POSTAL SERVICE**39 CFR Part 955****Rules of Practice Before the Postal Service Board of Contract Appeals**

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: This document contains the final revisions to the rules of procedure before the Postal Service Board of Contract Appeals (Board), which will govern all proceedings before the Board. These rules of procedure completely replace and supersede the prior rules.

DATES: *Effective Date:* June 1, 2009.

FOR FURTHER INFORMATION CONTACT: Administrative Judge Gary E. Shapiro, Board Member, (703) 812–1910.

SUPPLEMENTARY INFORMATION: On February 11, 2009, the Board published for comment a proposed revision to the rules governing practice before the Board (74 FR 6845). Following the receipt of comments, the Board has made further revisions to its original proposal, as discussed below, and has determined that it is appropriate to adopt the rules of practice, as revised. The Board has also determined that it is appropriate to make these rules of practice effective on June 1, 2009, in the interest of orderly public administration.

A. Executive Summary

The rules governing proceedings involving contract disputes before the Postal Service Board of Contract Appeals are set forth in 39 CFR Part 955. The Board has adopted these rules pursuant to its authority contained in the Contract Disputes Act of 1978 (41 U.S.C. 601–613).

B. Background

The Board published proposed rules and a request for comments in the **Federal Register** on February 11, 2009 (74 FR 6845). This notice announced the intention to promulgate final rules of procedure, following the Board's review and consideration of all comments. The period for comments closed on March 13, 2009. The Board has considered all comments received, has revised the proposed rules as explained below, and now promulgates its final rules of procedure.

C. Summary of Comments and Changes

The Board received comments from three sources: the General Counsel's Office of the United States Postal Service, which represents the Postal Service in all Board proceedings; a law firm which practices regularly before the Board; and a bar association whose members practice before the various boards of contract appeals. The Board carefully considered each comment and adopted several of the suggestions made. The more significant of those comments are discussed below.

Section 955.1 Jurisdiction, Procedure, Service of Documents

The Board adopted a comment that the Board's working hours be specified for purposes of filing. The same commenter suggested that the Board address electronic filing, and adopt it as soon as possible. The Board recognizes advantages of electronic filing but is not presently in a position to provide a system to implement electronic filing. Electronic service between parties is not prohibited by the rules.

The Board adopted a comment to include an exception to the new requirement that requests for extensions of time must represent that the moving party has contacted the opposing party about the request, for situations in which the moving party unsuccessfully has made reasonable and good faith efforts to do so. The Board also adopted a comment concerning filings by fax and clarified that such filings are to be followed by filing by mail.

Section 955.3 Contents of Notice of Appeal

One commenter suggested that the Board identify the presiding judge and indicate the availability of alternative dispute resolution early in the proceedings. The Board's existing practice already includes identifying in the Notice of Docketing the availability of and providing information about alternative dispute resolution. The Board deems it advisable to leave further discussion of alternative dispute resolution to the discretion of the presiding judge based upon the circumstances of the appeal. The Board's practice has been not to assign a presiding judge formally to permit flexibility within the Board. Parties wishing to contact the presiding judge should inquire with the Board's Recorder.

The Board adopted a comment clarifying identification of the contract at issue in notices of appeal.

Section 955.4 Forwarding of Appeals

The Board adopted a comment requesting that the contracting officer be permitted to forward to the Board a copy of the notice of appeal rather than the original.

Section 955.5 Preparation, Contents, Organization, Forwarding, and Status of Appeal File

The Board declined to adopt a comment requesting that the requirement to number all pages in the appeal file be left to the discretion of each judge on a case by case basis, rather than remaining as a rule in all appeals. The proposed rule is consistent with preexisting Board practice. If a party believes numbering to constitute a burden in any particular case, it may seek relief from the requirement from the Board.

The Board also declined to adopt a comment to delay the deadline for submission of the appeal file until the filing of the answer. The Board believes that, generally, appellants should have the benefit of appeal files prior to being required to file a complaint. The revised rules allow later filing of the appeal file than the previous rules, and the Board does not believe that further delay is appropriate. If a party believes that the circumstances of a particular case warrant a delay in submission of the appeal file or supplement, it may seek an extension from the Board.

Section 955.7 Pleadings

The Board adopted minor clarifying language in § 955.7(a) suggested by a commenter.

The Board declined to adopt comments objecting to the proposed rules allowing the Board to require the respondent to file complaints in appeals of affirmative Government claims. The commenter suggested that requiring appellants to file the first pleading renders the proceedings more efficient. It further suggested that the Board's rule change allowing the Board *sua sponte* to designate a notice of appeal as a complaint (§ 955.7(a)) adequately addresses potential injustice to appellants. The Board agrees with countervailing comments received from another commenter that where the underlying claim is an affirmative Government claim, the Postal Service may be in a better position to explain the basis for the claim in an initial pleading. The rule leaves the order of filing of pleadings to the discretion of the Board based on the circumstances of each appeal, which merely incorporates the Board's existing practice.

Section 955.11 Prehearing or Presubmission Conference

A commenter suggested that the Board consider a mandatory initial scheduling conference early in each appeal to discuss issues in each appeal, available procedures, a schedule for discovery and other matters, to address the possibility of alternative dispute resolution, and to discuss possible dispositive motions. The Board believes that the suggestion is well taken and often conducts such a conference. However, the Board prefers that such conferences be addressed case by case, rather than by rule.

