whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

Agency: Employee Benefits Security Administration.

Title of Collection: Application to the Department of Labor for Expedited Review of Denial of COBRA Premium Assistance.

OMB Control Number: New.

Frequency of Collection: On occasion.

Affected Public: Individuals or households; Business or other for-profit; Not-for-profit institutions.

Total Estimated Number of Respondents: 95,000.

Total Estimated Annual Burden Hours: 95,000.

Total Net Estimated Annual Costs Burden (other than hourly costs): \$52,000.

Description: Section 3001 of the American Recovery and Reinvestment Act of 2009 (ARRA) provides "Assistance Eligible Individuals" with the right to pay reduced COBRA premiums for up to 9 months. To be considered an "Assistance Eligible Individual" and receive premium reduction an individual must: (1) Be eligible for, and elect, COBRA continuation coverage, (2) have experienced an involuntary termination of employment which led to the COBRA election opportunity, (3) have experienced the involuntary termination during the period beginning September 1, 2008, and ending December 31, 2009. Individuals who experienced an involuntary termination of employment at any time between September 1, 2008, and February 16, 2009, and were offered, but did not elect, COBRA coverage or who elected COBRA and subsequently dropped it may have the right to an additional 60-day election period.

If individuals request treatment as an assistance eligible individual and are denied such treatment because of their ineligibility for COBRA continuation coverage, ARRA section 3001(a)(5) requires the Secretary of Labor to

provide for expedited review of the denial upon application to the Secretary in the form and manner the Secretary provides. The Secretary of Labor is required to act in consultation with the Secretary of the Treasury and must make a determination within 15 business days after receipt of an individual's application for review.

The "Application to the Department of Labor for Expedited Review of Denial of COBRA Premium Reduction" (the "Application") is the form that will be used by individuals to file their expedited review appeals. Such individuals must complete all information requested on the Application in order to file their review requests with the Department's Employee Benefits Security Administration (EBSA). An Application may be denied if sufficient information is not provided. The ICR relates to the Application.

Why are we requesting Emergency Processing? If the Department were to comply with standard PRA clearance procedures, it would not be able to implement its expedited review program on a timely basis as required by ARRA section 3001(a)(5).

Darrin A. King,

Departmental Clearance Officer.
