DEPARTMENT OF AGRICULTURE

Forest Service

Information Collection; Request for Comment; Objections to New Land Management Plans, Plan Amendments, and Plan Revisions

AGENCY: Forest Service, USDA.

ACTION: Notice.

SUMMARY: Under the Paperwork Reduction Act of 1995, the Forest Service is seeking comments from all interested people and organizations on the extension of a currently approved information collection, objections to new land management plans, plan amendments, and plan revisions.

DATES: Comments must be received in writing on or before July 6, 2009 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

ADDRESSES: Comments concerning this notice should be addressed to Forest Service, Assistant Director for Planning, Ecosystem Management Coordination, Mail Stop 1104, 1400 Independence Avenue, SW., Washington, DC 20250-1104.

Comments also may be submitted via facsimile to (202) 205-1012 or by e-mail to: rterney@fs.fed.us.

The public may inspect comments received at the Ecosystem Management Coordination Office, 201 14th St., SW., Washington, DC, during normal business hours. Visitors are encouraged to call ahead to (202) 205-0895 to assist entry into the building.

FOR FURTHER INFORMATION CONTACT: Regis Terney, Ecosystem Management Coordination, at (202) 205-0895 or e-mail to: rterney@fs.fed.us. Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339, 24 hours a day, every day of the year, including holidays.

SUPPLEMENTARY INFORMATION:

Title: Objection to new land management plans, plan amendments, and plan revisions.

OMB Number: 0596-0158.

Expiration Date of Approval: January 31, 2010.

Type of Request: Extension of a currently approved collection.

Abstract: The information that would be required by Title 36, Code of Federal Regulations, part 219—Planning, subpart A—National Forest System Land Management Planning (36 CFR part 219, subpart A), section 219.13 is the minimum information needed for a person to make clear the objection to a proposed land management plan, plan amendment, or plan revision. Under 36 CFR 219.13, a person must provide name, mailing address, and if possible, telephone number; and state the issues, the parts of the plan, amendment or revision that is the subject of the objection; and state how the person believes the plan, amendment, or revision is inconsistent with law, regulation, or policy or how the person disagrees with the decision and supply any recommendations for change. The reviewing officer must review the objection(s) and relevant information and then respond to the objector(s) in writing.

Estimate of Annual Burden: 10 hours to prepare the objection.

Type of Respondents: Interested and affected people, organizations, and governmental units who participate in the planning process: such as people who live in or near National Forest System (NFS) lands; local, State, and Tribal governments who have an interest in the plan; Federal agencies with an interest in the management of NFS lands and resources; not-for-profit organizations interested in NFS management, such as environmental groups, recreation groups, educational institutions; and commercial users of NFS land and resources.

Estimated Annual Number of Respondents: 1,210 a year.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 12,100 hours.

Comment is invited on: (1) Whether the right information is being requested, including whether the information will have practical value; (2) whether the instructions in 36 CFR 219.13 are clear; (3) whether the Forest Service estimate

of the burden of the collection of information is accurate, (10 hours); (4) ways to enhance the quality, usefulness, and clarity of the information to be collected; (5) ways to make the objections available to people, (6) ways to minimize the burden of the collection of information on people, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received on this notice, including names and addresses when given, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.

Dated: April 30, 2009.

Gloria Manning,

Associate Deputy Chief, National Forest System.

I. Funding Opportunity Description

This solicitation is issued pursuant to section 231 of the Agriculture Risk Protection Act of 2000 (Pub. L. 106-224) as amended by section 6202 of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110-246) (see 7 U.S.C. 1621 note)) authorizing the establishment of the Value-Added Agricultural Product Market Development grants, also known as Value-Added Producer Grants. The Secretary of Agriculture has delegated the program's administration to USDA Rural Development Cooperative Programs.

The primary objective of this grant program is to help Independent Producers of Agricultural Commodities, Agriculture Producer Groups, Farmer and Rancher Cooperatives, and Majority-Controlled Producer-Based Business Ventures develop strategies to create marketing opportunities and to help develop Business Plans for viable marketing opportunities regarding production of bio-based products from agricultural commodities. Cooperative Programs will competitively award funds for Planning Grants and Working Capital Grants. In order to provide program benefits to as many eligible applicants as possible, applicants must apply only for a Planning Grant or for a Working Capital Grant, but not both. Grants will only be awarded if Projects are determined to be economically viable and sustainable.

USDA Rural Development is encouraging projects that highlight innovative uses of agricultural products. This may include using existing agricultural products in non-traditional ways and/or merging agricultural products with technology in creative ways. As with all value-added efforts, generating new products, creating expanded marketing opportunities and increasing producer income are the end goal. Applications proposing to develop innovative, sustainable products, businesses, or marketing opportunities that accelerate creation of new economic opportunities and commercialization in the agri-food, agri-science, or agriculture products