Another commenter also suggested that the Board's practice to require a joint status report near the start of proceedings in an effort to establish deadlines for the proceeding be memorialized in the rules. Again, while the Board believes this is an appropriate and efficient practice and intends to continue its use, the Board prefers to leave the requirement for and timing of such procedures to its discretion, on a case by case basis.

Section 955.12 Submission Without a Hearing

In response to a comment suggesting the possibility of confusion between § 955.9 and § 955.12, the Board deleted the first sentence of § 955.12. The Board's intent is to retain with the Board itself the ultimate determination whether to conduct a hearing where the parties disagree, after considering the circumstances of each such case.

Section 955.13 Optional Small Claims (Expedited) and Accelerated Procedures

The Board declined to adopt comments proposing to eliminate discovery in Small Claims (Expedited) Proceedings and to limit discovery in Accelerated Proceedings. Use of these procedures is optional at the election of appellants. The commenter suggested that where discovery is appropriate, appellants may opt out of the Expedited or Accelerated Procedure that was previously elected. The commenter also suggested that discovery in such cases may inappropriately tax limited party resources. The Board concluded that the rules adequately address these concerns and allow the Board, in its discretion in consideration of the circumstances of each case, to eliminate or reduce discovery and other procedures. Concerns about discovery in any particular case may be raised with the Board for appropriate action.

Section 955.14 Settling the Record

The Board declined to adopt a comment that evidence identified

during discovery be included within the list of items that may be included in the record as settled. The Board interprets the rule, as written, to include such evidence.

Section 955.16 Interrogatories to Parties, Admission of Facts, and Production and Inspection of Documents

The Board declined to adopt a suggestion to allow a 45-day response time for discovery requests as provided in the rules of the Armed Services Board of Contract Appeals. The Board believes that 30 days, provided by the rules of the Civilian Board of Contract Appeals and this Board, are adequate and that additional time, where needed, should be addressed case by case, through time extension requests between the parties or to the Board where necessary.

The Board also declined to adopt a comment that requests for admissions be deemed admitted if not timely denied. The Board prefers to consider the circumstances of each case, and retain the permissive formulation of the rule.

Section 955.17 Depositions

The Board declined to adopt a comment to alter its rule concerning designation of the purpose of a deposition where application for a deposition is submitted. The rule serves the purpose of providing notice to the opposing party to allow for development of a full record, where the purpose of a deposition is for evidence as opposed to discovery. However, the rule is not intended to preclude the potential use of the transcript of a deposition designated as a discovery deposition where the deponent becomes unavailable unexpectedly or where the parties may agree, or when the Board deems it appropriate.

The Board adopted another comment by the same commenter to leave the admission of deposition testimony in a hearing to the broad discretion of the Board. The Board also revised the rule to allow for introduction of a deposition transcript prior to a hearing as well as during a hearing.

The Board declined to adopt a comment to add a rule imposing the deposition costs of an expert on the party retaining the expert. Ordinarily, payment should be resolved between the parties.

Section 955.20 Unexcused Absence of a Party

A commenter sought clarification that a party that is absent from an ordered hearing will not be permitted to submit evidence or testimony after the

conclusion of the hearing. The Board has reviewed the comment and does not believe that a change to the rule is required. The Board prefers to leave the matter to its discretion on a case by case basis. The same commenter suggested that the Board should consider an application for costs by the party that attends the hearing, particularly if the hearing was requested by the party that is absent without excuse. The rules allow for such consideration or other action considered appropriate by the Board, and the Board does not believe it is necessary to revise the rules in this way.

Section 955.21 Nature of Hearings

The Board adopted a comment addressing the use of foreign language interpreters in hearings.

Section 955.22 Examination of Witnesses

The Board adopted a comment concerning exceptions to the ordered exclusion of witnesses. The revised rule reflects that the Board possesses considerable discretion concerning ordering exclusion of witnesses and exceptions to such exclusions.

Section 955.25 Transcript of Proceedings

One commenter requested clarification of the meaning of the rule that transcripts of proceedings will be provided to both parties. Prior Board practice provided transcripts of proceedings to the Postal Service without additional request or cost, but required specific request by appellants of the court reporter and payment. The intent of the rule as revised is to provide transcripts of proceedings to appellants as well, without additional request or payment, and therefore to treat both parties equally.

Section 955.26 Representation of the Parties

The Board adopted comments that attorneys identify their contact information and the jurisdiction in which they are licensed to practice in notices of appearance. The Board also adopted a comment that an attorney or party be required to file a written notice of any change of address, telephone number or fax number.

Section 955.27 Withdrawal of Attorney

The Board declined to adopt a comment concerning withdrawal of counsel and related notice thereof, as already adequately covered by this section.

Section 955.30 Motion for Reconsideration

The Board adopted a comment suggesting that the standard for motions for reconsideration be deleted. Such motions will be addressed on a case by case basis utilizing established Board precedent.

Section 955.34 Sanctions

The Board adopted a comment adding to its sanction power disqualification from practice before the Board.

Section 955.35 Subpoenas

The Board declined to adopt a comment seeking an explicit rule allowing for production of documents by subpoena in the absence of a subpoena for a deposition. The rule is consistent with the authority granted boards under the Contract Disputes Act.

D. Additional Comments

Alternative Dispute Resolution

A commenter suggested that the Board adopt a rule addressing details concerning alternative dispute resolution. The Board's existing practice already includes identifying in the Notice of Docketing the availability of and providing information about alternative dispute resolution. The Board prefers to address such procedures further on a case by case basis, by request of the parties or on its own initiative.

