Parent PLUS loans under the FFEL Program may be made by any eligible lender selected by the parent borrower.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The U.S.-Russia Program encourages cooperative

education programs between institutions of higher education (IHEs) in the Russian Federation and the United States of America. The objective of this program is to provide grants that demonstrate partnerships between Russian and American IHEs that contribute to the development and promotion of educational opportunities between the two nations. The aim is to use the educational content as the vehicle for learning languages, cultural appreciation, sharing knowledge, and forming long-term relationships between the two countries. In the context of the modern international society and a global economy, an understanding of the cultural context plays a vital role in education and training.

Thus, this program is designed to support the formation of educational consortia of American and Russian IHEs to encourage mutual socio-cultural-linguistic cooperation; the joint development of curricula, educational materials, and other types of educational and methodological activities; and related educational student and staff mobility (exchanges).

Russian institutions will apply to The Russian Ministry of Education and Science for funding.

Priority: Under this competition, we are particularly interested in applications that address the following priority.

Invitational Priority: For FY 2009, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

Applicants must select one academic discipline as the subject area for their grant proposal in this U.S.-Russia competition. For the year 2009, the Department and the Russian Ministry have jointly decided to make up to three awards, as follows:

(A) Environmental Science Studies—No more than one award.

(B) Biotechnology—No more than one award.

(C) Any discipline, other than (A) and (B)—No more than one award.

Applications are invited from institutions of higher education with the capacity to contribute to a collaborative project in the areas listed with a Russian institution. The consortium partners, through promoting the study of and communication in foreign languages, are expected to increase awareness and understanding of the two cultures, and to strengthen the professional and scholarly ties between the two countries.

The Russian institutions, as part of a U.S.-Russian consortium, will receive separate but equivalent funding from the Russian Ministry of Education and Science.

Program Authority: 20 U.S.C. 1138–1138d.
