[STB Finance Docket No. 35242]

Chicago Central & Pacific Railroad Company—Trackage Rights Exemption—Wisconsin Central Ltd.

Pursuant to a written trackage rights agreement entered into between Chicago Central & Pacific Railroad Company (CCP) and Wisconsin Central Ltd. (WCL) on April 16, 2009,¹ CCP has agreed to grant WCL nonexclusive overhead and interchange trackage rights between CCP’s connection with the Elgin, Joliet & Eastern Railway Company (EJ&E) at or near CCP’s milepost 35.7 at Munger, IL, and CCP’s connection with The Belt Railway Company of Chicago and the Illinois Central Railroad Company at or near CCP’s milepost 8.3 (Belt Crossing) at Chicago, IL, on CCP’s Freeport Subdivision, a distance of approximately 27.4 miles, all in the State of Illinois.²

The transaction is scheduled to be consummated on or about May 23, 2009, the effective date of the exemption (30 days after the exemption is filed). The purpose of the trackage rights is to enable WCL to efficiently handle overhead and interchange freight movements between Munger and Belt Crossing at Chicago. The transaction also extends to all industry spurs, connecting tracks and sidings now existent or hereafter constructed along the tracks to be used here, and right-of-way for the tracks to be used here, signals, interlocking devices and plants, telegraph and telephone lines, and other appurtenances necessary to the use of those tracks. Under the trackage rights

¹ A redacted version of the trackage rights agreement between CCP and WCL was filed with the notice of exemption. The full version of the agreement, as required by 49 CFR 1180.6(a)(7)(ii), was concurrently filed under seal along with a motion for protective order. The motion is being addressed in a separate decision.

² The Board recently approved the acquisition of control by Canadian National Railway Company and Grand Trunk Corporation (collectively, CN) of EJ&E West Company (EJ&EW), a wholly owned, noncarrier subsidiary of EJ&E, with EJ&EW acquiring certain land and rail line assets from EJ&E, including EJ&E’s name, and becoming a rail carrier prior to CN acquiring control of it. See *Canadian National Railway Company and Grand Trunk Corporation—Control—EJ&E West Company*, STB Finance Docket No. 35087, (STB served Dec. 24, 2008). WCL states that, during recent exercises to implement EJ&E into CN’s operations around the Chicago area, it was determined that the rights documented in this trackage rights agreement were established several years ago, implementing agreements were negotiated and executed with the affected unions, and operations were commenced. According to WCL, this filing is being made to assure that all necessary Board authorization has been secured.