Service of Board Orders by Fax

The Board declined to adopt a comment requiring it to serve time-sensitive orders upon the parties by fax. The Board will continue its practice of faxing orders where it deems it appropriate in the absence of an established standard in its rules.

§ 955.1 Jurisdiction, procedure, service of documents.

(a) *Jurisdiction for considering appeals.* Pursuant to the Contract Disputes Act of 1978, 41 U.S.C. 601–613, the Postal Service Board of Contract Appeals (Board) has jurisdiction to consider and decide any appeal from a decision of a contracting officer of the United States Postal Service or the Postal Regulatory Commission relative to a contract made by either. In addition the Board has jurisdiction over other matters assigned to it by the Postmaster General, and over matters otherwise authorized by applicable law.

(b) *Organization and location of the Board.* (1) The Board is located at 2101 Wilson Boulevard, Suite 600, Arlington, Virginia 22201–3078. The Board's telephone number is (703) 812–1900, and its Web site is <http://www.usps.gov/judicial>. The Board's fax number is (703) 812–1901.

(2) The Board consists of the Judicial Officer as Chairman, the Associate Judicial Officer as Vice Chairman, and the Judges of the Board, as appointed by the Postmaster General in accordance with the Contract Disputes Act of 1978, 41 U.S.C. 601–613. All members of the Board shall meet the qualifications established in the Contract Disputes Act. In general, appeals are assigned to a panel of at least three members of the

Board. The decision of a majority of the panel constitutes the decision of the Board.

(c) *Board procedures.* (1) *Rules.*

Appeals to the Board are handled in accordance with the rules of the Board.

(2) *Administration and interpretation of rules.* These rules will be interpreted so as to secure a just and inexpensive determination of appeals without unnecessary delay. Emphasis is placed upon the sound administration of these rules in specific cases, because it is impracticable to articulate a rule to fit every possible circumstance which may be encountered. The Board may consider the Federal Rules of Civil Procedure for guidance in construing those Board rules that are similar to Federal Rules and for matters not specifically covered herein.

(3) *Time, computation, and extensions.* (i) All time limitations specified for various procedural actions are computed as maximums, and are not to be fully exhausted if the action described can be accomplished in a lesser period. These time limitations are similarly eligible for extension in appropriate circumstances.

(ii) Except as otherwise provided by law, in computing any period of time prescribed by these rules or by any order of the Board, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a federal holiday in which event the period shall run to the end of the next business day. Except as otherwise provided in these rules or an applicable order, prescribed periods of time are measured in calendar days rather than business days.

(iii) Requests for extensions of time from either party shall be made in writing stating good cause therefor, shall represent that the moving party has contacted the opposing party about the request, or made reasonable and good faith efforts to do so, and shall indicate whether the opposing party consents to the extension. If the request for extension of time is filed after the time for taking the required action has expired, the request should indicate the reasons for the party's failure to have submitted the request before that time expired.

(4) *Place of filings.* Unless the Board otherwise directs, pleadings and other communications shall be filed with the Recorder of the Board at its office at 2101 Wilson Boulevard, Suite 600, Arlington, Virginia 22201-3078. Generally, and unless otherwise prescribed by law, rule or applicable Board order, the Board considers

documents filed upon the earlier of receipt by the Recorder of the Board during the Board's working hours (8:45-4:45) or, if mailed, the date mailed to the Board. A United States Postal Service postmark shall be prima facie evidence that the document with which it is associated was mailed on the date of the postmark.

(5) *Service.* Documents shall be served personally or by mail, addressed to the party upon whom service is to be made. Copies of simultaneous briefs shall be filed directly with the Board for distribution and shall not be sent directly by the parties to each other. The party filing any other document with the Board shall send a copy thereof to the opposing party, by an equally or more expeditious means of transmittal, noting on the document filed with the Board, or on the transmitting letter, that a copy has been so furnished. The filing of a document by fax transmission occurs upon receipt by the Board of the entire legible submission by fax. The Board may determine not to extend a deadline for filing if the extension is necessary solely because the Board's fax machine is busy or otherwise unavailable when a filing is due. Submissions filed by fax shall be followed promptly by filing by mail.

§ 955.2 Notice of appeals.

Notice of an appeal must be in writing, and the original, together with two copies, may be filed with the contracting officer from whose decision the appeal is taken, or may be filed directly with the Board. The notice of appeal must be mailed or otherwise filed within the time specified by applicable law.

§ 955.3 Contents of notice of appeal.

(a) A notice of appeal from a contracting officer's decision should indicate that an appeal is thereby intended. It should identify the contract by number or other identifying reference, and identify the decision from which the appeal is taken, or it should attach a copy of the contracting officer's decision. If an appeal is taken from the failure of a contracting officer to issue a decision, the notice of appeal should describe in detail the claim that the contracting officer has failed to decide, and explain that the contracting officer has failed to decide the claim as required.

(b) The notice of appeal should be signed personally by the appellant (the contractor taking the appeal), or by an officer of the appellant corporation or member of the appellant firm, or by the

contractor's duly authorized representative or attorney. The complaint referred to in § 955.7 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint.

§ 955.4 Forwarding of appeals.

Upon receipt of a notice of appeal in any form, the contracting officer shall indicate thereon the date of mailing (or date of receipt, if otherwise conveyed) and within 10 days shall forward said notice of appeal to the Board, and shall include a copy of the contracting officer's final decision if one has been issued. Following receipt by the Board of the notice of an appeal (whether through the contracting officer or otherwise), the contractor and contracting officer will be advised promptly of its receipt, and the contractor will be furnished a copy of these rules.

