

because debt holders may have different and conflicting rights.

7. Applicant submits that the concerns underlying the Independent Trustee Requirement are not implicated if the trustee for an Issuer is independent of the sponsor, servicer, and credit enhancer for the Issuer, but is affiliated with an underwriter for the Issuer, because, in that situation no single entity would act in all capacities in the issuance of the ABS and the operation of an Issuer. Applicant states that applicant would continue to act as an independent party safeguarding the assets of any Issuer regardless of an affiliation with an underwriter of the ABS. Applicant submits that the concern that affiliation could lead to a trustee monitoring the activities of an affiliate also is not implicated by a trustee's affiliation with an underwriter, because, in practice, a trustee for an Issuer does not monitor the distribution of securities or any other activity performed by underwriters. Applicant further states that the requested relief would be consistent with the broader purpose of rule 3a-7 of not hampering the growth and development of the structured finance market, to the extent consistent with investor protection.

#### **Applicant's Conditions**

The applicant agrees that any order granting the requested relief will be subject to the following conditions:

1. The applicant will not be affiliated with any person involved in the organization or operation of the Issuer in an ABS Transaction other than the underwriter.

2. The applicant's relationship to an affiliated underwriter will be disclosed in writing to all parties involved in an ABS Transaction, including the rating agencies and the ABS holders.

3. An underwriter affiliated with the applicant will not be involved in the operation of an Issuer, and its involvement in the organization of an Issuer will extend only to determining the assets to be pooled, assisting in establishing the terms of the ABS to be underwritten, and providing the sponsor with a warehouse line of credit with which to purchase the pool assets.

4. An affiliated person of the applicant, including an affiliated underwriter, will not provide credit or credit enhancement to an Issuer if the applicant serves as trustee to the Issuer.

5. An underwriter affiliated with the applicant will not engage in any remarketing agent activities, including involvement in any auction process in which ABS interest rates, yields, or dividends are reset at designated intervals in any ABS Transaction

6. All of an affiliated underwriter's contractual obligations pursuant to the underwriting agreement will be enforceable by the sponsor.

7. Consistent with the requirements of rule 3a-7(a)(4)(i), the applicant will resign as trustee for the Issuer if applicant becomes obligated to enforce any of an affiliated underwriter's obligations to the Issuer.

8. The applicant will not price its services as trustee in a manner designed to facilitate its affiliate being named underwriter.