§ 955.5 Preparation, contents, organization, forwarding, and status of appeal file.

(a) *Duties of the respondent.* Within 30 days from receipt of the Board's docketing notice, or such other period as the Board may order, the respondent's counsel shall file with the Board an appeal file consisting of all documents pertinent to the appeal and shall provide a copy to the appellant. The appeal file shall include:

(1) The claim and contracting officer's final decision from which the appeal is taken;

(2) The contract, including pertinent specifications, amendments, plans and drawings;

(3) All correspondence between the parties pertinent to the appeal;

(4) Transcripts of any testimony taken during the course of proceedings, and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and

(5) Any additional information considered pertinent.

(b) *Duties of the appellant.* Within 30 days after receipt of a copy of the appeal file, the appellant shall supplement the appeal file by transmitting to the Board any documents not contained therein considered to be pertinent to the appeal, and shall furnish copies of such documents to Postal Service counsel.

(c) *Organization of appeal file.* Documents in the appeal file or supplement, as applicable, may be originals or legible copies thereof, and shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed to

identify the contents. Page numbering shall be consecutive and continuous from one document to the next, so that the complete file or supplement, as applicable, will consist of one set of consecutively numbered pages.

(d) *Lengthy documents.* The Board may waive the requirement of furnishing to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when a party has shown that doing so would impose an undue burden. The party filing with the Board a document as to which such a waiver has been granted, shall notify the other party at the time of filing that the document is available for inspection at the offices of the Board or of the party.

(e) *Status of documents in appeal file.* Documents contained in the appeal file are considered, without further action by the parties, as part of the record upon which the Board will render its decision, unless a party objects to the consideration of a particular document. Unless otherwise provided by Board order, any such objection shall be made at least 10 days prior to a hearing or the date specified for settling the record in the event there is no hearing on the appeal. If timely objection to a document is made, the Board will rule upon its admissibility into the record as evidence in accordance with §§ 955.14 and 955.21.

§ 955.6 Motions.

(a) Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion may be afforded on application of either party. The Board may at any time and on its own motion raise the issue of its jurisdiction to proceed with a particular case.

(b) A motion filed in lieu of an answer shall be filed no later than the date on which the answer is required to be filed or such later date as may be established by Board order. Any other dispositive motion shall be filed as soon as practicable after the grounds therefor are known.

(c) Motions for summary judgment may be considered by the Board. However, the Board may defer ruling on a motion for summary judgment, in its discretion, until after a hearing or other presentation of evidence. Motions for summary judgment may be filed only when a party believes that, based upon uncontested material facts, it is entitled to relief as a matter of law. The parties are to consider proceeding by submission of the case without a hearing in accordance with § 955.12, in lieu of a motion for summary judgment.

(1) Motions for summary judgment shall include a separate document titled

Statement of Uncontested Facts, which shall contain in separately numbered paragraphs all of the material facts upon which the moving party bases its motion and as to which it contends there is no genuine issue. This statement shall include references to affidavits, declarations and/or documents relied upon to support such statement.

(2) The opposing party shall file with its opposition a separate document titled *Statement of Genuine Issues*. This document shall identify, by reference to specific paragraph numbers in the moving party's Statement of Uncontested Facts, those facts as to which the opposing party claims there is a genuine issue necessary to be litigated. An opposing party shall state the precise nature of its disagreement, and support its opposition with references to affidavits, declarations and/or documents that demonstrate the existence of a genuine dispute.

(3) The moving party and the non-moving party shall each submit a memorandum of law supporting or opposing summary judgment.

(4) If, despite reasonable efforts, the opposing party cannot present facts essential to justify its opposition, the Board may defer ruling on the motion to permit affidavits to be obtained or depositions to be taken or other discovery to be conducted, or may issue such other order as is just. The parties should not expect the Board to search the record for evidence in support of either party's position.

§ 955.7 Pleadings.

(a) *Appellant.* Within 45 days after receipt of notice of docketing of the appeal, the appellant shall file with the Board a complaint setting forth simple, concise and direct statements of each of its claims, alleging the basis, with appropriate reference to contract provisions, for each claim, and the dollar amount claimed, and shall serve the respondent with a copy. This pleading shall fulfill the generally recognized requirements of a complaint although no particular form or formality is required. Should the complaint not be filed within the time required, appellant's claim and notice of appeal may, if in the opinion of the Board the issues before the Board are sufficiently defined, be deemed to constitute the complaint and the respondent shall be so notified.

(b) *Respondent.* Within 30 days from receipt of said complaint, or the aforesaid notice from the Board, the respondent shall prepare and file with the Board an answer thereto, setting forth simple, concise, and direct statements of the respondent's defenses

to each claim asserted by the appellant, and shall serve the appellant with a copy. This pleading shall fulfill the generally recognized requirements of an answer, and shall set forth any affirmative defenses or counterclaims as appropriate. Should the answer not be filed within the time required, the Board may, in its discretion, enter a general denial on behalf of the respondent, and the appellant shall be so notified.

(c) *Affirmative claims by the respondent.* Where an appellant has appealed an affirmative claim by the respondent asserted in a final decision by a Postal Service contracting officer, such as a termination for default or a Postal Service claim that a contractor owes the Postal Service money under a contract, the Board may order the respondent to file the complaint as described in § 955.7(a), and the appellant to file the answer as described in § 955.7(b).

§ 955.8 Amendments of pleadings or record.

(a) Upon its own initiative or upon application by a party, the Board may, in its discretion, order a party to submit a more definite statement of the complaint or answer, or to reply to an answer.

(b) When issues within the proper scope of an appeal, but not raised in the pleadings, have been raised without objection or with permission of the Board at a hearing or in record submissions, they may be treated in all respects as if they had been raised in the pleadings. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, in its discretion the Board may admit the evidence and grant the objecting party a continuance or other relief if necessary to enable it to meet such evidence.

§ 955.9 Hearing election.

As directed by Board order, each party shall inform the Board, in writing, whether it desires a hearing as prescribed in §§ 955.18 through 955.25, or in the alternative submission of its case on the record without a hearing as prescribed in § 955.12. If a hearing is elected, the election should state where and when the electing party desires the hearing to be conducted and should explain the reasons for its choices.

§ 955.10 Prehearing briefs.

Based on an examination of the documentation described in § 955.5, the pleadings, and a determination of whether the arguments and authorities addressed to the issues are adequately set forth therein, the Board may, in its

discretion, require the parties to submit prehearing briefs in any case in which a hearing has been elected pursuant to § 955.9. In the absence of a Board requirement therefor, either party may, in its discretion and upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall be furnished simultaneously to the other party.

§ 955.11 Prehearing or presubmission conference.

(a) Whether the case is to be submitted pursuant to § 955.12, or heard pursuant to §§ 955.18 through 955.25, the Board may upon its own initiative or upon the application of either party, convene a conference to consider:

- (1) The simplification or clarification of the issues;
- (2) The possibility of obtaining stipulations, admissions, agreements on documents, understandings on matters already of record, or similar agreements which will avoid unnecessary proof;
- (3) The limitation of the number of expert witnesses, or avoidance of similar cumulative evidence, if the case is to be heard;
- (4) The possibility of agreement disposing of all or any of the issues in dispute; and
- (5) Such other matters as may aid in the disposition of the appeal.

(b) The results of the conference shall be reduced to writing by the Board and this writing shall thereafter constitute part of the record.

§ 955.12 Submission without a hearing.

Submission of the case without hearing does not relieve the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answers to interrogatories, and stipulations may be employed to supplement other documentary evidence in the record which will be settled pursuant to § 955.14. The Board may permit such submission to be supplemented by oral argument (transcribed if requested), and by briefs in accordance with § 955.24.

§ 955.13 Optional Small Claims (Expedited) and Accelerated Procedures.

(a) *The Small Claims (Expedited) Procedure.* (1) The Expedited Procedure is available solely at the election of the appellant. Such election requires decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the

appellant's election to utilize this procedure.

(2) The appellant may elect this procedure when:

- (i) There is a monetary amount in dispute and that amount is \$50,000 or less, or
- (ii) There is a monetary amount in dispute and that amount is \$150,000 or less and the appellant is a small business concern (as that term is defined in the Small Business Act and regulations promulgated under the Act).

(3) In cases proceeding under the Expedited Procedure, the respondent shall send the Board a copy of the contract, the contracting officer's final decision, and the appellant's claim letter or letters, if any, within ten days from the respondent's first receipt from either the appellant or the Board of a copy of the appellant's notice of election of the Expedited Procedure. If either party requests an oral hearing in accordance with § 955.9, the Board shall promptly schedule such a hearing for a mutually convenient time consistent with administrative due process and the 120-day limit for a decision, at a place determined under § 955.18. If a hearing is not requested by either party, the appeal shall be deemed to have been submitted under § 955.12 without a hearing.

(4) Promptly after receipt of the appellant's election of the Expedited Procedure, the Board shall establish a schedule of proceedings that will allow for the timely resolution of the appeal. Pleadings, discovery, and other prehearing activities may be restricted or eliminated at the Board's discretion as necessary to enable the Board to decide the appeal within 120 days after the Board has received the appellant's notice of election of the Expedited Procedure. In so doing, the Board may reserve whatever time it considers necessary for preparation of the decision.

(5) Written decisions by the Board in cases processed under the Expedited Procedure will be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Judge. If there has been a hearing, the Judge presiding at the hearing may, in his or her discretion, at the conclusion of the hearing and after entertaining such oral arguments as he or she deems appropriate, render on the record oral summary findings of fact, conclusions of law, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a printed copy of such oral decision for the record and payment purposes and for the

establishment of the commencement date of the period for filing a motion for reconsideration under § 955.30.

(6) Decisions of the Board under the Expedited Procedure will not be published, will have no value as precedents, and in the absence of fraud, cannot be appealed.

(b) *The Accelerated Procedure.* (1) The Accelerated Procedure is available solely at the election of the appellant and shall apply only to appeals where there is a monetary amount in dispute and the amount in dispute is \$100,000 or less. Such election requires decision of the appeal, whenever possible, within 180 days after the Board receives written notice of the appellant's election to utilize this procedure.

(2) Promptly after receipt of the appellant's election of the Accelerated Procedure, the Board shall establish a schedule of proceedings that will allow for the timely resolution of the appeal. The Board, in its discretion, may shorten time periods prescribed elsewhere in these Rules as necessary to enable the Board to decide the appeal within 180 days after the Board has received the appellant's notice of election of the Accelerated Procedure.

(3) Written decisions by the Board in cases processed under the Accelerated Procedure will normally be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Judge with the concurrence of the Chairman or Vice Chairman or other designated Judge, or by a majority among these two and an additional designated member in case of disagreement. In cases where the amount in dispute is \$50,000 or less and in which there has been a hearing, the single Judge presiding at the hearing may, with the concurrence of both parties, convert the appeal to an Expedited Proceeding and at the conclusion of the hearing, after entertaining such oral arguments as he or she deems appropriate, render on the record oral summary findings of fact, conclusions of law, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a printed copy of such oral decision for record and payment purposes and to establish the date of commencement of the period for filing a motion for reconsideration under § 955.30.

(c) *Denial of election.* At the request of the respondent, or on its own initiative, the Board may determine whether the amount in dispute and/or the appellant's status make the election of the Expedited Procedure or the Accelerated Procedure inappropriate.

(d) *Motions for Reconsideration in Cases Arising Under § 955.13.* Motions for reconsideration of cases decided under either the Expedited Procedure or the Accelerated Procedure need not be decided within the time periods prescribed by this § 955.13 for the initial decision of the appeal, but all such motions shall be processed and decided rapidly so as to fulfill the intent of this section.

(e) *General rule.* Except as herein modified, the rules of this Part 955 otherwise apply in all aspects.

§ 955.14 Settling the record.

(a) The record upon which the Board's decision will be rendered consists of the appeal file described in § 955.5, and to the extent the following items have been filed, pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories received in evidence, admissions, stipulations, transcripts of conferences and hearings, hearing exhibits, posthearing briefs, and documents which the Board has specifically designated be made a part of the record. The record will at all reasonable times be available for inspection by the parties at the Board.

(b) Except as the Board may otherwise order in its discretion, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

(d) The Board may consider the Federal Rules of Evidence for guidance regarding admissibility of evidence and other evidentiary issues in construing those Board rules that are similar to Federal Rules and for matters not specifically covered herein.

§ 955.15 Discovery.

(a) The parties are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the Board may issue any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, and those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b)(1) The Board may limit the frequency or extent of use of discovery methods described in these rules. In doing so, generally the Board will consider whether:

(i) The discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient, less burdensome, or less expensive;

(ii) The party seeking discovery has had ample opportunity by discovery in the case to obtain the information sought; or

(iii) The discovery is unduly burdensome and expensive, taking into account the needs of the case, the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake.

(2) The parties are required to make a good faith effort to resolve objections to discovery requests informally. A party receiving an objection to a discovery request, or a party which believes that another party's response to a discovery request is incomplete or entirely absent, may file a motion to compel a response, but such a motion must include a representation that the moving party has tried in good faith, prior to filing the motion, to resolve the matter informally. The motion to compel shall include a copy of each discovery request at issue and the response, if any.

(c) If a party fails to appear for a deposition, after being served with a proper notice, or fails to serve answers or objections to interrogatories, requests for admission of facts, or requests for the production or inspection of documents, after proper service, the party seeking discovery may request that the Board impose appropriate rulings or sanctions.

§ 955.16 Interrogatories to parties, admission of facts, and production and inspection of documents.

(a) *Interrogatories to parties.* After an appeal has been filed with the Board, a party may serve on the other party written interrogatories to be answered separately in writing, signed under oath and returned within 30 days. Upon timely objection, the Board will determine the extent to which the interrogatories will be permitted. The scope and use of interrogatories will be controlled by § 955.15.

(b) *Admission of facts.* After an appeal has been filed with the Board, a party may serve upon the other party a request for the admission of specified facts. Within 30 days after service, the party served shall answer each requested fact or file objections thereto. The factual propositions set out in the request may be ordered by the Board as

deemed admitted upon the failure of a party to respond timely and fully to the request for admissions.

(c) *Production and inspection of documents.* After an appeal has been filed with the Board, a party may serve on the other party written requests for the production, inspection, and copying of any documents, electronically stored information, or things, to be answered within 30 days. Upon timely objection, the Board will determine the extent to which the requests must be satisfied, and if the parties cannot themselves agree thereon, the Board shall specify just terms and conditions of compliance.

§ 955.17 Depositions.

(a) *When depositions permitted.* After an appeal has been docketed and complaint filed, the parties may mutually agree to, or the Board may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purpose of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence.

(b) *Orders on depositions.* The time, place, and manner of taking depositions shall be as mutually agreed by the parties or, failing such agreement, governed by order of the Board.

(c) *Use as evidence.* No testimony taken by deposition shall be considered as part of the evidence in the hearing of an appeal unless and until such testimony is offered and received in evidence at or before such hearing. It will not ordinarily be received in evidence if the deponent is available to testify at the hearing, but the Board may admit testimony taken by deposition in its discretion. A deposition may be used to contradict or impeach the testimony of the witness given at the hearing. In cases submitted on the record, the Board may, in its discretion, receive depositions as evidence in supplementation of that record.

(d) *Expenses.* Each party shall bear its own expenses associated with the taking of any deposition.

§ 955.18 Hearings—where and when held.

If there is to be a hearing, it will be held at a time and place prescribed by the Board after consultation with the party or parties electing the hearing. At the discretion of the Board, hearings may be held in the Board's hearing room in Arlington, Virginia or may be held at another location with due consideration

to the just, informal, expeditious and inexpensive resolution of each case.

§ 955.19 Notice of hearings.

The Board shall issue an order reasonably in advance of the hearing identifying the time and place thereof.

§ 955.20 Unexcused absence of a party.

The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. In the event of such absence, the hearing will proceed and the case will be regarded as submitted by the absent party as provided in § 955.12.

§ 955.21 Nature of hearings.

Hearings shall be as informal as may be reasonable and appropriate under the circumstances. The Board may exclude evidence to avoid unfair prejudice, confusion of the issues, undue delay, waste of time, or presentation of irrelevant, immaterial or cumulative evidence. Although the Board will consider the Federal Rules of Evidence as described in § 955.14(d), letters or copies thereof, affidavits, or other evidence not ordinarily admissible under the Federal Rules, may be admitted in the discretion of the Board. The weight to be attached to evidence presented in any particular form will be within the discretion of the Board, taking into consideration all the circumstances of the particular case. Stipulations of fact agreed upon by the parties may be accepted as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may in any case require evidence in addition to that offered by the parties. A party requiring the use of a foreign language interpreter allowing testimony to be taken in English for itself or witnesses it proffers is responsible for making all necessary arrangements and paying all costs and expenses associated with the use of an interpreter.

§ 955.22 Examination of witnesses.

Witnesses before the Board will be examined orally under oath or affirmation, unless the facts are stipulated, or the Board shall otherwise order. If the testimony of a witness is not given under oath or affirmation, the Board may warn the witness that his or her statements may be subject to the provisions of 18 U.S.C. 287 and 1001, and any other provisions of law imposing penalties for knowingly making false representations in connection with claims against the United States or in any matter within the jurisdiction of any department or agency thereof. Upon the request of

either party, or if the Board deems it advisable, the Board may exclude witnesses from the hearing room. The Board will not exclude a party who is an individual, the properly designated representative of a party which is an entity, a person whose presence is essential to the presentation of a party's case, or a person required by statute to be present.

§ 955.23 Copies of papers, withdrawal of exhibits.

(a) When books, records, papers, or documents have been received in evidence, a true copy thereof or of such part thereof as may be material or relevant may be substituted therefor, during the hearing or at the conclusion thereof.

(b) After a decision has become final, upon request and after notice to the other party, the Board in its discretion may permit the withdrawal of original exhibits, or any part thereof, by the party entitled thereto. The substitution of true copies of exhibits or any part thereof may be required by the Board in its discretion as a condition of granting permission for such withdrawal.

§ 955.24 Posthearing briefs.

Posthearing briefs may be submitted upon such terms as may be ordered by the Board at the conclusion of the hearing. Ordinarily, they will be simultaneous briefs, submitted to the Board on a date established by the Board, following receipt of transcripts.

§ 955.25 Transcript of proceedings.

Testimony and argument at hearings shall be reported verbatim, unless the Board otherwise orders. Transcripts of the proceedings will be provided to the parties by the Board.

§ 955.26 Representation of the parties.

(a) The term *appellant* means a party that has filed an appeal for resolution by the Board. An individual appellant may appear before the Board in his or her own behalf, a corporation may appear before the Board by an officer thereof, a partnership or joint venture may appear before the Board by a member thereof, or any of these may appear before the Board by an attorney at law duly licensed in any state, commonwealth, territory of the United States, or in the District of Columbia. An attorney representing an appellant shall file a written notice of appearance with the Board, including his or her address, telephone number, fax number, and jurisdiction in which the attorney is licensed to practice law.

(b) The term *respondent* means the U.S. Postal Service. Postal Service counsel, who shall be an attorney at law

licensed to practice in a state, commonwealth, or territory of the United States, or in the District of Columbia, designated by the General Counsel, will represent the interest of the Postal Service before the Board. Postal Service counsel shall file a written notice of appearance with the Board, including his or her address, telephone number, fax number, and jurisdiction in which the attorney is licensed to practice law.

(c) References to contractor, appellant, contracting officer, respondent and parties shall include respective counsel for the parties, as soon as appropriate notices of appearance have been filed with the Board. A self-represented party or an attorney representing either party shall inform the Board promptly of any change in his or her address, telephone number, or fax number.

§ 955.27 Withdrawal of attorney.

Any attorney for either party who has filed a notice of appearance and who wishes to withdraw from a case must file a motion or notice which includes the name, address, telephone number, and fax number of the person who will assume responsibility for representation of the party in question.

§ 955.28 Suspension.

(a) Whenever at any time it appears that the parties are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal: *Provided, however,* That if the Board is advised thereafter by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board's active docket.

(b) The Board may in its discretion suspend proceedings to permit a contracting officer to issue a decision when an appeal has been taken from the contracting officer's failure to render a timely decision, or for other good cause.

§ 955.29 Decisions.

Decisions of the Board will be made in writing and sent simultaneously to both parties. The rules of the Board and all final orders and decisions shall be open for public inspection at the offices of the Board, and may be made available on its official Web site and to commercial publishers. Decisions of the Board will be made solely upon the record, as described in § 955.14.

§ 955.30 Motion for reconsideration.

A motion for reconsideration, if filed by either party, shall set forth specifically the ground or grounds relied upon to sustain the motion, and shall be filed within 30 days from the

date of the receipt of a copy of the decision of the Board by the party filing the motion.

§ 955.31 Dismissal without prejudice.

In certain cases, appeals docketed before the Board are required to be placed in a suspense status and the Board is unable to proceed with disposition thereof for reasons not within the control of the Board. In any such case where the suspension has continued, or it appears that it will continue, for an inordinate length of time, the Board may, in its discretion, dismiss such appeals from its docket without prejudice to their restoration when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be deemed with prejudice.

§ 955.32 Dismissal for failure to prosecute.

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices or correspondence from the Board, comply with orders of the Board, or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may issue an order requiring the offending party to show cause why the appeal should not be either dismissed or granted, as appropriate. If the offending party shall fail to show such cause, the Board may take such action as it deems reasonable and proper under the circumstances.

§ 955.33 Ex parte communications.

No member of the Board or of the Board's staff shall entertain, nor shall any person directly or indirectly involved in an appeal submit to the Board or the Board's staff, off the record, any evidence, explanation, analysis, or advice, whether written or oral, regarding any matter at issue in an appeal. This provision does not apply to consultation among Board members nor to *ex parte* communications concerning the Board's administrative functions or procedures.

§ 955.34 Sanctions.

(a) All parties and their attorneys must obey directions and orders prescribed by the Board and adhere to standards of conduct applicable to such parties and attorneys. As to an attorney, the standards include the rules of professional conduct and ethics of the jurisdictions in which that attorney is licensed to practice, to the extent that those rules are relevant to conduct affecting the integrity of the Board, its process, or its proceedings.

(b) If any party or its attorney fails to comply with any direction or order issued by the Board, or engages in misconduct affecting the Board, its process, or its proceedings, the Board may issue such orders as are just, including the imposition of appropriate sanctions. Sanctions may include:

- (1) Taking the facts pertaining to the matter in dispute to be established for the purpose of the case;
- (2) Forbidding challenge of the accuracy of any evidence;
- (3) Refusing to allow the disobedient party to support or oppose designated claims or defenses;
- (4) Prohibiting the disobedient party from introducing in evidence designated documents or testimony;
- (5) Striking pleadings or parts thereof, or staying further proceedings until the order is obeyed;
- (6) Dismissing or granting the case or any part thereof;
- (7) Imposing such other sanctions as the Board deems appropriate.

(c) In addition, the Board may sanction individual attorneys for a violation of any Board order or direction or standard of conduct applicable to such individual where the violation seriously affects the integrity of the Board, its process, or its proceedings. Sanctions may be public or private, and may include admonishment, disqualification from a particular matter, disqualification from practice before the Board in accordance with 39 CFR Part 951, referral to an appropriate licensing authority, or such other action as circumstances may warrant.

§ 955.35 Subpoenas.

(a) *General.* Upon written request of either party filed with the Recorder, or on the Board's own initiative, the Board may issue a subpoena requiring:

- (1) *Testimony at a deposition.* The deposing of a witness in the city or county where the witness resides or is employed or transacts business in person, or at another convenient location as determined by the Board;
- (2) *Testimony at a hearing.* The attendance of a witness for the purpose of taking testimony at a hearing; or
- (3) *Production of books and papers.* The production by a witness of books, papers, documents, electronically stored information, and other tangible and intangible things designated in the subpoena.

(b) *Voluntary cooperation.* Each party is expected:

- (1) To cooperate and make available witnesses and evidence under its control as requested by the other party, without issuance of a subpoena; and
- (2) To secure voluntary attendance of desired third-party witnesses, books,

papers, documents, or tangible things whenever possible.

(c) *Requests for subpoenas.* (1) A request for a subpoena shall normally be filed at least:

(i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought, and/or where the production by a witness of books, papers, documents, electronically stored information, and other tangible and intangible things is sought; and

(ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought; except that

(iii) In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books, papers, documents, electronically stored information, and other tangible and intangible things sought.

(d)(1) *Requests to quash or modify.* Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may:

(i) Quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown; or

(ii) Require the person in whose behalf the subpoena was issued to advance the reasonable cost of compliance.

(2) Where circumstances require, the Board may act upon such a request at any time after a copy has been served upon the opposing party.

(e) *Form; issuance.* (1) Every subpoena shall state the name of the Board and the title of the appeal and shall command each person to whom it is directed to attend and give testimony, and where appropriate, to produce specified books, papers, documents, electronically stored information, and other tangible and intangible things at a time and place therein specified. In issuing a subpoena to a requesting party, the Judge shall sign the subpoena and may enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign country, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781–1784.

(f) *Service.* (1) The party requesting issuance of a subpoena shall arrange for service.

(2) A subpoena may be served by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service of a subpoena upon a person named therein shall be made by personally delivering a copy to that person and tendering the fees for one day's attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law.

(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and of the officer who serves the subpoena. The failure to make payment of such charges on demand may be deemed by the Board as a sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(g) *Contumacy or refusal to obey a subpoena.* In case of contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a U.S. District Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member thereof to give testimony or produce evidence or both. Any failure of any such person to obey the order of the Court may be punished by the Court as a contempt thereof.

§ 955.36 Effective dates and applicability.

These revised rules govern proceedings in all cases docketed by the Board on or after June 1, 2009.

BILLING CODE 7710-12-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R05-OAR-2008-0031; FRL-8899-3]

Approval and Promulgation of Air Quality Implementation Plans; Indiana; Extended Permit Terms for Renewal of Federally Enforceable State Operating Permits

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is approving Indiana's rule revision to extend permit terms for the renewal of Federally Enforceable

State Operating Permits (FESOPs) from five years to ten years. Indiana submitted this rule revision for approval on December 19, 2007. FESOPs apply to non-major sources that obtain enforceable limits to avoid being subject to certain Clean Air Act (Act) requirements, including the Title V operating permit program. Neither the Act nor its implementing regulations specify a permit-term requirement for FESOPs. This rule revision will provide relief to Indiana's resource burden of processing permit renewals. It will also allow the Indiana Department of Environmental Management (IDEM) to devote more resources to major source Title V permitting actions and permit modifications for both Title V and FESOP sources.

DATES: This direct final rule will be effective July 6, 2009, unless EPA receives adverse comments by June 4, 2009. If adverse comments are received, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that the rule will not take effect.
